Wednesday, Jan. 8, 1862. M. W. McALARNEY, EDITOR.

to the Rev. H. H. LYMAN, at the M. E. who even could be repeated in future, the crinolines the nation of This seems to arise from two Parsonage, on Tuesday evening January By Order of Committee.

A man by the name of Patterson, gany Co., N. Y., lately at Eleven Mile, \$1000 or more, entrusted to him by the ation, which it is known the Government altogether likely to gain their freedomsoldiers from this county some two months took every means to conceal. ago, for their families at home; is supposed to have left the country. We publish this that he may be apprehended and not impose upon any one else. *

Dae year ago, when Maryland was distintionists. Weak and vascillating he fidence." dared not make a loyal blow, but contentproved that he was either a passive in by one of the vessels." strument in the hands of the rebels, or Commander Davis states that he was dog, and compelling him to lie down gain from the State, and appropriating all the nel, without seriously impeding the flow of the water.

Lecessary means for the proper clothing. If it were possible to build a stone wall and arming of the Maryland troops.

SYNOPSIS OF WAR NEWS

Committee to inquire into the conduct of tain a part of its old course and require not put on the stand as was expected .- bination of artificial interruptions and ir the summons list, and they will soon be havigation of an otherwise difficult chan sent for. Their testimony may illumi | nel hazardous and uncertain. nate a subject which has long needed fudicial or military investigation.

There are the elements of another Mason and Slidell case, on all fours, with it now partly in Fort Lafayette, in the perone Zachary, of New Orleans. They were leon, who, in an interview with the old taken carly in December, by our Commodore Ridgely, off the English schooner Victoria on her passage from Havana to Matamoras. Dispatches for rebel leaders were in their pockets, and there was the was with Engineer to their pockets, and there was the France, the friend of the United States fullest evidence of their being on anter desired a perceuble adjustment of the rand hostile to the United States. It is desired a perceuble adjustment of the probable that the State Department will sired it so much that he, in the name of these men, but will speedily enlarge these men, but will speedily enlarge these men, but will speedily enlarge

will occupy, if they have not already occupied Matameras, with the design it is feared, of opening communication with the difficulty with his spine writes that the difficulty with his spine writes that the difficulty with his spine and exchange office for their benefit, set at define a limit of the define all banking rules by taking the the Rebel States by way of Brownsville, is no better, but that his dropsy and lumexporting colton, and importing contra-bago are much relieved. nothing but the natural obstacles of the country can prevent it from being carried / out, while Texas continues disloyal.

epeculative.

night—a favorable fact in a typhoid case, the check, the ball having passed through 7th Nov. 1860. Abraham Lincoln of To-day he sat up some time attending to the check, and carrying away a tooth and lilinois, was found to have been elected business.

that the French and British Ministers reason, and recounts with minute detail 7th Nov. 1861, the Stars and Stripes did not call on Secretary Seward on New the incidents of the late engagement and were raised again in South Carolina-and Year's day, was erroneous. Lord Lyons brilliant: success of the Pennsylvania about the same time, Mason and Slidell with his whole legation paid his respects troops.

and the French attachés.

The Secretary of State has decided to issue no more passes to ladies. It has been ascertained that in nearly every instance where these favors have been granted to women, letters and other due. uments have been concealed in their A Donation Visit will be paid clothes, conveying important information rebellionists than with the majority of
