

**THE POTTER COUNTY JOURNAL**

ple, and is thus an excellent medium for both  
City and Country Advertising.  
Transient Advertisements and those from a  
distance must be Cash or have responsible refer-  
ence.  
All communications, to receive attention,  
must be directed to the Editor, and contain  
the name of the writer. No attention paid to  
anonymous communications.

**Local and General.**  
Wood wanted at this office, on Sub-  
scription. A few cords of fine wood imme-  
diately.  
A few extra copies of the Journal,  
containing the List of Volunteers from  
this County, are for sale at this office.  
Edward A. Penniman editor of the  
Honesdale Democrat is among the drafted  
from Wayne county.  
Another Advance of Freedom.—The  
States General of Holland have passed the  
law for the Abolition of Slavery in the  
Dutch West Indies, by a vote of 45 to 7.  
Cameron county has gone Republi-  
can—electing all the Republican candi-  
dates for county officers and giving the  
State Ticket a good majority.  
The election was held in New  
York yesterday. It is confidently ex-  
pected that the Union War party has  
carried that State.  
The following States held their elec-  
tions on the 4th inst.: Massachusetts,  
Michigan, New York, Wisconsin, Illinois,  
and Delaware.  
The body of a drowned man was  
found on Sunday last, a short distance  
above the mouth of the Sinnemahoning.  
From papers found on his person it is  
supposed that his name was H. Salisbury.  
The political complexion of the  
next Congress will not be materially dif-  
ferent from the present one—containing  
a majority of nearly fifty reliable Admin-  
istrators members.  
The second box of the Hospital  
Aid Society it is desired to send about  
the 14th, all the friends who have arti-  
cles which they wish to contribute will  
please take notice. The first box was re-  
ceived by the Sanitary Commission all  
right.  
Eight stables were destroyed by  
fire in Jersey Shore, Friday night week.  
The fire originated in the stable of G. T.  
Stone, and was soon communicated to  
those belonging to Cook & Shaw, H. P.  
Durrell, Jas. Gauble, Jas. Wilson, and  
others.  
Who was Right.—The *Milford*  
asks the question, who was right when  
Gen. Cameron warmly urged the  
arming of a million of men to subdue this  
rebellion, while his enemies ridiculed the  
idea. The *Milford* further adds, that  
it appears now that the General had far-  
ther insight of this rebellion than any  
other one man at the time.  
A PECULIAR WANT.—The following  
appears among the advertisements in the  
*New York Herald*:  
WANTED—A FOOL.—FOR A MAN OF  
DISTINCTION, (one of nature's noblemen,) who  
will be treated in the kindest manner if per-  
fect in performance of duty. Address: Box  
151 Herald office, giving particulars and what  
salary will be required.  
The Breckinridge Editors of Pennsylv-  
ania can supply any quantity of the arti-  
cle wanted. The Advertiser will no  
doubt be accommodated by applying at  
the office of the *Milford Herald* or the  
*Clinton Democrat*.  
Almost daily substitutes for men  
drafted in other counties are being taken  
from this. Last week no less than fif-  
teen or twenty went off to sell themselves  
and to be sold as marks to be shot at for  
some man who had been blessed with  
more cash than pluck. This is all  
wrong, and the men who engage in it  
could, we have no doubt, find more hon-  
orable ways of making money than by  
this trafficking in other men's flesh and  
blood. Every man has a perfect right  
to dispose of his body as he sees proper  
so long as he violates no law, and those  
who go of their own accord for strangers  
or for friends cannot reasonably be found  
fault with; but we condemn most unhesi-  
tatingly all those who engage in it for  
purposes of profit. The volunteering and  
draft has fallen sufficiently hard upon our  
people, and men who claim to be respect-  
able and honest should rather discourage  
men from going than encourage them for  
purposes of self-aggrandizement. Our  
quota was 674; we sent into the Penn-  
sylvania Regiments 623, leaving 51 to be drafted,  
we drafted 72 (whether this drafting of  
21 more than our quota was necessary  
or not we are not prepared to say—  
it was not done in other counties,) and  
we sent into New York and elsewhere  
148; making in all 843—169 more than  
we should have furnished if we had been  
justly dealt with. The people must see  
the propriety of sending no more men but  
those who will count on our quota for the  
coming draft if there be any more. Any  
person opening a broker's shop for the  
purpose of dealing in substitutes, should  
be hooted at and made to feel the power  
of public opinion.

