

The Collection of the National Tax.

The Commissioner of Revenue at Washington has issued the following important regulations, which are of vital interest to our business community:

1. All mechanics, except those who merely do repairs, must be registered as manufacturers, and must take out a license as such if their annual sales amount to 1,000.

2. But mechanics and other manufacturers who sell their own manufactures at the place where they are produced are not required to take out an additional license as traders. This does not include rectifiers, who must pay both licenses.

3. If manufacturers have an office, depot, store-room, or agency, at a place different from the place where the goods are made, or if they sell the manufactures of others, in addition to their own, they must pay a trader's as well as a manufacturer's license. Thus, a tobaccoist who both makes cigars and keeps for sale goods in his line which he has purchased, must take out both licenses. So must a druggist, who also makes patent articles, or medicines, &c., for which he has a private receipt.

4. Persons keeping bar-rooms or saloons, for the sale of liquors, must take out a dealer's license. If they also furnish food, they must, in addition, take out an eating house license; and the sale of cigars, &c., requires a tobaccoist's or retail dealer's license besides. Billiard tables require a special license, and bagatelle tables are reckoned as billiards.

5. Commission merchants who are also ship or commercial brokers are required to take out two licenses.

6. Grocers selling flour by the barrel, or by the sack or any other article in the original package, are reckoned as wholesale dealers.

7. Stamps must be attached to the papers requiring them at the time of their execution, and must be obliterated by the person writing his initials upon them. Telegraphic dispatches must be stamped and defaced when delivered to be transmitted. But railroad and telegraph companies are not required to stamp their own dispatches over their own lines.

8. Arrangements will be made with the collector of this district to supply stamps to parties desiring to purchase \$50 worth or over, at the rates of discount established by the Treasury Department.

9. Notes and bills of exchange drawn for a certain sum, with interest, will be stamped according to the principal sum. Foreign currency will be estimated at the real per of exchange; the pound sterling, for instance, at the rate fixed for sovereigns, not at the nominal rate of \$4 43 1/4, nor at the market rate of exchange, which is now something above the real par.

10. On and after October 1st the following instruments must be stamped: All agreements, appraisements, checks, sight drafts, promissory notes inland and foreign bills of exchange, bills of lading to foreign ports, packages, &c., per express, bonds, certificates of stock, or profit, of deposit in banks, of damages, and all other certificates, charter parties, brokers', memorandums, conveyances, mortgages, leases, telegraph dispatches, custom-house entries and manifests, policies of insurance—life, marine and fire, and renewals of same—passage tickets to foreign ports, powers of attorney, proxies, probate of wills, protests, warehouse receipts, and writs or other original process for commencing suit. Also, patent medicines, perfumery, and playing cards.

In reference to public houses and liquor dealers exclusively, it is defined that in a tavern or public house where liquor is sold, licenses must be taken for each business, the license for the tavern to be according to the rental, and the license for liquor in all cases of retail to be twenty dollars. By retail is understood any quantity under three gallons. To sell above that quantity is wholesale, and the license is one hundred dollars. Restaurants which furnish bedding, and which keep liquors, are required to obtain licenses—first a tavern license, secondly a license for the liquor bar, of twenty dollars, and thirdly a license for the eating bar, costing ten dollars, when the receipts amount to or exceed one thousand dollars per year. Eating houses are permitted to keep confectionary without an additional license. All dealers in liquor by retail are required to pay a license of twenty dollars per year. The penalty for refusal or failure to take out license is a fine of three times the amount of duty or tax imposed by the law, one-half of which goes to the informer. These taxes are, of course, in addition to the State and city licenses now imposed, and the accumulation of expenses will materially affect the smaller dealers, who abound in every part of the city. The prosecution of delinquents is made imperative on the collectors, who hold the names and residences of all dealers, so that escape from the penalty is next to impossible.

COTTON IN ILLINOIS.—According to estimates by sundry newspapers in Southern Illinois, the produce of cotton in the Southern counties will not fall below, but probably exceed 25,000 bales, or over 10,000,000 lbs. They further state that much more would have been planted could good seed have been obtained in season. These guess-work estimates may be far above or below the truth, but we doubt not there is enough growing to test the practicability of cotton culture north of the Ohio river.

How would it look without space?

GARIBOLDI AND HIS BRAVES.—There is a prospect at length, that the services of the great Italian Liberator, Garibaldi, are not only to be secured to the cause of the Union, but that several thousand of his followers, veteran soldiers, will follow the destinies of their chief seeking Fame and Freedom in the New World. It is reported that an application is about to be made or is in fact has already been made to the military authorities of our Government, for an acceptance of the services of Garibaldi and about six thousand of his braves to assist in the vindication of the Union and Liberty. This is both fit and proper. The men who fought for the Union of Italy, are just the men to battle for Union in America.

Come on then, ye brave defenders of Italian Liberty. You will find warm hearts and hospitable homes welcoming you to "The Land of the Free, And the Home of the Brave."

One of the new "Monitors," an iron-clad vessel of superior model and finish, was launched at Wilmington, Del. Sept. 27th, amidst the greatest enthusiasm. She is built upon the plan of the celebrated Monitor, and will prove herself not inferior to it either in execution or value.

Mr. Vosburg, of the firm of Pruyn & Vosburg, Albany, has procured substitutes for his three daughters, paying \$200 each. The daughters insisting on thus being represented in our army.

