The Continental Monthly.

Editors: Hon. ROBERT J. WALKER, Hon. FRED P. STANTON, CHARLES G. LELAND, EDMUND KIRKE.

The readers of the Continental are aware of the important position it has assumed, of the influence which it exerts, and of the brilliant array of political and literary talent of the highest order which supports it. No publication of the kind has, in this country, so successfully combined the energy and freedom of the daily newspaper with the higher literary tone of the first-class monthly; and it is very certain that no magazine has given wider range to its contributors, or preserved itself so completely from the narrow influences of party or of faction. In times like the present, such a journal is either a power to the land or it is nothing. That the Continental is not the latter is abundantly evidenced by what it has done—by the reflection of its contents in many important public events, and in the character and power of those who are its staunchest supporters.

By the accession of Hon. Robert J. Walker and Hon. F. P. Stanton to its editorial corps, the Continental acquires a strength and a political significance which, to those who are aware of the ability and experience of these gentlemen, must elevate it to a position far above any previously occupied by any publication of the kind in America. Preserving all "the boldness, vigor, and ability" which it has so long and so successfully enjoyed, it will at once greatly enlarge its circle of action, and discuss, fearlessly and frankly, every political and social question of the day, embracing the first minds of the country, embracing men most familiar with its diplomacy and most distinguished for ability, are to become its contributors; and it is no mere "flattering promise of a prospectus" to say, that this "magazine for the times" will employ the first intellect in America, under auspices which no publication ever enjoyed before in this country.

CHARLES GODFREY LELAND, the accomplished scholar and author, who has till now been the sole Editor of the Magazine, will, beside his editorial labors, continue his brilliant contributions to its pages; and Edmund Kirke, author of "Among the Pines," will contribute to each issue, having already begun a work on "Southern Life and Society," which will be found far more widely descriptive, and in all respects, superior to the first.

While the Continental will express decided opinions on the great questions of the day, it will not be a mere political journal; much the larger portion of its contents will be devoted to the most interesting and useful, as herebefore, by tales, poetry, and humor. In a word, the Continental will be found, under its new staff of Editors, occupying a position and presenting attractions never before found in a magazine.

The Neuralgia and Rheumatic Plaster (large size), for pains in the Chest, Shoulders, Back, or any part of the body, sent post-paid, on receipt of Thirty-Seven cents.

Address Wm. B. Hurd & Co. Tribune Buildings, New York.

Dr. Hurd's MOUTH WASH, TOOTH POWDER, and TGOOTHACHE DROPS cannot be sent by mail, but they can probably be obtained at your Drug or Periodical Stores. If they cannot, send us for the Dental Treasury, price, One Dollar, which, contains them.

ARE DR. HURD'S PREPARATIONS GOOD? The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. William B. Hurd, an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence. While the Dentists of New York recommend them as the best known to the profession, and while the aid of advertising, dealers have sold them for the gross.

The Editor of the Brooklyn Daily Times says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from our own use."

The well-known P. T. Barnum writes:—"I found your Tooth Powder so good that my family have used it all up. We find it the best Powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."

But their cost is so small that every one may test the matter for himself. Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

WHAT DOES DR. HURD'S REMEDY EFFECT? Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.

Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast table sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.

Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing BRUISES and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, &c., have been cured by Dr. Hurd's astringent wash.

Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ANTIMETAL TEETH, which are liable to impart a taint to the mouth.

Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from toothache and themselves from loss of sleep and sympathetic suffering. Farmers and mechanics, if you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Fitch's observations on this subject. If you late to attend to your own teeth, save your children's teeth.

Neuralgia Plasters. Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient, in one hour, becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.

WHAT ARE THE PEOPLE DOING? The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want them. Every mail brings us letters, some ordering the NEURALGIA PLASTERS, and not a few enclosing 37 cents for the MOUTH WASH, to be sent by mail; but to those we are compelled to reply that it is impossible to send a half-pint bottle by mail. The people want these Remedies. Who will supply them? Now is the

Chance for Agents. Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry around.
