THE CONTINENTAL MONTHLY.
Editors:
Hon. ROBERT J. WALKER,
Hon. FRED. P. STANTON,
CHARLES G. LELAND,
ELMUND KIRKE,
The readers of the Continental are aware of the important position it has assumed, and the influence which it exerts, and of the brilliant array of political and literary talent of the highest order which supports it. No publication of the kind has, in this country, so successfully combined the energy and freedom of the daily newspaper with the higher literary tone of the first-class monthly; and it is very certain that no magazine has given wider range to its contributors, or preserved itself so completely from the narrow influences of party or of faction. In times like the present, such a journal is either a power to the land or it is nothing. That the Continental is the latter is abundantly evidenced by what it has done—by the reflection of its councils in many important public events, and in the character and power of those who are its staunchest supporters.
By the accession of Hon. Robert J. Walker and Hon. F. P. Stanton to its editorial corps, the Continental acquires a strength and a political significance which, to those who are aware of the ability and experience of these gentlemen, must elevate it to a position far above any previously occupied by any publication of the kind in America. Preserving all "the boldness, vigor, and ability" which a thousand journals have attributed to it, it will at once greatly enlarge its circle of action, and discuss, more fully and frankly, every principle involved in the great questions of the day. The first minds of the country, embracing men most familiar with its diplomacy and most distinguished for ability, are to become its contributors; and it is no mere "dazzling promise of a prospect" to say, that this "magazine for the times" will employ the first intellect in America, under auspices which no publication ever enjoyed before in this country.
CHARLES GODFREY LELAND, the accomplished scholar and author, who has till now been the sole Editor of the Magazine, will, beside his editorial labors, continue his brilliant contributions to its pages; and Edmund Kirke, author of "Among the Pines," will contribute to each issue, having already begun a work on Southern Life and Society, which will be found far more widely descriptive, and in all respects, superior to the first.
While the Continental will express decided opinions on the great questions of the day, it will not be a mere political journal, and the larger portion of its columns will be enriched, as heretofore, by tales, poetry, and humor. In a word, the Continental will be found, under its new staff of Editors, occupying a position and presenting attractions never before found in a magazine.

NOW,
ARE DR. HURD'S PREPARATIONS GOOD?
The best evidence that they are, is that their firmest friends and best patrons are those who have used them longest. Dr. WILLIAM B. HURD is an eminent Dentist of Brooklyn, President of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburgh questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.
The Editor of the *Brooklyn Daily Times* says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."
The well-known P. T. Barnum writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."
But their cost is so small that every one may test the matter for himself.
Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.
WHAT DOES DR. HURD'S REMEDIES EFFECT?
Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.
Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.
Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing bad breath, and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, &c., have been cured by Dr. Hurd's astringent wash.
Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.
Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from tooth-ache and themselves from loss of sleep and sympathetic suffering. Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the *Treatise on Teeth*, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.
Neuralgia Plasters.
Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be so safely and so speedily applied as Dr. Hurd's Compound for Neuralgia. Try them. They are entirely a novel, curative, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.
WHAT ARE THE PEOPLE DOING?
The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the TREATISE ON TEETH, some the NEURALGIA PLASTER, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those who are compelled to reply that it is impossible to send a half-penny bottle by mail. The people want these Remedies. Who will supply them? Now is the
Chance for Agents.
Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send for one set, or, better, a dozen, which will sell as samples for \$7. WM. B. HURD & CO. Tribune Buildings, New York.
That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn; to G. W. Child, President Farmers and Citizens' Bank, Brooklyn, and to others.

AYER'S CHERRY PECTORAL,
FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.
BROOKLYN, Mass., 20th Feb. 1855.
Dr. J. C. AYER, I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EDWIN KENNY, M. D.
A. B. MOHREY, Esq. of Utica, N. Y., writes: "I have used your Cherry Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold, it should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."
Croup, Whooping Cough, Influenza.
BROOKLYN, Mass., 20th Feb. 1855.
Dr. J. C. AYER, I will cheerfully certify you CHERRY PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the kindred affections. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.
HIRSHAM CONNELL, M. D.
WATERMAN, Mass., Feb. 4, 1854.
"I had a tedious influenza, which continued me in doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."
Asthma or Phtisis, and Bronchitis.
WATERMAN, Mass., Feb. 4, 1854.
SIR: Your CHERRY PECTORAL is performing unexampled cures in this section. It has relieved several from alarming symptoms of consumption, and secured a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.
A. A. HANNEY, M. D., Almon, Monroe Co. Iowa, writes, Sept. 6, 1855: "I found it a duty and a pleasure to find nothing better for your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."
We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.
Consumption.
Probably no one can estimate how well known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.
ASTOR HOUSE, New York City, March 5, 1855.
To inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which she could procure no relief, and she was nearly dead, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. He blessed his kindness, as we were all recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.
Yours with gratitude,
ORLANDO SHELLEY, of SHELBYVILLE.

Ayer's Cathartic Pills.
THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Its virtues, while it shows that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedently upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital energies of the system, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of the body, but they also furnish a safe and powerful means of curing those who are afflicted with chronic diseases that have baffled the efforts of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, they do not irritate the system. These Pills have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of your medicine, while others have sent us the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.
The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, and the following complaints: Constipation, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nausea, Indigestion, Morbid Humors of the Bowels, and Pain arising therefrom. Flatulency, Loss of Appetite, all Ulcers and Catarrhs of the Digestive System, which require an efficient Medicine, Scrophulous or Ring's Evil. They also, by purifying the blood and stimulating the system, cure all the complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Grittiness, and other kindred complaints arising from a low state of the body or obstruction of its functions.
