

**National Family Journal.**  
**The Home Journal for 1863.**

EDITED BY MORRIS & WILLIS.

We have much pleasure in informing the public that one of our contributors for the coming year will be our friend and colleague THEODORE S. FAX.

We confess to uncommon pride and pleasure in this renewal of intercourse with the friend and intimate of other days, and we look to be gratified for it, by the established readers who constitute the family of the Home Journal.

Some of the ablest of living pens are engaged for us, in translating from the French and German; and our own original narrative writers are among the first.

We are fortunate, also, in traveling gone abroad who are literary contributors, and we are anticipating for our readers a most agreeable surprise in the quality of these

Sketches of Travels and adventures. But the feature of our journal which we have not yet mentioned is perhaps the most recherche of all, its prominence as

The Exponent of Refined Society. Our correspondence with the leaders of fashion in New York and the other capitals, is especially valuable in this respect, keeping us unmistakably informed of the changes and progress of what is commonly understood by the "gay world."

Will give the Journal their constant attention, as before. Of the goings on, in the eventful scenes and places of the country. Mr. Willis' pen will give photographs, as usual. General Morris's Songs and Sketches will be embroidered on the thread of the passing moment, as they have always been. Some of the best intellects of the land are enlisted for us, also, and we think we may promise to hold our place as the journal which best enables the family to keep conversant with the world.

**ARE DR. HURD'S PREPARATIONS GOOD?**  
The best evidence that they are is, that their firmest friends and best patrons are those who have used them longest. Dr. WILLIAM B. HURD is an eminent Dentist of Brooklyn, Treasurer of the New York State Dentists' Association, and these preparations have been used in his private practice for years, and no leading citizen of Brooklyn or Williamsburg questions their excellence, while eminent Dentists of New York recommend them as the best known to the profession. Without the aid of advertising, dealers have sold them by the gross.  
The Editor of the Brooklyn Daily Times says: "We are happy to know that our friend, Dr. Hurd, is succeeding beyond all expectations with his Mouth Wash and Tooth Powder. The great secret of his success rests with the fact that his articles are precisely what they are represented to be, as we can testify from our long use."  
The well-known P. T. Barnum writes: "I found your Tooth Powder so good that my family have used it all up. We find it the best powder for the teeth that we ever used. I shall feel obliged if you will send me another supply at the Museum at your convenience, with the bill."  
But their cost is so small that every one may test the matter for himself.  
Beware of the ordinary Tooth Powders. Dr. Hurd's Tooth Powder contains no acid, nor alkali, nor charcoal, and polishes without wearing the enamel. Use no other.

**WHAT DOES DR. HURD'S REMEDIES EFFECT?**  
Dr. Hurd's Mouth Wash and Tooth Powder will give young ladies that finest charm in woman—a sweet breath and pearly teeth. Try them, ladies.  
Dr. Hurd's Mouth Wash and Tooth Powder will cleanse the mouth from all foul exhalations, and if used in the morning, will make the breakfast taste sweeter and the day begin more pleasantly. Hundreds of persons can testify to this. Try them, gentlemen.  
Dr. Hurd's Mouth Wash and Tooth Powder are the best preparations in the world for curing BRONCHITIS and giving firmness and health to the gums. Hundreds of cases of Diseased Bleeding Gums, Sore Mouth, Canker, etc., have been cured by Dr. Hurd's astringent wash.  
Dr. Hurd's Mouth Wash and Tooth Powder give an additional charm to courtship, and make husbands more agreeable to their wives and wives to their husbands. They should be used by every person having ALTRUISM, TEETH, which are liable to impart a taint to the mouth.  
Dr. Hurd's Toothache Drops cure Toothache arising from exposed nerves, and are the best friends that parents can have in the house to save their children from toe-tug and themselves from loss of sleep and sympathetic suffering. Farmers and Mechanics! you cannot well afford to neglect your teeth. For a trifling sum, you can now get preservatives, than which Rothschild or Astor can get nothing better. Remember that Dyspepsia and Consumption of the Lungs often originate in Neglect of Teeth. Send for the Treatise on Teeth, and read Dr. Hurd's observations on this subject. If too late to arrest decay in your own teeth, save your children's teeth.

**Neuralgia Plasters.**  
Dr. Hurd's Neuralgia Non-adhesive Plasters are the most pleasant and successful remedies ever prescribed for this painful disease. The patient applies one, soon becomes drowsy, falls asleep, and awakes free from pain, and no blister or other unpleasant or injurious consequences ensue. For Earache and Nervous Headache, apply according to directions, and relief will surely follow. Nothing can be obtained equal to Dr. Hurd's Compress for Neuralgia. Try them. They are entirely a novel, curious, and original preparation, and wonderfully successful. They are of two sizes, one small, for the face, price 15 cents, and the other large, for application to the body, price 37 cents. Will be mailed on receipt of price and one stamp.  
WHAT ARE THE PFFOLE DOING?  
The American people are intelligent enough to appreciate preparations that contribute so much to the happiness of those using them, and they want to know the names of the agents who carry them.

**Chance for Agents!**  
Shrewd agents can make a small fortune in carrying these articles around to families. The Dental Treasury is the nearest article that man or woman can carry abroad. Send for one and see, or, better, a dozen, which we will sell as samples for 71 Wm. B. Hurd & Co. Tribune Buildings, New York.

That remittances may be made with confidence, W. B. Hurd & Co. refer to the Mayor of Brooklyn; to G. W. Griffith, President Farmers' and Citizens' Bank, Brooklyn, and to others.
