AYER'S CATHARTIC PILLS. Aro you sick, feeble, and complaining? Are you out of order, will your system de-ranged, and your feelings un-comortable? These, symp-tonis are often the prelude to serions illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right rem-edy. Take Ayer's Fills, and cleanse out the disordered hu-mors - purify the blood, and let the fluids more on unob-structed in health again. They stimulate the functions of the body into rigorous ac-tivity, purify the system from the obstructions which make onewhere in the blood, and Brazil J.RICE Wis.

tivity, purify the system from the obstructions which make disease. A cold settles gomewhere in the body, and ob-structs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, pro-ducing general aggravation, suffering, and disease. While in this condition, oppressed by the decangements, take Ayors. Pills, and see how directly they restors the natural action of the systein, and with it the baoyant feeling of health again. White is true and as apparent in this trivial and common complaint, is also true in many of the deepscated and dangerous distempers. This same purgative offect expels them. Caused by similar obstruc-tions and derangements of the natural functions of the body, they are rapidly, and many of thein surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure. Statements from leading physicians in some of the principal cities, and from other, well known public per-sons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1858. Dn. Area. Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of alcerous sores upon her hands and feet that had proved incurable for years. Hor mothor has been long grier-ously affileted with blotches and pimples on her skin and in her hair. After our child was cured, she also triod your Pills, and they have cured her. ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Curturright, New Orleans. Your Pills are the prince of purges. Their excellent malities surpass any cathartic we passes. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, SickHeadache, Foul Stomach

From Dr. Edward Boyd, Baltimore Data Boo. Aven: I cannot aiswer you what complaints I have cured with your Pills better than to say all that we seer treat with a purgative melleine. I place great depen-don oo an officiated callerite in my dely contest with lisense, and believing as I do that your Pills afford us the best we have, I of course value them highly.

best we have, I of course value them highly. Prrraume, Pa., May I, 1855. DR. J. C. Aven. Sir: I have been repeatedly cured of the worst heudeche any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. Yours with great respect, ED. W. PREDLE, *Clerk of Sleaner Clarion*.

Billous Disorders - Liver Complaints.

From Dr. Thendore Bell, of New York City. Not only are your Pills adminubly adapted to their pur-hog as an aperient, but I find like'r henchicial effects upon the Liver yerry marked indeeld. They have in my prac-tice proved more effectual for the cure of bilious com-plaints than any one remedy L can mention. I sincerely rejoice that we have at length a purgative which is wor-thy the confidence of the profession and the people.

C., 7th Feb., 1856. } Sure I have used your Fills in any general and hospital practice over since you made, them, and cannot hositate to say they are the best cathurtic we employ. Their regu-haing action on the liver is quick and decided, conse-quently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found, a case of billous disease so obstimute that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Invertigation of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Unicago. Your Pills have had a longitrial in my practice, and I hold them in esteem as one of the best aperients I have over found. Their atterative effect upon the liver makes them an excellent reinedy, when given in small doses for billous dysentery and diarrhaza. Their sugnrecoating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. **Dyspepsia, Impurity or the Bloou.** From Rev. J. V. Himes, Fusitor of Adcent Church, Boston. Dn. AFER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have over known, and I can confidently recommend them to my friends.

WARSAW, Wyonning Co., N. Y., Oct. 24, 1855. DEAR SIR: I am using your Cathartic Fills in my prac-tice, and find them an excellent purpative to cleanse the system and purify the finantians of the blond; JOHN G. MEACHAM, M. D.