The Superintendent of Common  
Schools in Columbia county has been  
drafted. It was generally supposed that  
if School Directors were exempt the  
County Superintendent was to be, but it  
appears that the office of County Super-  
intendent was created since the Act of  
Assembly exempting school directors, and  
through an oversight no provision was  
made to meet an exigency which at that  
time no one dreamed would occur.—  
As the schools in that county could not  
be opened without the teachers thereof  
having certificates from the Superinten-  
dent, the matter of this case was laid be-  
fore the State authorities. Having no  
power to act in the matter, but realizing  
the importance of the subject, the Gov-  
ernor consulted the Secretary of War, who  
at once authorized his Excellency to order  
the Commissioner to relieve Mr. Burgess  
from the draft. Henceforth County Su-  
perintendents, as well as School Direc-  
tors, will be exempted from military ser-  
vice.  
A sharper recently succeeded in  
swindling the Jersey Shore, Lock Haven  
and Bellefonte banks to the amount of  
nearly nine thousand dollars. He also  
tried the same game at the West Branch  
Bank, but did not succeed.  
If you want Pills, take Ayer's Pills. Nothing  
has ever appeared in this market to com-  
pare with this new invention for chasing  
out the distempers that fasten and grow upon  
us. They are the Philosopher's elixir of life,  
that bids defiance to disease, and will leave  
us no alternative but to die of old age.  
UNANIMOUS VERDICT.—The most rigid anal-  
ysis by accomplished chemists has failed to  
discover anything in the Chemical Saleratus  
which can, when properly used, be in the least  
degree detrimental to health. While the  
women of our country entertain sentiments widely  
different upon other matters, all concur in  
a verdict that the Chemical Saleratus is the  
only article in use for light and sweet bread.  
It is sold at retail by the grocers, and  
wholesale at the Chemical Works of D. B. De-  
Land & Co., Fairport, Monroe Co., New York.

**MARRIED:**  
At Spicer's Hotel, 23d inst, by Rev. C. J.  
Bradbury, R. M. WOOD of Verman, N. Y., and  
Miss C. C. DOWNS of Genesee, Potter Co., Pa.

**DIED:**  
In Lymanville, Oct. 9, of diphtheria, GEO.  
M., infant son of Wm. H. McClelland, of Brad-  
ford, Pa., aged about seven months.  
Also, on Friday evening, Oct. 17th, OR-  
TRELIO H. LYMAN, aged 15 years, 11 mos.  
and 17 days.  
Also, on Wednesday evening, Oct. 20th,  
CORA ELLEN, daughter of Almeron and Hen-  
rietta Nelson, aged 7 years, 8 mos. and 23 days.  
When a sweet little infant bud and a prom-  
ising lad had been taken from our midst, by  
that stern disease diphtheria, we fondly hoped  
that its ravages might then be stayed. Yain  
hope! A darling little girl of eight summers,  
radiant with health and happiness, the pet  
and idol of her parents and sister, falls a vic-  
tim, and after two weeks of pain and suffer-  
ing the death-angel came and bore her happy  
spirit to the bosom of Jesus. Father, in Heav-  
en, comfort, we beseech Thee, these afflicted  
hearts, and may the blessed thought that they  
have an angel in Heaven, like the bright Star  
of Bethlehem, guide them up to Thee. A.

**COURT PROCLAMATION.**  
WHEREAS the Hon. Robert G. White  
President Judge, and the Hons. C. S.  
Jones and G. G. Colvin, Associate Judges of  
the Courts of Oyer & Terminer and General  
Jail Delivery, Quarter Sessions of the Peace,  
Orphans' Court and Court of Common Pleas  
for the County of Potter, have issued their  
precept, bearing date the eighteenth day of  
Sept, in the year of our Lord one thousand  
eight hundred and sixty-two, and to me  
directed, for holding a Court of Oyer and Ter-  
miner and General Jail Delivery, Quarter Ses-  
sions of the Peace, Orphans' Court, and Court  
of Common Pleas, in the Borough of Couders-  
port, on MONDAY, the 15th day of Dec-  
ember, and to continue one week:  
Notice is therefore hereby given to the Cor-  
oners, Justices of the Peace and Constables  
within the county, that they be then and there  
in their proper persons, at 10 o'clock A. M. of  
said day, with their rolls, records, inquests,  
examinations, and other remembrances,  
to be those things which by their offices ap-  
ertain to be done. And those who are bound  
by their recognizances to prosecute against the  
prisoners that are or shall be in the jail of  
said county of Potter, are, to be then and there  
to prosecute against them as will be just.  
Dated at Coudersport, Nov. 4, 1862, and  
the 84th year of the Independence of the United  
States of America.  
WM. F. BURT, Sheriff.
