Local and General.

Fresh Garden Seeds at Stebbins.
 We learn that Maj. Jno. M. Kil-
 bourne, of the 45th Penn'a, has returned
 home in ill health.

Carl Schurz is to have a command
 under Fremont, and Blenker's brigade is
 also to be attached to his command.

The vote in Wheeling, Va., on
 Thursday the 3d, gives 646 majority for
 the new Constitution, and a majority of
 583 in favor of gradual emancipation.

To prevent lamp chimneys from
 breaking from the heat of the flame, a
 contemporary says the following direction
 should be followed: Put the glass chim-
 ney in lukewarm water, heat to boiling
 point, and then boil an hour.

An exchange very truly remarks
 that to some gentlemen, who are very
 calm in their judgment on all other mat-
 ters, the mere word "slavery" seems to
 have much the same effect that a red rag
 has on a bull.

When Secessionists at the North
 are shut up of danger, there are cer-
 tain so-called Democrats who howl dole-
 fully about it. But when Unionists at
 the South are treated in the same man-
 ner, these persons make no complaint.

Local items are as scarce as money.
 The diptheria, which has prevailed for
 some time, is abating. The snow is slowly
 disappearing from the hills, and some
 of our people are "talking garden." Fish-
 ermen have thus far come home with long
 faces and short crops. There are some
 hopes of a "raftin'" time this week.

THE TRUTH.—Mr. Eckeridge said in
 his speech at Nashville, that more negroes
 had been stolen under the reign of Jeff.
 Davis than were ever abducted by the
 free States since our existence as a Union.
 That is literally true. The south has by
 her madness weakened slavery more than
 the abolitionists could have done in a
 century.

The U. S. Senate did a good work
 on Thursday, the 3rd inst. The bill to
 abolish Slavery in the District of Colum-
 bia, was passed by a vote of 29 yeas to 14
 nays. Those voting yeas were all Republi-
 cans, and those voting nays all Democrats
 and so-called Union men. Mr. Cowan,
 Senator from this State was absent. The
 announcement of the passage of the bill
 was applauded in the galleries. The bill
 will no doubt pass the House.

SOLDIER'S LETTERS.—The Post-office
 Department deems it advisable that all
 letters addressed to officers and soldiers
 of the army of the Potomac, whether now
 at Washington or moving south, should
 be mailed to Washington City. From
 that office they will be promptly forward-
 ed in separate packages to the respective
 corps and divisions, and their delivery
 facilitated.

RECRUITING STOPPED.—A despatch
 from Washington states that all officers
 engaged in the recruiting service have
 been ordered to their regiments, and no
 notice given to the Governors of States that
 no new enlistments or new levies will be
 received until further orders from the
 War Department.

Will the Democratic editors, who
 were so zealous in procuring an investi-
 gation into the alleged frauds in Penn-
 sylvania, and who were so bold in assert-
 ing that frauds had been committed, now
 publish the report of the committee? They
 cannot assert of this—as they did
 of some others—that it is a party report,
 as both Democrats of the Breckinridge
 school and those other queer things,
 union-democrats, were on the committee.

There is every prospect of a long
 session of Congress. It is thought that
 the present session will continue nearly
 through the summer. The Tax, Tariff,
 Banking, Confiscation and Bankrupt bills
 will occupy months of debate, to say
 nothing of the emancipation bill for the
 District of Columbia, which it is expect-
 ed will pass Congress within a month.

AYER'S
CATHARTIC
PILLS.
 Are you sick, feeble, and
 complaining? Are you consti-
 pated, with your bowels
 hard, and your feelings un-
 comfortable? These symp-
 toms are often the result of
 serious illness. Some of
 sickness is creeping upon you,
 and should be averted by a
 timely use of the Cathartic
 Pills. Take Ayer's Pills, and
 cleanse your system. They
 purify the blood, and
 let the fluid move on unob-
 structed in health. They
 stimulate the functions
 of the body into vigorous ac-
 tivity, purify the system from
 the obstructions which cause

disease. A cold settles somewhere in the body, and ob-
 struct its natural functions. These, if not relieved,
 react upon themselves and the surrounding organs, pro-
 ducing general aggravation, suffering, and disease.
 While in this condition, oppressed by the "demoniacal"
 nature of the system, and with the "dreadful"
 feeling of health again. What is to be done? It is
 this trial and common complaint, it is also true in many
 of the most dangerous and dangerous diseases. The
 purgative effect they cause. Caused by similar obstruc-
 tions and derangements of the natural functions of the
 body, they are rapidly, and many of them are cured
 by the same means. You who know the virtues of these
 Pills, will neglect to employ them when suffering from
 the disorders they cure.
 Statements from leading physicians in some of the
 principal cities, and from other well known public per-
 sons.

