

A Secesh Letter.

The following letter from a lady in Nashville to a friend in the Rebel Army was found in New Orleans by Edwin Lyman and furnished us for publication:—

Ed.]

HOME, March 1st, 1862.

DEAREST FRIEND: A lovely rainy Sabbath eve is only well and pleasantly spent in reading and writing. I wrote last Sunday, and if the mails were regular, you have it ere this. I was compelled to send it to Maury Co. to Mr. Vanleer, as we are such "close prisoners" we are allowed no mails. I am really so low spirited this evening I fear your letter will not be so very welcome, and it is a state so unusual for me, that I feel quite unlike myself. I awakened this morning with a feeling, so deep, of such intense, unconquerable hatred to the "Yankee Vermin," that I almost feared to attend church, but I went. Mr. Harris preached "charity never faileth," and, Ed. while listening, I shuddered to think how little I had. I prayed God forgive, but I could not help it, that they might be scattered so far apart, that only Omnipotence could put their disjointed limbs together. It is something, crushingly humiliating to our proud southern natures, to bear the insolence of ever their presence in our city. I must in justice to Gen. Bell say, that his untiring vigilance, has prevented much that otherwise we would have suffered, and although an enemy, he has thus far been a gentleman, that is, too much to say of a Federal though he is a General.

Our city is overpowered with the honor of holding in her midst from Generals, Colonels, Captains and Lieutenants, sufficient to form a blockade (or blockhead). My eyes are positively on pivots, for I have turned them often enough to have transferred them had it not been the case. I am sitting by my window and have a full view of the "blue devils" for they have been passing here since last Monday like "bees in a swarm." I do not know the strength of the army, but they are the most splendidly equipped men that I ever read of, much less saw. The privates are dressed much better than our officers. Quite a gorgeous display they made in their triumphal march through the city, the band playing "Hail Columbia," but when the "arch-fiends" raised the "Stars and Stripes" to the tune of "Dixie," I pray God may never let me feel as I then felt, for I could without a quiver, or the slightest feeling of humanity, have cut the heads out of every one of them. Now my friend "don't keep at a distance," I have entirely recovered from my saucerous mood, and am perfectly willing to let them alone knowing that the Lord will reward them for their iniquities. It would take the patience of a Job, the meek humility of a Mary, to make this Mary await such judgment though without a wish to hasten it. I have never liked the North they are essentially a different, run of people from us, but I would willingly have extended the hand of friendship, if they only would have attended to their own business, and kept their side of the "fence" but now that they have crossed it desolating our homes, I would wage a war eternally, and if eventually they conquer, let it be a wide desolation without a sprig of vegetation or a human being alive. For myself before I will acknowledge their authority, I will make my own funeral pile and die if I cannot live free. I am not excited now, I am as calm and as cold as an icicle, and mean every word that I say. I have not in the least given up, I feel that the war has just begun, and though for a while hope folds her wings, I know she will perch on our standard a bright winged bird of liberty. We must make up our minds to suffer and bear; the path to freedom is not over roses, and we must pray, for with the help of God, we are as babes, helpless. Gen. Buell says he is quite deceived in regard to the Union feeling in Nashville, that he feels he is in the very hot bed of secession. General Mitchell, the citizens of Nashville, can pursue the "even tenor of their way," but they shant croak their finger. He says it was and still is his firm intent to marry a Tennessee woman, for he admires above everything that he had seen South, the proud, deliberate courage of the Nashville women, although their horror of a Yankee stings him to the "quick." Should he happen to marry a woman of my "caliber" he would get stung indiscriminately. Gen. Nelson, is a crabbled old bachelor. He and his staff were lordling it through town the other day and passing Mrs. Kirk's manse, some girls were standing on the porch, waving a secession flag, as the cavalcade made a momentary pause, they gave three times three for Jeff Davis and the Southern Confederacy, and down with the Lincolnites. The General rode up and told them such cheers must cease that he had met with insult from the "babbling ladies of the South," and the girls say he threatened them with a bastinado. Well now if he begins to show his "old cloven foot" he had better *prenez garde*, and if he impresses women for their tongues, he had better begin his soldier, for it will take a battle from Tennessee to Florida to hold them. Down at the Academy the other day, I was waiting on one of our soldiers and Dr. Madder came up with an old gentleman, and stopped to speak to my patient. I was at the first glance prepossessed with his venerable appearance, he addressed himself to me by saying "Miss you had brave soldiers at Donaldson," I acquiesced, and after a few moments conversation, he spoke of what brave fellows the north-west sent

out, I said yes, although my enemies, I acknowledged them fine soldiers, and dreaded the contact with them. I looked up at his next question which was "Now Miss acknowledge the Yankee soldiers the bravest fellows on earth." Then for the first time I saw he was a Yankee, and all the pride and haughtiness of my nation, were concentrated in the bow I made when I replied, "I do sir most particularly those of Buena Vista and Bull Run." I hope Ed. that you are not getting discouraged in our cause, but in regard to that I have no fear. My prayer is that under the guidance of a just God, that victory may yet crown our noble efforts. Remember me to all friends and believe me ever the same. MARY.

