## THE BEST WORK FOR CANVASSING AGENTS.

### HARPER'S PICTORIAL HISTORY OF THE GREAT REBELLION IN THE UNITED STATES.

Messrs. Harpers & Brothers have commenced the issue in Numbers of a complete History of the Great Rebellion in the United States. The work has been for many months in course of preparation, by a writer every way qualified for the task.  
The Introduction contains a clear and succinct account of the formation of the Confederacy of the States; the formation and adoption of the Constitution of the United States, and the establishment of the National Government; the origin, development and progress of the doctrines of Nullification and Secession, and the various phases which they assumed until their final culmination in the Great Rebellion.  
The History comprises a full account, drawn from the most authentic sources, of all the Events of the War; the intrigues of the Southern leaders at home and abroad; the gradual defeat of one section; the great uprising of the People for the maintenance of the National Life and Existence; the rapid creation of an immense Army and Navy; and the Battles by Land and Sea.  
The Illustrations comprise Portraits of all those who have borne a prominent part in the struggle; Maps of the different localities; Plans of the leading actions; Views of every scene of interest; and of the most important Battles. These illustrations are mostly from drawings taken on the spot by artists deputed for that purpose to accompany every division of our Army and Navy.  
Every facility at the command of the Publishers has been employed in the preparation and execution of this work; and they confidently believe it will form the most trustworthy and valuable history which can be prepared of the Great Struggle for the American Union.  
Mode and Terms of Publication. The work will be issued in Numbers, consisting of 24 pages of the size of Harper's Weekly, printed from clear type, upon fine paper, and will probably be completed in Twenty Numbers.  
The numbers will be issued at intervals, if possible, of about three or four weeks.  
The price of each number, which contains matter equivalent to an ordinary volume, will be Twenty-five Cents.  
The Illustrations in each number are alone worth the price asked. Men out of employment, especially Sick or Disabled Soldiers, can find no other work so sure of ready sale and good profits.  
For further particulars apply to the publishers HARPER & BROTHERS, Franklin Square, New York.

**Employment.**  
For upwards of three years past, I have been engaged in a business, which has yielded me at the rate of Three Thousand Dollars per annum, but being desirous of going to Europe in the course of a few months for the purpose of teaching the business, I am willing to teach it to any one who will send me One Dollar. The business is no humbug, but of a highly useful and general character, adapted both to cities and villages, and one that any person of ordinary capacity, young or old, male or female, can acquire with a few hours' practice, and by which they can secure a very handsome income. Several young ladies who have received instructions from me, both in New York State and Pennsylvania, are earning of Fifteen Dollars per week by it, and there is no reason why any one else cannot do the same. Invalids, even, can do well by it, as it is no peddling affair, but a business that is perfectly respectable. Gentlemen and ladies of leisure who would like to learn the business for their own amusement or pleasure, will find the practice of it a pleasant pastime, and one that they will take great interest in. On receipt of One Dollar I will send printed instructions by which any person can readily acquire the business, and these instructions will also contain every particular relative to the carrying it on so that it will be highly profitable. The purchaser of the "printed instructions" will also be authorized to teach it to others; and I have sometimes received as high as Two Hundred Dollars for teaching it personally to a single individual. I would state further, that Two Dollars and Fifty Cents or Three Dollars will buy everything that is necessary to commence the business with, and the articles can be got almost anywhere, in city or country, or, if preferred, I can furnish them. ALFORD T. PARSONS,  
No. 36 Liberty Street, New York.