From a *Thorough Merchant of St. Louis, Mo. 4, 1858.*
 Dr. Ayer, Your Pills are the purgative of all the
 great medicines. They have cured my little daughter
 of ulcers upon her hands and feet that had proved
 incurable for years. Her mother has been long pro-
 vided with diabetes and piles, and has had her hair
 fall out. After our child was cured, she also tried
 your Pills, and they have cured her. A. MORGIDGE.

As a Family Purgative.
 From Dr. E. W. Wright, New Orleans.
 Your Pills are the best of purgatives. Their excellent
 qualities surpass any cathartic we possess. They are
 mild, but very certain and effective in their action on the
 bowels, which makes them invaluable to us in the daily
 treatment of disease.

Headache, Sick-Headache, Foul Stomach.
 From Dr. Edward Boyd, Baltimore.
 Dear Bro. Ayer: I do not know you what complaint
 I have cured with your Pills better than to say all that
 are true with a purgative medicine. I have great con-
 fidence in an excellent cathartic in my daily contact with
 disease, and believing as I do that your Pills afford us the
 best we have, I of course value them highly.
 Yours with great respect,
 ED. W. BOYD,
 Clerk of Steamer Clark.

Bilious Disorders—Liver Complaints.
 From Dr. Theodore Bell, of New York.
 Not only are your Pills admirably adapted to their
 purpose as an aperient, but I find their beneficial effects upon
 the Liver very marked indeed. They have in my prac-
 tice proved more effectual for the cure of Bilious dis-
 orders than any one remedy I can mention. I sincerely
 rejoice that we have at length a purgative which is wor-
 thy the confidence of the profession and the people.

Dysentery, Diarrhoea, Relax, Worms.
 From Dr. J. G. Green, of Chicago.
 Your Pills have had a long trial in my practice, and I
 hold them in esteem as one of the best aperients I have
 ever found. Their alternative effect upon the liver makes
 them an excellent remedy, when given in small doses for
 Bilious dysentery and Diarrhoea. Their gentle
 laxative action on the liver is quick and decided, conse-
 quently they are an admirable remedy for derangements
 of that organ. Indeed, I have seldom found a case of
 Bilious disease so obstinate that it did not readily yield to
 them. Respectfully yours,
 ALONZO BALL, M. D.,
 Physician of the Marine Hospital.

Dyspepsia, Impurity of the Blood.
 From Rev. J. F. Hines, Tutor of Andover Church, Andover,
 Mass.
 I have used your Pills with great success, and I have
 seen them in the hands of the best agents, and I have
 never found them to fail. Their effect upon the liver makes
 them an excellent remedy, when given in small doses for
 Bilious dysentery and Diarrhoea. Their gentle
 laxative action on the liver is quick and decided, conse-
 quently they are an admirable remedy for derangements
 of that organ. Indeed, I have seldom found a case of
 Bilious disease so obstinate that it did not readily yield to
 them. Respectfully yours,
 J. V. HINES.

Constipation, Costiveness, Suppression,
Rheumatism, Gout, Neuralgia, Dropsy,
Paralysis, &c., &c.
 From Dr. J. P. Singh, Montreal, Canada.
 Too much cannot be said of your Pills, for the cure of
 constipation. If others of our fraternity have found them
 so efficacious as I have, they should join me in recom-
 mending them for the benefit of the multitudes who suffer
 from that complaint, which, although not enough in itself,
 is the progenitor of others that are worse, and which
 often terminate in the liver, but your Pills affect that
 organ and cure the disease.

From Mrs. E. Smart, Physician and Midwife, Boston.
 I find one or two large doses of your Pills, taken at the
 proper time, are excellent promoters of the natural secre-
 tion when wholly or partially suppressed, and they are
 effectual to cleanse the stomach and relax bowels. They
 are so much the best purgative we have that I recommend
 them to my patients.

From the Rev. Dr. Hawley, of the Methodist Episc. Church.
 I have used your Pills with great success, and I have
 seen them in the hands of the best agents, and I have
 never found them to fail. Their effect upon the liver makes
 them an excellent remedy, when given in small doses for
 Bilious dysentery and Diarrhoea. Their gentle
 laxative action on the liver is quick and decided, conse-
 quently they are an admirable remedy for derangements
 of that organ. Indeed, I have seldom found a case of
 Bilious disease so obstinate that it did not readily yield to
 them. Respectfully yours,
 VINCENT SIBBELL.
