AYER'S
Sarsaparilla
FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. *Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was induced to try the Sarsaparilla that you had prepared* as a last resort. *I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully Yours,*

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy* which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same; says *he cures the common Eruptions by it constantly.*

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a bunch, resembling 'in the neck, which I had suffered from for over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases of the Scrofulous Diathesis. I have cured many inveterate cases of Leucorrhœa* by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had *defied all the remedies we could employ*, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the case of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, *cured him in five weeks. Another was attacked by* secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the *same disorder by mercury was suffering* from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, *these truly remarkable results* with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 4th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. *I think it a wonderful medicine.* J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for many years, from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has *cured me, and has so purified my blood* as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the *alterative power of this medicine. It stimulates* the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. *Few are the communities, or even families, among them* who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures *which have* won so strongly upon the confidence of mankind.

THE

KNICKERBOCKER MAGAZINE
FOR 1862.

In the beginning of the last year, when its present proprietors assumed control of THE KNICKERBOCKER, they announced their determination to spare no pains to place it in its true position as the leading literary Monthly in America. When rebellion had raised a successful front, and its armies threatened the very existence of the Republic, it was impossible to permit a Magazine which in its circulation reached the best intellects in the land, to continue in a purely literary course, as if insensible or indifferent to the dangers which threatened the Union. The proprietors accordingly gave notice that it would present in its pages forcible expositions with regard to the great question of the times: *How to preserve the United States of America in their integrity and unity.* How far this pledge has been redeemed, the public must judge. It would, however, be mere affectation to ignore the seal of approbation which the public has already placed on these efforts. The proprietors gratefully acknowledge this, and it has led them to embark in a fresh undertaking, the publication of THE CONTINENTAL MONTHLY, devoted to literature and national policy, in which Magazine those readers who have followed with sympathy the political and social views so forcibly expressed of late in our pages, may find them still further enforced by the most eminent and energetic minds in America.

The Knickerbocker, while it will remain firm in support of the Union, will be found, according to the originally expressed intention of the publisher, devoting itself more exclusively to art and letters, and in maintaining its long established position as the leader in America of the widely varied departments of literature to which it is specially devoted.

The number for January commences its thirtieth year. With such antecedents as it possesses, it seems unnecessary to make any special pledges as to the future; but it may not be amiss to say that it will be the aim of its conductors to make it more and more deserving of the liberal support it has hitherto received. The same eminent writers who have contributed to it during the past year will continue to enrich its pages, and in addition, contributions will appear from others of the highest reputation and from many rising authors. We shall, as before, specially cultivate the genial and humorous in every variety; but during the coming year, however, the Knickerbocker will receive many contributions in the highest departments of literature, embracing Critical, Historical, Biographical, Scientific, or Ethnographical articles, in all of which special pains will be taken to introduce that spirited and agreeable tone and style which have of late years distinguished really first-class writings of this nature from the dry and pedantic essays of the old school. We intend to devote especial zeal and labor to attract to our pages such reading, and confidently anticipate pre-eminence in this department.

In the January Number we shall publish "Sunshine in Letters," by Charles Godfrey Leland—the first of a series of papers on the cheerful and joyous in Literature and Art, which will be found interesting to the most general reader, while at an early date will appear the First Chapters of a most entertaining and instructive description of American Life, in the form of a First-class Novel. The Knickerbocker, in short, while retaining the best of the old, will continually add to the cream of the new.

MOFFAT'S
LIFE PILLS AND PHŒNIX BITTERS.

THESE MEDICINES have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the Globe, for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

The following are among the distressing variety of human diseases in which the

Vegetable Life Medicines

Are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; FLATULENCY, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure RHEUMATISM permanently in three weeks, and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

DROPSIES of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also WORMS, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

SCURVY, ULCERS, and INVETERATE SORES, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

SCORBUTIC ERUPTIONS and BAD COMPLEXIONS, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time, will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin. COMMON COLDS and INFLUENZA will always be cured by one dose, or by two in the worst cases.

PILES.—The original proprietor of these Medicines, was cured of Piles of 35 years standing, by the use of the LIFE MEDICINES alone.

FEVER AND AGUE.—For this scourge of the Western country, these Medicines will be found a safe, speedy, and certain remedy.—Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED

BILIOUS FEVERS AND LIVER COMPLAINTS.—General Debility, Loss of Appetite, and Diseases of Females—the Medicines have been used with the most beneficial results in cases of this description:—Kings-Evil, and Scorfula, in its worst forms yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painters' Colic, are speedily cured.

