THE KNICKERBOCKER MAGAZINE FOR 1862.

In the beginning of the last year, when its present proprietors assumed control of THE KNICKERBOCKER, they announced their determination to spare no pains to place it in its true position as the leading literary Monthly in America. When rebellion had raised a successful front, and its armies threatened the very existence of the Republic, it was impossible to permit a Magazine which in its circulation reached the best intellects in the land, to continue in a purely literary course, as if insensible or indifferent to the dangers which threatened the Union. The proprietors accordingly gave notice that it would present in its pages forcible expositions with regard to the great question of the times: How to preserve the United States of America in their integrity and unity. How far this pledge has been redeemed, the public must judge. It would, however, be mere affectation to ignore the seal of approbation which the public has already placed on these efforts. The proprietors gratefully acknowledge this, and it has led them to embark in a fresh undertaking, the publication of THE CONTINENTAL MONTHLY, devoted to literature and national policy; in which Magazine those readers who have followed with sympathy the political and social views so forcibly expressed of late in our pages, may find them still further enforced by the most eminent and energetic minds in America.

The Knickerbocker, while it will remain firm in support of the Union, will be found, according to the originally expressed intention of the publisher, devoting itself more exclusively to art and letters, and in maintaining its long established position as the leader in America of the widely varied departments of literature to which it is specially devoted.

The number for January, commencing its thirtieth year. With such antecedents as it possesses, it seems unnecessary to make any special pledges as to the future; but it may not be amiss to say that it will be the aim of its conductors to make it more and more deserving of the liberal support it has hitherto received. The same eminent writers who have contributed to it during the past year will continue to enrich its pages, and in addition, contributions will appear from others of the highest reputation and from many rising authors. We shall, as before, specially cultivate the genial and humorous in every variety, but during the coming year, however, the Knickerbocker will receive many contributions in the highest departments of literature, embracing Critical, Historical, Biographical, Scientific, or Ethnographical articles, in all of which special pains will be taken to introduce that spirited and agreeable tone and style which have of late years distinguished really first-class writings of this nature from the dry and pedantic essays of the old school. We intend to devote especial zeal and labor to attract to our pages such reading, and confidently anticipate pre-eminence in this department.

In the January Number we shall publish "Sunshine in Letters," by Charles Godfrey Leland—the first of a series of papers on the cheerful and joyous in Literature and Art, which will be found interesting to the most general reader, while at an early date will appear the First Chapters of a most entertaining and instructive description of American Life, in the form of a First-class Novel. The Knickerbocker, in short, while retaining the best of the old, will continually add to the cream of the new.

AYER'S

Sarsaparilla FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Itchings, Boils, Blisters, and all Skin Diseases.

J. C. AYER & Co. Gentl. I feel it my duty to acknowledge, that your Sarsaparilla has done for me, through its various ways, for several years, what I have been unable to effect by any other means. I have suffered from Ulcers on my hands and arms, containing matter, and which were very painful. They were cured by your Sarsaparilla. I have also been cured of a Scrofulous Eruption on my face, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my chest, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my back, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my legs, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my arms, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my neck, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my head, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my face, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my chest, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my back, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my legs, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my arms, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my neck, which was very painful and disfiguring. I have also been cured of a Scrofulous Eruption on my head, which was very painful and disfiguring.

ALFRED H. TALLEY, 51 Anthony's Place, Rose or Erysipelas, Pustules, Scrofulous Eruptions, Scald Head, Ringworm, Sore Eyes, &c.

Dr. Robert M. Preble writes from Salem, N. Y., Sept. 1860, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla. I had also a dangerous Scrofulous Eruption by large doses of the same, and he cured the common Eruptions by its constantly.

Bronchitis, Cough or Swelled Neck, Scrofulous Eruptions, Female Diseases, Uterine Obstructions, Menstrual Disorders, &c.

Dr. J. B. Channing, New York City, writes: "I most cheerfully comply with the request of your agents, saying I have found your Sarsaparilla a most excellent alternative in the numerous complaints for which we employ such a remedy. I have cured many instances of the Scrofulous Diathesis. I have cured many instances of Leucorrhoea by it, and some where the complaint was caused by the use of the same. The Sarsaparilla was soon cured. Nothing with its knowledge equals it for these female Affections."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous scrofulous eruption on my face, which had defied all the remedies we could employ, at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but cutting, then could afford relief, but your Sarsaparilla cured the Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Diseases. New Orleans, 22th August, 1861.

Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agents, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in the most of the complaints for which it is recommended, and have found its effects truly wonderful in the case of Urinary and Mercurial Diseases. One of my patients, a young man, had a sore throat, which was causing him to spit out the top of his mouth. Your Sarsaparilla, steadily used, cured him in five weeks. Another was attacked by secondary symptoms in his chest, and he had to be taken away a considerable part of it, so that it threatened to reach his brain and kill him. But yielded to my administration of your Sarsaparilla: the matter melted and he is well again, and he will give me some obligation to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that every damp day she suffered from aching pain in her joints and bones. She too was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agents give me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Respectfully yours, G. V. FARMER, M.D.

Rheumatism, Gout, Liver Complaint, Dropsy, &c. Boston, Oct. 15, 1861.

Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which defied the skill of physicians, and which in spite of all the remedies I could find, still increased in violence. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it wonderful medicine. J. ELLIOTT.

Julius Y. Gehobert, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than that of the Liver. My beloved pastor, the Rev. Mr. Essey, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. He had used it and he had cured me, and he had so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Scleritis, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Ophthalmia, Heart Disease, Pits, Epilepsy, Mania, Melancholy, Neuralgia.

Many remarkable cures of these diseases have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond remedy. Such a remedy has never been so generally required by the people, and we are confident that this will be for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Earliest Consumption, and for the Relief of Consumption, Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that I need not dwell on the civilizing influence of the earth. It is unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized portions of the earth. Few are the communities, or even families, among them who have not some personal experience of its efficacy. Some living trophies in their midst of its victory over the subtle and dangerous disorder of the throat and lung. All know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not say more than to assure them that it has been so often tried, and that it did have the effect of curing the cases which have won so strongly upon the confidence of mankind.
