THE POTTER COUNTY JOURNAL
Coudersport, Wednesday Evening, Mar. 26, 1862.

Local and General.

☞ See New Advertisements: Do You Want Employment? Notice—N. K Luce.

☞ New Mapple Sugar made its appearance in town this week.

☞ The sleighing is yet passable, and the hills are covered with snow.

☞ The man lodged in Jail last week was Ira Potter and is charged with theft. We received the wrong side of the story last week.

☞ The *Wellsboro Democrat*, some time since burnt out, appears in a new dress and under the name of the *Tioga Banner*.

The bill of the Erie Railway against the Government, for transportation from April 1st, 1861, to Feb. 1st, 1862, was $9,613.

☞ Capt. R.V. King, who was in this place recruiting some time last summer, has been elected Major of the 85th New York Regiment

☞ There is an effort being made to have a new county formed out of parts of Warren, Crawford and Venango, to be called "Petroleum."

☞ The House of Representatives has voted—70 to 25—to repeal the Tonnage Tax Bill of last Session. Strang and Elliott for the repeal.

☞ The appointment of Maj.-Gen. FREMONT to a command has painfully disappointed and "surprised" the Breckinridge Editors. It is a pity that a Republican General can have simple justice done him!

☞ From a note received from Lieut. ROBERTS, we learn that Co. G, has been ordered back from Manassas to join the gunboats. It does not say where the gunboats are. The men were mostly all well and in fine spirits.

The earnings of the Buffalo, N. Y. & Erie Railroad for the month of February, are:

1862	$56,035 24
1861	37,426 03
Increase	$18,607 21

The Belmont *Leader* says among the most important cases to be tried at the term of the Circuit Court in Allegany County, is that of Chas. Brooks for the murder of Nathaniel Seely, at Wellsville, in October last. Court commenced the 24th inst.

☞ Nothing of importance transpiring in the Pennsylvania Legislature. They have read the Nullification Proclamation of Gen. Jackson and the House refused the use of their hall to Wendall Philips to deliver a lecture in. Bah!

☞ By the Report of the Auditor General we find that the number of persons killed and injured on the railroads of the State during last year was. Passengers, 6 killed, 13 injured; employees, 54 killed, 41 injured; others, 58 killed, 34 injured; total, 118 killed, and 88 injured.

Notwithstanding the tightness of the times, and the consequent dullness which pervades the lumber markets of Pittsburgh and Cincinnatti, we learn that very many lumbermen have commenced rafting on the ice, preparatory to going down with the first spring freshet.

MINIMUM REGISTER THERMOMETER February 1862.—Highest, 25°, Feb., 23d and 24th.—Lowest, 5° below, Feb. 16th. Average 17½°, Feb. 5th, 8th, 14th, 20th. 8 clear days. It snowed in 10 days 20 inches; on which 12 inches fell on the 13th and 14th, and rain fell on the 6th, 19th, 22d and 23d. The lowest nights besides the 15th were the 3d, 17th and 21st, which were 5°, 4° and 8° respectively.
K. N. I.

GENERAL MCCLELLAN.—Whatever may be thought of the management of General McClellan in a position which seemed to many too great for his capacity, it will be acknowledged with pleasure, universally, that his proclamation breathes a true spirit of patriotism and a no less determined purpose. He is now at the head of the most important division of our army, and while he remains there he deserves, and will doubtless receive the cordial and earnest support of every lover of the country. His success is the success of the nation, and his defeat the defeat of the nation. Nothing, we are sure, would give greater satisfaction to those who have been disposed to criticise McClellan's past policy, than his speedy and glorious triumph over the rebel forces of Virginia. That he may fulfil to the uttermost the noble promises of his proclamation is the wish of every loyal heart, and when he has done so, every loyal tongue will be prompt and joyful in the utterance of his praises.—*Eve. Post.*

☞ Friends! in these exciting war times we all have great anxiety to know of the doings of our Union Army and the bewildered not to say "devilish" struggle of Slavedom. Among the freemen of the North is everywhere to be found an almost intolerable desire to see or look upon all the illustrations thereunto pertaining. *Harper's Weekly* is by far the best illustrated periodical that appears on our table. In it one finds all the important localities, doings, engagements and illustrious personages faithfully drawn. If you desire something worth the preserving, and that which will give present entertainment, send two dollars and a half to the publisher,—Harper & Brothers, Franklin Square N. Y. City and order as many back numbers as you please, and you are certain to get 52 No's, which will make a large volume that will be almost or quite beyond value to you and your heirs.

Treasurer's Sale of UNSEATED LANDS.

AGREEABLY to the provisions of an Act of Assembly, entitled "An Act directing the mode of selling unseated lands for taxes and other purposes," passed on the 13th day of March, 1815, and the further supplement thereto which passed the Thirteenth day of March 1817, and the 25th of March, 1831, the Treasurer of the county of Potter hereby gives notice to all persons concerned therein, that unless the County, Road, State, School, and Town and other taxes due on the following tracts of Unseated lands and Seated lots returned as Unseated, situate in Potter county, are paid before the day of sale, the whole or such parts of each tract as will pay the taxes and costs chargeable thereon, will be sold at the Court House in the Borough of Coudersport, County of Potter, on the *Second Monday in June next*, and be continued by adjournment from day to day for arrearages of taxes due said county, and the cost accrued on each respectively.
