

Humor of Soldier Life!
A private soldier, by the name of Richard Lee, was taken before the magistrates of Glasgow, for playing cards during divine service. The account of it is thus given in the English journal:—

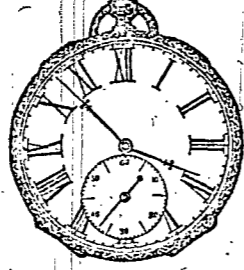

"Sergeant commanding the soldiers at the church, and when the parson had read the prayers he took the text. Those who had a Bible took it out, but this soldier had neither bible nor Common Prayer Book; but pulling out a pack of cards, he spread them out before him.—He first looked at one card and then another. The sergeant of the company saw him and said:

"Richard, put up the cards; this is no place for them."
"Never mind that," said Richard.
"When the services was over, the constable took Richard a prisoner, and brought him before the mayor."
"Well," says the mayor, "what have you brought the soldier here for?"
"For playing cards in church."
"Well, soldier, what have you to say for yourself?"
"Much, sir, I hope."
"Very good; if not, I will punish you more than ever man was punished."
"I have been," said the soldier, "about six weeks on the march. I have neither Bible nor Common Prayer Book. I have nothing but a pack of cards, and I hope to satisfy your worship of the purity of my intentions."
"Then spreading the cards before the mayor, he began with the ace:
"When I see the ace it reminds me of Father and Son."
"When I see the deuce it reminds me of Father, Son and Holy Ghost."
"When I see the four, it reminds me of the four Evangelists that preached—Matthew, Mark, Luke, and John."
"When I see the five, it reminds me of the five virgins that trimmed their lamps. There were ten, but five were wise and five were foolish, and were shut out."
"When I see the six, it reminds me that in six days the Lord made heaven and earth."
"When I see the seven, it reminds me that on the seventh day God rested from the great work he had made, and hallowed it."
"When I see the eight, it reminds me of the eight righteous persons that were saved when God destroyed the world, viz, Noah and his wife, his three sons and their wives."
"When I see the nine, it reminds me of the nine lepers that were cleansed by our Saviour. There were nine out of ten who never returned thanks."
"When I see the ten, it reminds me of the Ten Commandments which God handed down to Moses on the tables of stone."
"When I see the king, it reminds me of the Great King of Heaven, which is God Almighty."
"When I see the queen, it reminds me of the Queen of Sheba who visited Solomon, for she was as wise a woman as he was a man. She brought with her fifty boys and fifty girls all dressed in boys' apparel, for King Solomon to tell which were boys and which were girls. King Solomon sent for water for them to wash; the girls washed to the elbows, and the boys to the wrists, so King Solomon told by that."
"Well," said the mayor, "you have given a description of all the cards in the pack except one."
"What is that?"
"The knave," said the mayor.
"I will give your honor a description of that, too, if you will not be angry."
"I will not," said the mayor, "if you do not term me to be the knave."
"Well," said the soldier, "the greatest knave that I know of is the constable that brought me here."
"I do not know," said the mayor, "if he is the greatest knave, but I know he is the greatest fool."
"When I count how many spots in a pack of cards, I find three hundred and sixty-five—as many days as there are in a year."
"When I count the number of cards in a pack, I find there are fifty-two—the number of weeks in a year; and I find four suits—the number of weeks in a month."
"I find there are twelve picture cards in a pack, representing the number of months in the year; and on counting the tricks, I find thirteen—the number of weeks in a quarter."
"So you see, sir, a pack of cards serves for a Bible, almanac, and Common Prayer Book."

Dr. Hurd's MOUTH WASH, TOOTH POWDER, and TOOTHACHE DROPS cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send us for the Dental Treasury, price, One Dollar, which contains them.
NOW,
ARE DR. HURD'S PREPARATIONS GOOD?
The best evidence that they are, is that their firmest friends and best patrons are those who have used them longest. Dr. WILLIAM B. HURD is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions his excellence, which eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.
The Editor of the *Brooklyn Daily Times* says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."
The well-known P. T. Barnum writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best Powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."
But their cost is so small that every one may test the matter for himself.
Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDIES EFFECT?
Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.
Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will impart the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.
Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing BAD BREATH and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, &c., have been cured by Dr. Hurd's astringent Wash.
Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.
Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from torture and themselves from loss of sleep and sympathetic suffering.
Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can get preservatives, than which RUTHSCHILD or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth!

Neuralgia Plasters.
Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?
The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the TREATISE on TEETH, some the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them? Now is the **Chance for Agents.**
Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send it one and see, or, better, a dozen, which we will sell as samples for \$1. WM. B. HURD & CO., Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, Presid't Farmers' and Citizens' Bank, Brooklyn; and to others.
