THE KNICKERBOCKER MAGAZINE FOR 1862.

In the beginning of the last year, when its proprietors assumed control of THE KNICKERBOCKER, they announced their determination to spare no pains to place it in its true position as the leading literary Monthly in America. When rebellion had raised a successful front, and its armies threatened the very existence of the Republic; it was impossible to permit a Magazine which in its circulation reached the best intellects in the land, to continue in a purely literary course, as if insensible or indifferent to the dangers which threatened the Union. The proprietors accordingly gave notice that it would present in its pages forcible positions with regard to the great question of the times: How to preserve the United States of America in their integrity and unity. How far this pledge has been redeemed, the public must judge. It would, however, be mere affectation to ignore the seal of approbation which the public has already placed on these efforts. The proprietors gratefully acknowledge this, and it has led them to embark in a fresh undertaking, the publication of THE CONTINENTAL MONTHLY, devoted to literature and national policy, in which Magazine those readers who have followed with sympathy the political and social views so forcibly expressed of late in our pages, may find them still further enforced by the most eminent and energetic minds in America.

The Knickerbocker, while it will remain firm in support of the Union, will be found, according to the originally expressed intention of the publisher, devoting itself more exclusively to art and letters, and in maintaining its long established position as the leader in America of the widely varied departments of literature to which it is specially devoted.

The number for January commences its thirtieth year. With such antecedents as it possesses, it seems unnecessary to make any special pledges as to the future; but it may not be amiss to say that it will be the aim of its conductors to make it more and more deserving of the liberal support it has hitherto received. The same eminent writers who have contributed to it during the past year will continue to enrich its pages, and in addition, contributions will appear from others of the highest reputation and from many rising authors. We shall, as before, specially cultivate the genial and humorous in every variety; but during the coming year, however, the Knickerbocker will receive many contributions in the highest departments of literature, embracing Critical, Historical, Biographical, Scientific, or Ethnographical articles, in all of which special pains will be taken to introduce that spirited and agreeable tone and style which have of late years distinguished really first-class writings of this nature from the dry and pedantic essays of the old school. We intend to devote especial zeal and labor to attract to our pages such reading, and confidently anticipate pre-eminence in this department.

As a Family Physic. Your Pills are the prince of purges. Their strength surpasses any cathartic we possess. They are safe, and very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore. Dear Mr. Ayer: I cannot answer you what complaint I have cured with your Pills better than to say that I have ever treated with a purgative medicine. I have great dependence on an efficient cathartic in the treatment of my patients, and believing as I do that your Pills are about the best we have, I of course prefer them highly.

Dr. J. C. Ayer, Sir: I have been repeatedly cured of the worst headache any body ever had by a single dose of your Pills. It seems to also from a foul stomach, which they cleanse at once. ED. W. PERLEY, Clerk of Storm Creek. Bilious Disorders—Liver Complaints. From Dr. Theodore Lill, New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects on the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Dr. J. C. Ayer, Sir: I have used your Pills in my general hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, and consequently they are an admirable remedy for derangement of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not yield to them. Fraternally yours, ALONZO BAL, M. D. Physician of the Marine Hospital. Dysentery, Diarrhoea, Relax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best of the kind ever found. Their alternative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhoea. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. From Dr. J. F. Hines, Pastor of Adams Church, Boston. Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the action of the digestive and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. J. V. HILLMAN, Warrant, Wyoming Co., N. Y., Oct. 31, 1851. Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountain of the blood. W. G. MACHAM, M. D. Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Pits, etc.

From Dr. J. F. Laughlin, Montreal, Canada. Too much cannot be said of your Pills for the cure of costiveness. Mothers of our fraternity have found them as efficacious as I have, they should be in the hands of every family for the benefit of the multitudes who suffer from that complaint, which, although not enough in itself, is the precursor of others that are most obnoxious, and which originate in the liver, but your Pills affect that organ and cure the disease. From Mrs. E. Smart, Physician and Matron, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent pre-medicines of the natural remedy when a cold or a fever is attended with costiveness, and are essential to cleanse the stomach and expel worms. They seem to me the best physic we have that I recommend to my other to my patients.

From the Rev. Dr. Haddock, of the Methodist Episcopal Church. FRANK HOUSE, Savannah, Ga., Jan. 6, 1854. Honorable Sir: A should be most grateful to you for the trial your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgia pains, which could not be relieved by any means. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well. SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1854. Dr. Ayer: I have been entirely cured, by four Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT ALLEN. Most of the Pills in market contain Mercury, which, although a valuable ingredient in small doses, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever. Price, 25 cents per Box, or 5 Boxes for \$1. Prepared by Dr. J. C. AYER & Co., Lowell, Mass. Sold by C. S. & E. A. Jones, Coudersport; Mann & Nichols, Millport; N. J. Mills, Colerburg; Colwell & Lyman, Roulette; A. Corey & Son, Ulster; A. B. Horton, Cushingville; and by Dealers generally.
