The only paper published in Potter county, Pa. It is an excellent medium for both City and Country Advertising. Transient Advertisements and those from a distance must be Cash or have responsible reference.

Coudersport, Wednesday Evening, May 7, 1862.

Local and General.

The Annual May Anniversaries of Religious Societies commenced this week in New York City.

The Burgess and Council receive proposals until Monday for laying side-walks. See advt.

The People's Party in Pennsylvania will hold a State Nominating Convention at Harrisburg, on the 17th of July. This is earlier than usual but not too early.

The news of the capture of New Orleans is confirmed.

Thieves have been showing themselves, by their actions, near our village during the past few days. Better keep a lock on your smoke-houses.

Major Kilbourn is still confined to his home by illness. His disease is inflammatory rheumatism.

The Managers of the State Agricultural Society, have resolved to hold a State Fair the coming fall, and have invited proposals from the different county towns.

A Fish Story.—A few days since, a brook trout was caught near Belvidere, Allegany county, N. Y., which weighed, when dressed, three pounds and a half.

A note from Lieut. Roberts says that the men are usually well, and that their present address is: Co. G, 53d Reg't, 2d Army Corps, Washington, D. C.

The 5th Reg't, J. Richter Jones, in which we have some Potter boys, we learn is now quartered at Fortress Monroe.

MINIMUM REGISTER THERMOMETER April, 1862: 10th, highest, 47°; 10th, lowest, 21°; 25th, average, 37°. We had a slight fall of snow on the 8th, 9th and 23d, and rain from the 14th to the 18th and on the 21st and 28th, with only 11 clear days during the month. K. N. I.

Our Army at Pittsburg Landing.—An apparently well-informed correspondent of the Chicago Tribune places the number of our forces in Tennessee under Halleck at 160,000. Buell added 40,000 to the original number.

Han David Wilnot has made a strong argument in favor of Confiscation, which we would be most happy to present to our readers if our columns permitted. But we can assure them that it is in strict accordance with the well-known views of the only Representative Senator that Pennsylvania now has in Congress. Senator Cowan's course at the time of the expulsion of the traitor Bright, his failing to be present at the vote on the Emancipation of slaves in the District, and his present position in reference to Confiscation declare him to be anything but the Representative of the people who placed him there.

A Union of the Republicans and Union Democrats is now being effected in New York State. Some of the most prominent of the New York Democrats are now in favor not only of sustaining the Administration and crushing out the Rebellion, but are also in favor of its anti-Slavery and confiscation policy. This is a good thing, and we hope to see the "Fusionists" for once upon the right side.

Girls.—Girls are great institutions—and there are various kinds. One is the kind that appears the best abroad—the girls that are good for parties, rides, visits, balls, &c., and whose chief delight is such things. The other is the kind that appears best at home—the girls that are useful and cheerful in the dining room, the sick room, and all the precincts of home. They differ widely in character. One is often a torment at home, the other is a blessing. One is a moth, consuming everything about her; the other is a sunbeam, inspiring life and gladness all along her pathway. Now it does not necessarily follow that there shall be classes of girls. A right education will modify both a little, and unite their good qualities in one.

TIOGA COUNTY NEWS.—A span of horses ran away in Tioga Village, throwing Fletcher Smith out of the buggy, but not injuring him seriously. One of the horses broke his leg. Loss to horses and buggy \$200.

Geo. Butterworth—our whilom, "imp of the roller"—is now in the army, before Yorktown.—Agiator.

During the past year, Mr. Lyman Wetmore of Charleston, has delivered five hundred and seventy-three dozen of eggs to his regular customers in this borough. His hens must be very industrious.

F. D. Ritter, M. D., has been appointed Assistant Surgeon in the Volunteer service and has been assigned to duty at Camp Curtin for the present.

New Potatoes.—We are indebted to Mr. Richard Keeney, of Middlebury Township, for a mass of potatoes of this year's growth. The tubers were small but good. We think these are the earliest on record in this county.—Agiator.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These conditions are often the result of various ailments. "Sick" is a common ailment, and should be avoided. It is a timely use of the right remedy. "Sick" is a common ailment, and should be avoided. It is a timely use of the right remedy.

From a Prescribing Merchant of St. Louis, Feb. 4, 1855. Dr. Ayer. Your Pills are the purgative of all that is great in medicine. They have cured my little daughter of various ailments, and her mother has been long and incurable for years. Her mother has been long and incurable for years. Her mother has been long and incurable for years.

As a Family Physic. From Dr. E. W. Currier, New Orleans. Your Pills are the prince of purgatives. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Prolonged Stomach. From Dr. Edward Bayl, Baltimore. Dear Bro. Ayer: I cannot overstate the benefit of your Pills. I have cured 1 with your Pills better than I can say all that I ever tried with any other medicine. I place great dependence on an effective cathartic in my daily contact with disease, and believe it to be the best I have used in my best years, I of course value them highly.

From Dr. J. C. Ayer. Sir: I have been repeatedly cured of the most obstinate and severe cases of biliousness, which I have cured with your Pills. It seems to arise from a feeble stomach, which cleans at once. Yours with great respect, ED. W. FREELY, Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints. From Dr. Theodore Bill, New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the liver very marked indeed. They have in my experience proved more effectual for the cure of bilious complaints than any other remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Dyspepsia, Impurity of the Blood. From Dr. J. F. Higgins, Montreal, Canada. Dear Bro. Ayer: I have used your Pills with extraordinary success in my family and among those I was called to visit in distress. To regulate the action of the bowels and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. A. V. BIRD.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Piles, &c. From Dr. J. P. Fargis, Montreal, Canada. The much needed and well known Pills for the cure of constipation. Doctors of our fraternity have found these as efficacious as I have, they should find no in procuring it for the benefit of the multitudes who suffer from that complaint, with all its attendant evils. I believe it to be the best medicine in the world, but your Pills effect that cure and cure the disease.

From Mrs. E. S. Swift, Physician and Midwife, Boston. I find one or two boxes of your Pills, taken at the proper time, are an excellent preventive of the natural action when whole or partially suppressed, and also very effectual to remove the gastric and cerebral morbidities. They are so much the best purgative we have that I recommend no other to my patients.

From the Rev. Dr. Abner of the Methodist Epist. Church. P. A. STEBBINS & CO., Jan. 1862. It seems to me that I should be grateful for the relief your pills have brought me if I did not report my case to you. A cold settled in my lungs and brought on excruciating neuralgia, which ended in chronic rheumatism. Scarcely breathing I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effect was slow, but sure. By persevering in the use of them, I am now entirely well.
