The Continental Monthly.

Editors: Hon. ROBERT J. WALKER, Hon. FRED P. STANTON, CHARLES G. LELAND, EDWARD KIRKE,

The readers of the *Continental* are aware of the importance of the position it has assumed, of the influence which it exerts, and of the brilliant array of political and literary talent of the highest order which supports it. No publication of the kind has, in this country, so successfully combined the energy and freedom of the daily newspaper with the higher literary tone of the first-class monthly; and it is very certain that no magazine has given wider range to its contributors, or preserved itself so completely from the narrow influences of party or of faction. In times like the present, such a journal is a potent agent for the spread of the noblest ideas of the age. Its influence is abundantly evidenced by what it has done—by the reflection of its councils in many important public events, and by the character and power of those who are its staunchest supporters.

By the accession of Hon. Robert J. Walker and Hon. F. P. Stanton to its editorial corps, the *Continental* acquires a strength and a political significance which, to those who are aware of the ability and experience of these gentlemen, must elevate it to a position far above any previous occupant by any publication of the kind in America. Preserving all the boldness, vigor, and ability which a thousand journals have attributed to it, it will not only enlarge its circle of action, and discuss, fearlessly and frankly, every principle involved in the great questions of the day. The first minds of the country, embracing men most familiar with its filipony and most distinguished for ability, are to become its contributors; and it is no mere offering of promise of a prospectus, but that the "Magazine in America" will employ the first intellect in America, under auspices which no publication ever enjoyed before in this country.

CHARLES GODFREY LELAND, the accomplished scholar and author, who has till now been the sole Editor of the Magazine, will, beside his editorial labors, continue his brilliant contributions to its pages; and Edmund Kirke, author of "Among the Pines," will contribute to each issue, having already begun a work on Southern Life and Society, which will be far more widely descriptive, and in all respects, superior to the first.

While the *Continental* will express decided opinions on the great questions of the day, it will not be a mere political journal; much the larger portion of its columns will be enlivened, as heretofore, by tales, poetry, and humor. In a word, the *Continental* will be found, under its new staff of Editors, occupying a position and presenting attractions never before found in a magazine.

ARE DR. HURD'S PREPARATIONS GOOD?
 The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. WILLIAM B. HURD is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no citizen of Brooklyn or Williamsburgh questions their excellence. While eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.
 The Editor of the *Brooklyn Daily Times* says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from their long use."
 The well-known P. T. Barnum writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself.
 Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.
WHAT DOES DR. HURD'S REMEDIES EFFECT?
 Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and purity teeth. Try them, ladies.
 Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.
 Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing and preventing the various diseases of the gums. Hundreds of cases of Dissolved Gums, Sore Mouth, Canker, &c., have been cured by Dr. Hurd'sstringent wash.
 Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ARTIFICIAL TEETH, which are liable to impart a taint to the mouth.
 Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from the pain and feverishness from loss of sleep and sympathetic suffering. Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothchild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the *Treatise on Teeth*, and read Dr. Fitch's observation on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

Neuralgia Plasters.
 Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful Remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compound for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING?
 The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the THEATRE OF TEETH, some the NEURALGIA PLASTERS, and not a few enclosing 27 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them? Now is the
Chance for Agents.
 Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around. Send it once and see, or, better, a dozen, which will sell as samples for 7. Wm. B. Hurd & Co., Tribune Buildings, New York.

That remittances may be made with confidence, W. B. H. & Co. refer to the Mayor of Brooklyn to G. W. Griffith, President Farmers and Citizens Bank, Brooklyn, and to others;

AYER'S CHERRY PECTORAL
 FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseness.
 BARRFIELD, Mass., 20th Dec. 1855.
 Dr. J. C. Ayer: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and all concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. — EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for the purpose ever put out. With a bad Cold I should use your PECTORAL, as I have done, and have paid twenty-five dollars for a bottle that did not do it, as well as other remedies."
Croup, Whooping Cough, Influenza.
 BROWN AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. My own children have used your PECTORAL, and I commend your medicine to our family and to all who are afflicted with these complaints. — HIRSHY CORNELL, M. D.

AMOS DEER, Esq., MOSTERT, Ia., writes, 25th Jan. 1855: "I have had a tedious Influenza, which confined me in bed for six weeks; took many medicines without relief, finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs, and after four bottles made me completely well. Your medicines are the cheapest as well as the best we can buy, and we take you, Doctor, and your PECTORAL, as the best remedy for all these complaints."
 We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in the effects upon trial.
Consumption.
 Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some of our friends can testify; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, New York City, March 5, 1856
 Doctor AYER, Lowell: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife, who had been five months in bed, what no other medicine could. She has been so weak and delicate, and the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong of this city, where we have gone for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is now as strong as when she used to be, but is free from her cough, and calls herself well. Yours with gratitude and regard,
 G. W. AYER, JR., of SULLYVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us speak the high merits of its virtues. Philadelphia.

Ayer's Cathartic Pills.
 THE sciences of Chemistry and Medicine have been taxed their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have done for the body what excellence the ordinary medicines, and that they win unhesitatingly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purgative of the liver and bowels and grow disempe, stimulate sluggish or diseased organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases, which are the bane of the human life. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, they are free from any risk of injury. Cases have been made which surpass belief were they not substantiated by men of each exalted position and character as to forbid the suspicion of fraud. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of these pills, while others have sent us the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints: Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full Stomach, Nervous Indigestion, Morbid Irritation of the Bowels and arising therefrom, Habitual Headache, all Diseases and Cutaneous Diseases which require an evacuant Medicine, Scalds or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Dropsy, Paralytic Palsy, Neuralgia and Nervous Irritability, Herenquens, and all other kind kind complaints arising from a low state of the body or obstructions of its functions.

Do not be put off by unprincipled dealers with some other pill they make mere pretense of. Ask for AYER'S PILLS, and take nothing else. No other can give you compare with this in its intrinsic value or curative powers. The sick want the best and there is for them, and they should have it.

Prepared by Dr. J. C. Ayer, Lowell, Mass. Price 25 Cts. per Box. Five Boxes for \$1.
