

THE GREAT NATIONAL EXHIBITION of Imported Blood and American Breeds of HORSES
 Will be held on KEYSTONE PARK, Agricultural Fair Grounds, IN WILLIAMSPORT, Pa., On **TUESDAY, WEDNESDAY, THURSDAY & FRIDAY, September 2, 3, 4, and 5, 1882.** Premium List and Prize Banner open to Exhibitors from the Canadas and other British Provinces.

The managers flatter themselves that, although the past exhibitions held in other parts of the United States, have been eminently successful and entirely satisfactory to the public, the past experience will enable them to improve somewhat in the details of the arrangements, and what in this connection they hope to give better facilities for the deliberate examination and trial of horses intended for sale. Williamsport is easily and quickly accessible from all directions. Keystone Park is unequalled in its track for showing or training a horse. The managers design to make this a horse mart, worthy of its central position, and its extraordinary facilities.

RULES AND REGULATIONS FOR EXHIBITORS.
 Exhibitors with horses are required to use the South Entrance gate on Campbell street, in coming on to and returning from the grounds.

Entries of stock may be made at the office of the Secretary in Taylor's Building, until Monday, 9 o'clock, p. m., September 1st, when the books must be made up for the Judges. The exhibition of stock on the track will take place precisely at the time specified in the subjoined arrangement; and animals not prepared at the proper time and place may at the discretion of the Judges, be ruled out of competition. Stock will be marked with cards furnished by the Secretary, designating the class and No. of entry; and during the exhibition they must be placed entirely under the management of the officers of the society. If sufficient time has not been given, in the programme for the Judges to examine any one class before the calling of another class, the first named class will be examined on a vacant part of the ground to be designated by the Chief Marshal. Arrangements will be made for the trial of Draft Horses by testing their strength, docility, etc., at a load.

Owners or agents offering horses for premium or exhibition will receive tickets of admission. Exhibitors are requested to leave sufficient space around each horse or vehicle for the Judges to pass freely.

The Judges will in all cases withhold premiums where the horse is not worthy or is unsound, though there be no competition.

Exhibitors entering colts of the age of three years and under shall furnish to the Judges evidence of the time of foaling, to be filed with the Recording Secretary. Pedigree of Blood Horses and origin and age must be furnished, if required, for every horse offered for premium. The Judges will report to the Board of Managers not only the horses entitled to premiums, but also those next in merit in each class, to meet the contingency of any objection which may arise to the award. All horses not obtaining premiums, which in the opinion of the Judges deserve special commendation, will be so reported to the Board of Managers.

The Judges, if not satisfied as to the regularity of the entries in the respective classes, or the ages of the horses as recorded in the entries, will apply to the Recording Secretary for information, and should there be any doubt, after examinations, of their coming within the regulations, or if any horse is of such a character as not to be entitled to exhibition in competition, they will report the facts for the consideration of the Board of Managers, that such course may be adopted as the case may require.

The several classes of horses upon exhibition will be called for in the order indicated in the programme, and precisely at the hour named, when a flag will be raised near the Judges' stand with the inscription, "CLEAR THE TRACK."

When the hour arrives for the exhibition of any class of horses the bell will be rung and a flag will be raised to indicate the class to be exhibited.

All horses entered will be at the risk of the owners. The most effectual means will be taken through the agency of the police and otherwise to guard and protect the horses exhibited; but the managers cannot be responsible for injuries occasioned by accident or otherwise.

Reports of the doings of the Exhibition will be officially published.

SALE OF HORSES.
 Horses intended for public or private sale will be labelled accordingly, and a portion of the ground will be designated for their examination and sale. The services of an auctioneer will be provided, and a time named for public sales. The Secretary will give notice of such intended sales, if early entry is made with him to that effect. Such horses cannot be withdrawn until the close of the Exhibition, except by written authority of the Managers.

RAILROAD ARRANGEMENTS.
 No feature of the Horse Show is more pleasing to the managers, and we trust acceptable to the public, than the facilities offered for the transporting of horses and grooms to and from the Exhibition.

Pennsylvania Central R. R., Philadelphia & Erie R. R., Philadelphia & Reading R. R., Lebanon Valley R. R., Catawissa R. R., Elmira & Williamsport R. R., Syracuse, Binghamton & New York R. R., Erie Pennsylvania R. R., Shamokin Valley R. R., will carry visitors, horses and grooms free, one way. The Lackawanna & Bloomsburg, Wilmington & Baltimore, and Cumberland Valley, agree to do so at other roads do. There are other roads to hear from, which will, without doubt, come into the same arrangements.

Thus it will be seen that the State of Pennsylvania is thrown wide open to the exhibition. The roads will collect fares on all horses coming to the exhibition, and return them free, on presentation of the Certificate which they have been on Exhibition, and are unchanged in ownership. The following is the form of Certificate referred to above:

Wm. B. Hurd & Co.
 Tribune Buildings, New York.

ARE DR. HURD'S PREPARATIONS GOOD?
 The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. Wm. B. Hurd is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the Brooklyn Daily Times says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."

The well-known Dr. T. Barnum writes: "I found your Tooth Powder so good that my family have used it all up. We find it the best Powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself.
 Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDIES EFFECT?
 Dr. Hurd's Mouth Wash and Tooth Powder will give you the best of teeth, clear, white, and sweet breath and healthy teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing BAD BREATH and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's treatment wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to acquire a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preparations, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.
 Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?
 The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the TREATISE ON TEETH, some the NEURALGIC PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them? Now is the **Chance for Agents.**

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send a man and see, or, better, a dozen, which we will sell as samples for \$1. Wm. B. Hurd & Co., Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, Presid't Farmers and Gardeners Bank, Brooklyn; and to others.
