ARE DR. HURD'S PREBARATIONS GOOD ?

The best evidence that they are is, that their irmest friends and best patrons are those who have used them longest. DR. WILLIAM B. HURD is an eminent Dentist of Brooklyn. Treasurer of the New York State Dentists Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross. The Editor of the Brooklyn Daily Times says
