NOW,

ARE DR. HURD'S PREPARATIONS GOOD?

The best evidence that they are is, that their friends and best patrons are those who have used them longest. Dr. William B. Hurd is an eminent Dentist of Brooklyn Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the Brooklyn Daily Times says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."

The well-known P. T. Barnum writes: "I found your Tooth Powder so good that my family have used it all up. We find it the best Powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself.

Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDIES EFFECT?

Dr. Hurd's Mouth Wash and Tooth Powder will give your teeth that fresh charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing bad breath and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd'sstringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

Firmness and mechanical strength cannot well afford to neglect your teeth. For trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.

Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the DENTAL TREASURY, some the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them? Now is the

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send for one and see, or, better, a dozen, which we will sell as samples for \$7. Wm. B. Hurd & Co., Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn, 46 C.W. Griffith, Presid' Farmers' and Citizens' Bank, Brooklyn, and to others.
