## THE JOURNAL Coudersport, Pa.

Wednesday, Dec. 18, 1861 M. W. MCALARNEY, EDITOR

WAR WITH ENGLAND! Upon the reception of the news in England, of the taking of Mason and Slidell from the British Steamer Trent, by Capt. Wilkes of the San Jacinto, great indignation was expressed huts. by those interested in the Gotton trade, and meetings were held in Liverpool calling upon the British Government to resent the insult offered its flag. The papers, however, take the matter coolly, and the London Times says : "Unwelcome as the truth may be, it is never-killed two, and took cleven prisoners. theless a truth that we have established a system of International Law which now tells against us." The Zimes thus intimates that ique on the 24th ult., and the United and John Peet from Company H, and even now, the sanguinary conflict is but Capt. Wilkes in taking Mason and Slidell from States gun-boat Iroquois was in pursuit Gilbert Kenyon, from Company G, are as it were begun. Alas for the firesides the British Steamer was only doing what a of her; but she escaped, as she has so with us no more. All were good and true already made desolate, and for the very Law, established by the superior strength of many times before done. the English Navy years ago, permitted him to do. The Star says : "The opinion of the law in eastern Tennessee. Bridges are being the churchyard in Darnestown, with mil- lated, no one can tell how soon. officers of our Crown has been taken on the burnt, Crops destroyed and in districts itary honors. A simple board with their English vessels] assumed by the United States most outrageous manner. The report their graves; but memory will forever pretation of the law of nations and the privileges of belligerants a contrary opinion could ed. be sustained." If the English people do become indignant and make cottonized speeches they cannot remove the right which all International Law gives, and therefore the English Government cannot justly interfere in the case

In hand. Singe the above was written another Steamor has arrived from England and brings the news that it was the intention of the Crown to demand the surrender of Mason and Slidell that Col. Brown had all his guns shotted fancy. This, I admit, would cause a is the sys.cm of chattle slavery existing and reparation for the alledged insult. The for two or three days, waiting until all strong feeling sgainst us—and the regi-news intimates that a war with this country the rebel boats that had habitually plied ment, a thousand brave, true and patri-is expected and great preparations are being between Pensacola and the Navy-Yard otic men-must suffer for the crime of a mainly for the promotion of their "pecumade for it. If England pursues this course, were safely hived at the latter, when he single villain. But know, friends at liar" and-with them-most cherished of Skins, such as Calf Skins, &c., also, Beans, made for it. If England pursues this course, were sately nived at the latter, when he single vitatu. For allow, friends of har and with the mathematical of sately nived at the latter, when he single vitatu. For all persons of the latter, when he single vitatu. For all persons not totally contrary to all the principles of Right and opened fire. The result was, two of them home, that we are not the set of desperal institution. To all persons not totally hoodwinked by prejudice, that is clearly Beas, Venison, and similar course years ago, and let there not be ton and the Navy-Yard were burned, and our word, but take the words of Gen. and indisputably evident.
