AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints

Pinnples, Pinetules, Micheles, Bollis, Blains; and all Skin Diseases.

Oaklays, Ind. 6th June, 1887.

J. C. Ayra & Ca. Gents: I feel it my duty is asknowledge what your Sarsaparila has done for makillaving inhesited a Scrotulous infection, I have suffered from it in various ways for years. Sometimes it benefices in the Ucers on my lands and sime; sometimes it is not in Ucers on my lands and sime; sometimes it is not on the second my scale and early with one seen, which was painful and tenthsons beyond description. I tried many medicines and sween alphasicians, but without much relief from any thing. In fact, the disorder grew worse. At leight I was rejected to read in the Googal Messanger flait you land frequent to read in the Googal Messanger flait on land frequent in that any thing you made that the from your separation that any thing you made that the left of many the seen wouth, and used almost three bottless. New and healthy akin soon began to form ander the scale, which after a while fel off. My skin is now clear, and I know by my kellings that the discuss has gone from my system. You can well believe that I feel what I am saying wheel is and you, that I hold you to be one of fire aposition of the discussion of the discussion of the aposition of the discussion of the aposition of the discussion of the discussion of the aposition of the discussion of the discussi

cons swelling on the neek, which I had suffered flow ever two years."

Leucarrices for Whiles. Ownrian Tanashy. Uterine Ulcoration, Formale Diseases.

Dr. J. R. S. Channing, of New York City, write; most cheerfully comply with the request of your agent the saving I have found your Sarajarilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Fandle Disease of the Scrofulous distillers. I have cared many investmate cases of Leucardona by it, and some where the complaint was caused by alcoration of the alterna, The ulco-siton itself was some curied. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala; writes, "A dangerous cervian tomer on one of the females in my family, which had defied all the rentelless we could employ, has at length been completely cared by yofic fattract of Sarajarilla. Our physician thought hothing bit strips in could afford relief, but he advised the trial of year Sarajarilla as the last resort before cutting, and it proved effectual. After taking your venedy sight weeks as a symptom of the disease remains."

By phills and Mercurial Disease.

New Oursas, 25th Afignat, 1859.

Symplom of the disease remains."

Symplitis and Mercurial Disease.

Dr. J. C. Aver: Sir, I cheerfully countly with the rejuct of your agent, and report to you know of the seesal I have crealized with your Sarrajarilla.

I have crealized with your Sarrajarilla and have found the affects truly, wonderful in the cure of Viverrel and Hericard Disagre. One of my patients had Symbilitic alress in his throat, which were consuming his points and the top of his mouth. Your Sarrajarilla, itselfully taken, much him in the weeks. Another was attacked by seendary symptoms in his nost, and the district heaf saten, away a considerable part of it, so that I believe the listing would soon reach his brain and kill him. But if yielded to my administration of your Sarrajarilla: the ulcers heafed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the rame disorder by merchry was suffering from this pedoon in her honer. They had become so residing to the weather that on a damp day she follered entirely to your Sarrajarilla in a few weeks. I know from its formula, which your agent gave me, the him I repeated for the my one had boreatory must be a great remely; consequently, these truly remarkable results with it have not surprised me.

Rheumatism, Gout, Liver Compilaint.

Rheumatism, Gout, Liver Complaint. Independence, Peston Co., Vn. Cth July, 1859.
Dn. J. C. Avin: Sh., I have been sinicted with a palafil chronic Hierarchien for a long time, which lastice the
sill of physicians, and since to me, in, spite of all the
burselies I could find, until I tried your Engagarilla. One
bottle christ fare in two weeks, and restored my general
realth so much that I am far better than before I was
utacked. I think it a wonderful medicins. J. FREAM. tringked. I think it a wonderful incelleius. J. FREAM.

Jules Y. Getchell, of St. Louis, writers: E have been
filleted for years with an effection of the Liver, which
featon ed fny health. I tried every thing, sight very thing
failer to relieve me; and I have been a broken down inset
for some years from no other cause than derungiment of
the Liver: My beloved pastor, the feet life, kind, advised
and to try year Sarisparilla, because he said be knew you,
and any thing you made was worth trying. By the blood
ing of Gold i has curred me, and has so portified my blood
as to make a new man of me. I feel young again. The
best that can be said of you is not half good choogs.

the Bones.
A great variety of cases have been reported to 12 where enter of these formitable complaints have ignitted from the use of this remedy, but our space dere will not admit them. Sofne of them may be found in our American Almanne, which the agents below united are pleased to furnish grain to all who call for them.

Many remarkable cires of these affections have been made by the alterative power of filis medicine. It stimulates the vital functions, into Vogerous action, and thus avercomes disorders which would be supposed beyond its teach. Such a remedy has long been required by the necessities of the people, and we are confident that this will be for them all that medicine can do.

FOR THE RAPID CORR OF

This is a remedy so universally kineth to surpass any other for the cure of threat and lung complaints, that it is discless here to publish the evidence of its virtues. In antivaled excellence for coughs and colds, and its tray wonderful cures of pulmenary disease, have made it smown throughout the civilized nations of the early wonderful cures of pulmenary disease, have made it shows the communities, or even families, swoin these wise hare not some personal experience of its dieter—some living tyophy in their midst of its vicinity over the cultile and daugerous disorders of the threat and language. As all known the dreadful fattally of these differeders, as as they know, too, the effects of this remedy, we need not be more than to as-ure them that it has how all the vicines that it did have when making the circles which have won so strongly upon the confidence of markilla.