The Governors of fourteen States endorsed the President's proclamation freeing slaves, during the great convocation at Altoona.

The Eagle Calls! The War has Begun! A War of Extermination against Bad Teeth, Bad Breath, Diseased Gums, Toothache, Earache, and Neuralgia.
OUR ATTENTION IS
Dr. Wm. B. Hurd's
DENTAL TREASURY:
A complete set of Remedies for PRESERVING THE TEETH, PURIFYING THE BREATH AND MOUTH, and CURING TOOTHACHE AND NEURALGIA.

CONTENTS:
Dr. Hurd's celebrated MOUTH WASH, 1 bottle.
Dr. Hurd's unequalled TOOTH POWDER, 1 box.
Dr. Hurd's magic TOOTHACHE DROPS, 1 box.
Dr. Hurd's UNRIVALLED NEURALGIA PLASTER.

Dr. Hurd's MANUAL on the Best Means of Preserving the Teeth, including Directions for the Proper Treatment of Children's Teeth.
TOOTH SILK for cleaning between the Teeth.
Prepared at Dr. Hurd's Dental Office, 77 Fourth St., Brooklyn, (E. D.)
Price, ONE DOLLAR, or SIX for \$5.

The Dental Treasury makes a package eight inches by five, and is sent by express. Full directions for use is on each article. The following articles we can send separately, by mail, viz:
The Treatise on Preserving Teeth, sent, postpaid, on receipt of Twelve Cents, or four stamps.
The Neuralgia Plaster, for Neuralgia in the Eye, Nervous Headache, and Earache, sent, postpaid, on receipt of Eighteen cents, or six stamps.
The Neuralgia and Rheumatic Plaster (large size), for pains in the Chest, Shoulders, Back, or any part of the body, sent, post-paid, on receipt of Thirty-Seven cents.

Dr. Hurd's MOUTH WASH, TOOTH POWDER, and TOOTHACHE DROPS cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Store. If they cannot, send to us for the Dental Treasury, price, One Dollar, which contains them.

NOW,
ARE DR. HURD'S PREPARATIONS GOOD?
The best evidence that they are, is that their firmest friends and best patrons are those who have used them longest. Dr. WILLIAM B. HOWE, an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years; and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the Brooklyn Daily Times says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The fact is an eminent fact, and the fact that his articles are precisely what they are represented to be, as we can testify from their long use."

The well-known P. T. Barnum writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best Powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself. Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDIES EFFECT?
Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and healthy teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing BAD BREATH and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, &c., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

Far more than Mechanics you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.
Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?
The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the Treatise on Teeth, some the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half-penny bottle by mail. The people want these Remedies. Who will supply them? Now is the

Chance for Agents.
Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send f one and see, or, better, a dozen, which we will sell as samples for \$7. WM. B. HURD & CO., Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, President Farmers and Citizens' Bank, Brooklyn; and to others.

AYER'S CHERRY PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.

BETHLEHEM, Mass., 20th Dec. 1855.
Dr. J. C. Ayer, do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. In constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. **EDWIN KNIGHT, M. D.**

A. H. MORTLEY, Esq., of Troy, N. Y., writes: "I have used your Cherry Pectoral myself, and in my family ever since you invented it, and believe it my family ever since purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, and Influenza.
SPRINGFIELD, Mass., Feb. 7, 1856.
Brother Ayer: I will cheerfully certify your Cherry Pectoral is the best medicine I have ever used for Cough, Croup, and the chest diseases of children. We of course pay for the medicine, but we appreciate your skill, and commend your medicine to our people. **HIRSH CONKLIN, M. D.**

AMOS LEE, Esq., of Worcester, Pa., writes, 3d Jan., 1856: "I had a tedious Influenza, which continued me in doing six weeks; took many medicines without relief. Finally tried your Pectoral by the advice of our clergyman. The relief was almost instantaneous. I was free from cough, less than one half the bottle made me well and strong. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisis, and Bronchitis.
WEST MANCHESTER, Pa., Feb. 4, 1856.
Star: Your Cherry Pectoral is performing marvelous cures in this section. It has relieved several cases of chronic symptoms of consumption, and is now curing a man who has labored under an affected chest for many years. I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such cases as are curable."

Consumption.
Probably no one remedy has ever been known which cures so many and such dangerous cases as this. Some of our human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

AROLD HOUSE, New York City, March 5, 1856
Doctor Ayer, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under no dangerous symptoms of Consumption, from which no aid she could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, advised her to try your advice, recommended a trial of your medicine. We are his kind thanks, as we do your skill, for she has recovered from that day. She is now as strong as ever, and is free from her cough, and calls herself well. Yours with gratitude and respect,
OTLAND SHIELD, of STREETSVILLE.

Consumption, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.
THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Unnumbered proofs are given that these Pills have virtues which surpass in excellence the ordinary medicines, and that they can be used with safety by all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of the bowels, purify the blood, and expel disease. They purge out the humors which breed and grow distemper, stimulate sluggish, or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases, such as Constipation, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Function of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcers and Catarrhs of Diseases which require an evacuant Medicine, Scrophulous or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be expected they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Dermagmatitis of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill that makes more profit on you. Ask for Ayer's Pills, that will make no mistake. No other they can compare with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
