

THE NEW YORK TRIBUNE.

NEW VOLUME.

On the seventh of September, 1867, the New York WEEKLY TRIBUNE commenced the twenty-first year of its existence; the DAILY TRIBUNE being some months older and the SEMI-WEEKLY TRIBUNE somewhat younger. For more than twenty years, this journal has labored in what its conductors have felt to be the cause of humanity, Justice and Freedom, endeavoring to meliorate the condition of the oppressed and unfortunate, to honor and encourage useful exertion in whatever sphere, and to promote by all means the moral, intellectual, and material advancement of our country. It has aimed to be right rather than popular, and to espouse no cause not willing to accept till to-morrow. In pursuing this course, mistakes have doubtless been made and faults committed, but, have in all things incited our readers to think and judge for themselves rather than adopt blindly our own or others' conclusions, we believe we may fairly claim for this journal the credit of having qualified its readers to detect and expose even its errors. To envelop the minds of the young by the most general, thorough and practical Education, and to encourage and stimulate Productive Industry through free grants of Public Lands to actual settlers and cultivators, as also the protection of immature or peculiarly exposed branches from too powerful foreign competition, are among the aims to which this journal has adhered through good and evil report, and which it steadfastly commends to American patriotism and philanthropy.

As to the Civil War now devastating our country we hold it to have originated in a Rebellion more wanton, wicked, inexcusable, than was ever before known—a Rebellion in the interest of the few against the many—a Rebellion, designed to raise higher the walls of caste and tighten the chains of oppression. Having done all we could without a surrender of principle to avoid this War, and witnessed the forbearance, meekness and long suffering with which the Federal Government sought to avert its horrors, we hold it our clear duty, with that of every other citizen, to stand by the nation and its fairly chosen rulers, and to second with all our energies their efforts to uphold the Union, the Constitution and the supremacy of the laws. And, though the Rebellion has become, through usurpation, deception, terrorism, and spoliation, fearfully strong, we believe the American Republic far stronger, and that the unanimous, earnest efforts of loyal hearts and hands will insure its overthrow. But on all questions affecting the objects, the scope and duration of this most extraordinary contest, we defer to those whom the American People have clothed with authority, holding unity of purpose and of action indispensable in so grave an emergency.

In a crisis like the present our columns must be largely engrossed with the current history of the War for the Union, and with elucidations of its more striking incidents. We shall not however remit that attention to Literature, to Foreign Affairs, to Agricultural Progress, to Crops, Markets, &c., &c., which has, already we trust, won for THE TRIBUNE an honorable position among its contemporaries. Our object is and shall be to produce a comprehensive newspaper, from which a careful reader may glean a vivid and faithful history of the times, not merely in the domain of Action but in that of Opinion also. As our facilities for acquiring information increase with years, we trust that an improvement in the contents of our journal is perceptible, and that, in the variety and fullness of intelligence afforded, we may still hope to "make each day a critic on the last." In this hope we solicit a continuance of the generous measure of patronage hitherto accorded to our journal.

MOFFAT'S LIFE PILLS AND PHENIX BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the Vegetable Life Medicines

Are well known to be infallible. DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the staid and acrid kind; FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Langour, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days. FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure the RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere. SCURVEY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, scallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time, will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles of 35 years standing, by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy.—Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND NO MORE.

BILIOUS FEVERS and LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females.—The Medicines have been used with the most beneficial results in cases of this description.—Kings Evil, and Scourful, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Pa'nters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla. Prepared and sold by W. B. MOFFAT, 335 BROADWAY, New-York. For sale by all Druggists.

MRS. WINSLOW'S SOOTHING SYRUP.

FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation, and allaying ALL PAIN and spasmodic action, and is

SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourselves, and

RELIEF AND HEALTH TO YOUR INFANTS. We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW" after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF WHAT WE HEREBY DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES. It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHOEA IN CHILDREN, whether it arises from teething; or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the relief that will be SURE—yes, AB—TUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using it accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper. Sold by Druggists throughout the world.

MOTHERS, READ THIS.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine—Mrs. Winslow's Soothing Syrup FOR CHILDREN TEETHING:

"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug. WE HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply."

THE LADY'S FRIEND.

GODEY'S LADY'S BOOK FOR 1862.—The world's favorite. For 32 Years the Standard Magazine. Pronounced by the Press of the United States, the best Lady's Magazine in the World and the Cheapest.

The Literature is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

The best Lady Writers in America contribute to its pages, and we have some that write for no other Magazine.

The Music is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

Our Skirt Engravings.—All efforts to rival us in this department, giving, as we do, many more, and infinitely better engravings than are published in any other work.

Godey's Immense Double-Sheet Fashion-Plates.—Containing from five to seven, full length Colored Fashions on each plate. Other magazines give only two.

Far Ahead of any Fashions in Europe or America.—Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost \$10,000 more than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited. These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plates given in some of our so called fashion magazines.

Our Wood Engravings, of which we give twice or three times as many as any other magazine, are often mistaken for steel, and are imitations.—Beware of them! Remember that the Lady's Book is the original publication and the cheapest. If you take Godey you want no other magazine.

Drawing Lessons.—No other Magazine gives them, and we have given enough to fill several large volumes.

Our Receipts are such as can be found nowhere else. Cooking in all its variety—Confectionary—the Nursery—the Toilet—the Kitchen—the Laundry. We originally started this department, and have peculiar facilities for making it most perfect.

Ladies' Work Table.—This department comprises engravings and descriptions of every article that a lady wears.

Model Cottages.—No other Magazine has this department.

Terms, Cash in advance: 1 copy one year, \$3, 2 copies one year \$5, 3 copies one year, \$6, 4 copies one year \$7. Five copies one year, and an extra copy to the person sending the club, \$10. ADVERTISE in the JOURNAL! It is the only paper in Potter county, and is a good medium through which to reach the people of all districts.

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combination with Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

In cases of all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:— In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhoea, Dysentery, Incipient Consumption, Scrophulous Tuberculosis, Salt Rheum, Menstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, and in trials of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bedridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land.—Some very signal instances of this kind are attested to female Sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and desepitic aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for unlike the old oxids, it is rigorously tonic without being exciting and overheating; and gently, regularly agent even in the most obstinate cases of costiveness without ever exciting a gastric purgative, or inducing a disagreeable sensation.

It is this latter property, among others, which makes it so remarkable an effectual and permanent a remedy for Piles, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes a single box of these Chalybeate Pills has often sufficed for the most intractable cases, including the attendant Costiveness.

In unchecked Diarrhoea, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and physicians in several very gratifying and interesting instances.

In Scrophulous Tuberculosis, this medicated iron has had far more than the good effect of the most cautiously balanced preparations of iodine, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this remedy, and restorative, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects—Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 Pills, price 50 cents per box: for sale by druggists and dealers. Will be sent free to any address on receipt of the price. All letters, orders, &c., should be addressed to R. B. LOCKE & Co., General Agents, 4—1y, 20 Cedar St., N. Y.