MERCURIAL DISEASES.—Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system, all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla.

Depend upon it, mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC

and overcome convulsions, which, if not speedily remedied, end in death. We believe it the BEST and SUREST REMEDY IN THE WORLD, in all cases of DYSENTERY and DIARRHŒA IN CHILDREN, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—DO NOT LET YOUR PREJUDICES, NOR THE PREJUDICES OF OTHERS, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. MOTHERS, READ THIS.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio, and speaks volumes in favor of that world-renowned medicine—MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING:

"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of a patent medicine before in our life, but we feel compelled to say to your readers, that this is no humbug. WE HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. It is, probably, one of the most successful medicines of the day, because it is one of the best. And those of your readers who have babies can't do better than to lay in a supply."

THE LADY'S FRIEND.

GODEY'S LADY'S BOOK FOR 1862.—The world's favorite. For 32 Years the Standard Magazine. Pronounced by the Press of the United States, the best Lady's Magazine in the World and the Cheapest.

The Literature is of that kind that can be read aloud in the family circle, and the clergy in immense numbers are subscribers for the Book.

The best Lady Writers in America contribute to its pages, and we have some that write for no other Magazine.

The Music is all original, and would cost 25 cents (the price of the Book) in the music stores; but most of it is copyrighted, and cannot be obtained except in "Godey."

Our Steel Engravings.—All efforts to rival us in this have ceased, and we now stand alone in this department, giving, as we do, many more and infinitely better engravings than are published in any other work.

Godey's Immense Double-Sheet Fashion-Plates.—Containing from five to seven full length Colored Fashions on each plate. Other magazines give only two.

Far Ahead of any Fashions in Europe or America.—Godey's is the only work in the world that gives these immense plates, and they are such as to have excited the wonder of publishers and the public. The publication of these plates cost $10,000 more than Fashion-plates of the old style, and nothing but our wonderfully large circulation enables us to give them. Other magazines cannot afford it. We never spare money when the public can be benefited. These fashions may be relied on. Dresses may be made after them, and the wearer will not subject herself to ridicule, as would be the case if she visited the large cities dressed after the style of the plate given in some of our so called fashion magazines.

Our Wood Engravings, of which we give twice or three times as many as any other magazine, are often mistaken for steel.

Imitations.—Beware of them. Remember that the Lady's Book is the original publication and the cheapest. If you take Godey you want no other magazine.

Drawing Lessons.—No other Magazine gives them, and we have given enough to fill several large volumes.

Our Receipts are such as can be found nowhere else. Cooking in all its variety—Confectionary—the Nursery—the Toilet—the Kitchen—the Laundry. We originally started this department, and have peculiar facilities for making it most perfect.

Ladies Work Table.—This department comprises engravings and descriptions of every article that a lady wears.

Model Cottages.—No other Magazine has this department.

DR. MOTT'S
CHALYBEATE RESTORATIVE
PILLS OF IRON.

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combustion in Hydrogen. Sanctioned by the highest Medical Authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicates its necessity in almost every conceivable case.

Innocuous in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emanciations, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculous, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaints, Chronic Headaches, Rheumatism, Intermittent Fevers, Pimples on the Face, &c.

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bedridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land.—Some very signal instances of this kind are attested to female Sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and despeptic aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons familiar to medical men, the operation of this preparation of iron must necessarily be salutary, for unlike the old oxids, it is vigorously tonic without being exciting and overheating; and gently, regularly aperient even in the most obstinate cases of costiveness without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkable effectual and permanent a *remedy for Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In Dyspepsia, innumerable as are its causes a single box of these Chalybeate Pills has often sufficed for the most habitual cases, including the attendent *Costiveness.*

In unchecked Diarrhœa, even when advanced to Dysentery, confirmed, emaciating, and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, *loss of flesh and strength*, debilitating cough, and remittent liectic, which generally indicate Incipient Consumption, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In Scrofulous Tuberculosis, this medicated iron has *had far more than the good effect* of the most cautiously balanced preparations of *iodine*, without any of their well known liabilities.

The attention of females cannot be too confidently invited to this *remedy* and *restorative*, in the cases peculiarly affecting them.

In Rheumatism, both chronic and inflammatory—in the latter, however, more decidedly—it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In Intermittent Fevers it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects.—Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow its use.

Put up in neat flat metal boxes containing 50 pills, price 50 cents per box; for sale by druggists and dealers. Will be sent *free* to any address on receipt of the price. All letters, orders, etc., should be addressed to