**National Family Journal.**  
The Home Journal for 1863.  
We have much pleasure in informing the public that one of our contributors for the coming year will be our friend and colleague THEODORE S. FAY.  
We confess to uncommon pride and pleasure in this renewal of intercourse with a friend and intimate of other days, and we look to be facilitated for it, by the established readers who constitute the family of the Home Journal.  
But we have in preparation, for the coming year, several  
**VERY THRILLING STORIES.**  
Some of the ablest of living pens are engaged for us, in translating from the French and German; and our own original narrative writers are among the first.  
We are fortunate, also, in travelers gone abroad who are literary contributors, and we are anticipating for our readers a most agreeable surprise in the quality of these  
**Sketches of Travels and adventures.**  
But the feature of our journal which we have not yet mentioned is perhaps the most valuable of all, its prominence as  
**The Exponent of Refined Society.**  
Our correspondence with the leaders of fashion in New York and the other capitals, is especially valuable in this respect, keeping us unmistakably informed of the changes and progress of what is commonly understood by the "fay world." As we have taken some pains to arrange the resources of this new feature, we speak confidently of its promise of entertainment to our large circle of readers. In this department, foreign journals are endlessly inventive; and, with our industrious ransacking of these, we are sure to select, for the peculiar taste to which we minister, a most refreshing banquet.  
**THE EDITORS**  
Will give the Journal their constant attention, as before. Of the going on, in the eventful scenes and places of the country, Mr. Willis will give photographs, as usual. General Morris's Songs and Sketches will be embroidered on the thread of the passing moment, as they have always been. Some of the best intellects of the land are enlisted for us, also, and we think we may promise to hold our place as the journal which best enables the Family to keep conversant with the World.  
**TERMS**—For one copy, 2; for three copies, 5; for one copy for three years, 5; for a club of seven copies, 10; for a club of fifteen copies, 20; and at that rate for a larger club always in advance.

It contains about 200 pages of choice Songs, Rounds, Catches, Duets, Trios, Quartets, and Choruses, many of them written expressly for this work, besides 23 pages of the Elements of Music. ## AYER'S Cathartic Pills.

**CLEANSE THE BLOOD AND CURE THE SKIN.**  
Invalids, Fathers, Mothers, Physicians, Philanthropists, read carefully the following and judge of their Virtues.  
FOR THE CURE OF  
Headache, Sick Headache, Foul Stomach, Indigestion, Biliousness, Constipation, &c.  
Dr. J. C. AYER, Sr.: I was repeatedly cured of my Headache by your Pills, which soon relieved me. It seems to me that a full stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing.  
Yours with great respect,  
ED. W. WHELPLE,  
Clerk of the Court.

**Bilious Disorders and Liver Complaints.**  
WASHINGTON, D. C., Feb. 1862.  
Dr. J. C. AYER, Sr.: I have used your Pills in my general and hospital practice ever since you made them, and can testify that they are the best cathartic I employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangement of that organ. Indeed, I have seldom seen a case of bilious disease so obstinate that it did not readily yield to them.  
Fratrally yours,  
ADONIS HALL, M.D.,  
Physician of the Marine Hospital.

**Dysentery, Relax, and Worms.**  
POST OFFICE, HARTLAND, Vt. Co., Mich., Nov. 18, 1854.  
Dr. AYER: Your Pills are the perfection of medicine. They have done my wife more good than any other medicine she had been taking for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our children had had another my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without any benefit. I have since used your Pills as a medicine as you, which is actually good and honest, will be tried here.  
Yours truly,  
JOHN G. MEACHAM, M.D.,  
Physician of the Marine Hospital.

**Indigestion and Impurity of the Blood.**  
From Rev. J. W. Hines, Pastor of Adelphi Church, Boston.  
Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To restore the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.  
WARREN, WISCONSIN Co., N. Y., Oct. 24, 1855.  
Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent means to cleanse the system and purify the fountains of the blood.  
JOHN G. MEACHAM, M.D.,  
Physician of the Marine Hospital.

**Erysipelas, Scrofula, King's Evil, Tetter, Runners, and Skin Diseases.**  
From a Friend of the Marine Hospital of St. Louis, Mo., 4, 1855.  
Dr. AYER: Your Pills are the perfection of all that is great in medicine. They have cured my little daughter of a chronic sore upon her hands and feet, that had rendered her almost incurable for years.