The Government now uses for twine, for postal purposes, flax instead of cotton. The material is stronger and safer than cotton twine, and a hundred yards more to the pound is produced. The railroads are also using this iron roofs for their passenger cars instead of cotton, and baswood shavings instead of cotton for their packing. Gradually, if the war goes on, King Cotton may have to take his place behind the throne instead of upon it, as monarch of all he surveys. Wool and flax are fast gaining in the race for mastery.

A milkman was awake by a wag in the night with the announcement that his best cow was choking. He jumped up to save the life of his animal when, lo! he found a turpentine in the mouth of his pump.

Men are generally like wagons; they rattle prodigiously when there is nothing in them.

The Neuralgia and Rheumatic Plaster (large size), for pains in the Chest, Shoulders, Back, or any part of the body, sent, post-paid, on receipt of Thirty-Seven cents, or six stamps.

Address Wm. B. Hurd & Co. Tribune Buildings, New York.

Dr. Hurd's MOUTH WASH, TOOTH POWDER, and TOOTHACHE DROPS cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send to us for the Dental Treasury, price, One Dollar, which contains them.

ARE DR. HURD'S PREPARATIONS GOOD?

The best evidence that they are is, that their friends and best patrons are those who have used them longest. Dr. WILLIAM B. HURD is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.

The Editor of the Brooklyn Daily Times says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."

A well-known P. T. Barnum writer says: "I found your Tooth Powder so good that my family have used it all up. We find it the best powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself.

Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDIES EFFECT?

Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing BAD BREATH and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, &c., have been cured by Dr. Hurd's stringents.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.

Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, from which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.

Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compres for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?

The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the TREATISE ON TEETH, some the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those who are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them? Now is the

Chance for Agents,

Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send a one and see, or, better, a dozen, which we will sell as samples for ST. WM. B. HURD & CO. Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, Presid't Farmers' and Citizens' Bank, Brooklyn, and to others.

AYER'S Cathartic Pills, (SUGAR COATED.)

CLEANSE THE BLOOD AND CURE THE SKIN. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Judge of their Virtues.

FOR THE CURE OF Headache, Sick Headache, Foul Stomach, Constipation, &c.

Dr. J. C. Ayer, Jr. has been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to have a powerful effect on the stomach, which cleanses at once. If they will cure others as they do me, the fact is worth knowing.

Yours with great respect, ED. W. FREEL, Clerk of Steamer Carion.

Bilious Disorders and Liver Complaints.

Department of the Liver, &c. I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic I have ever used. They regulate action on the liver in quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom seen a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO RAIL, M. D., Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

Post Office, HARTLAND, Liv. Co., Mich., Nov. 16, 1854. Dr. Ayer: Your Pills are the perfection of medicine. She had been sick and pined away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine, however, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood.

From Rev. J. C. Hines, Pastor of the Baptist Church, Andover, N. H. Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, there are few medicines so well known, and I can confidently recommend them to my friends.

WARREN, WINDHAM Co., N. Y., J. V. HILKE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawkes, of the Methodist Episcopal Church, PELASEE HOUSE, SAVANNAH, GA., Jan. 6, 1855. HONORED SIR: I should be ungrateful for the relief your Pills has brought me if I did not justly ascribe to them a credit settled in my mind and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but they persevering in the use of them I am now entirely well.

SENATE CHAMBER, BAYON ROUGE, LA., 5 Dec. 1855. Dr. Ayer: I have been entirely cured by your Pills of Rheumatism—a painful disease that afflicted me for years. VINCENT SLIDELL.

For Dropsy, Plethora, or kindred Complaints,

requiring an active purge, they are an excellent remedy. For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual. Fits, Suppression, Paralysis, Inflammation, and even Deafness, if the cause is in the Gall-bladder, have been cured by the alterative action of these Pills.

Most of the Pills in market contain Mercury, which, although a valuable remedy in some cases, is dangerous in a public pill, from the dreadful consequences that frequently follow its immoderate use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease.

We need not speak in the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country, who do not contain without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its virtues in the cure of the most dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the first appearance of that little unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumption it prevents than those it cures. Keep it by you, and cure your children while they are curable, nor neglect them until no human skill can master the inexorable canker that fastens on their throats. All know the dreadful fatality of lung disorders, and as they know too the virtues of this remedy, we need not more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. AND SOLD BY Mann & Childs, Millport; Colwell & Lyman Roullet; A. Corey &
