C. S. JONES, ISAAC BENSON, H. J. OLMSTED, DAN BAKER, THOMAS KING, J. B. SMITH, M. W. McALARNEY, D. C. LARRABEE, D. F. GLASSMIRE, F. W. KNOX.

Many of the good people of this State have heretofore found it impossible to believe that there existed in the North such an organization as the Knights of the Golden Circle; but, last week, this question was determined to a certainty by the arrest of four men in Reading, who were taken before the United States Commissioner, at Philada, and after a nearing, bound in the sum of \$4,000 each to dt Stebbins'. ampear on the first Monday in May, From the evidence elicited they are, for all moral HIME, for sale at purposes, proved to be members of this treasonable relic of Calhoun's Southern school of politics. A mob threatened to leave Reading not to do for fear of meeting with a reception becoming a band of armed Rebels. Let the loyal people take warning from this, be more united in the common cause, and spurn these men and their papers from you when they seek to get between you and your country Our country must be preserved, if every political party and creed is sunk in the ocean of oblivion. The hearts that were fired at the booming of the cannon against Fort Sumpter booming of the cannon against Fort Sumpter of BOTH SEXES. A Nervous Gentlemen tion in prices of Fine-Cut Chewing and Smok got their temper from the blood that hallowed having been restored to health in a few ing Tobaccos, which will be found of a Superior of the cannon against Fort Sumpter of the cannot be cannot be cannot be cannot be cannot be cannon against For the field of Lexington. The institutions our days, after undergoing all the usual routing fathers founded shall receive a new birth from without success, considers it his sacred duty snowing. the womb of Liberty. Let Golden Circles to communicate to his afflicted fellow creations, No. 1, strike their midnight blows they will be tures the MEANS or CUBE. Hence, on the re- No. 1, must be fruitless. We need something to ceipt of an addressed envelope, he will send No. 2 unite us in the North and perhaps this is the thing that is to do it. Whereever a 'Knight' has shown his head he has been mowed down, and they all will soon learn that it is ignominy's death to show their snaky heads among the true, the loyal. Covert treason may live, open treason must die. The strong hand of the Government, supported by the mighty arm of the people, will hurl these leaders from annual statement of the school funds be made their purposes, and "The mower mows on, though the adder may

And the copperhead coil round the blade of his scythe."

When civil war was first precipitated State Governments had any means at their command with which to clothe or equip the army that must be put in the field. Pennsylvania troops were the first to reach Washington, and Gov. Curtin was the most earnestly course, unprincipled men must needs make Beef, their countries' necessity their own opportunity, and as a matter of course frauds would Buckwheat; & bush., creep in and did creep in; "shoddy" clothing was furnished the army by contractors whose love of lucre was stronger than their love of Cloverseed country. At the time, the copperhead press

charged the Governor with being implicated department remark that "if he had eighty in these frauds. Two committees, appointed Flour, extra, thousand of your Northern rebel democrats, at different times and composed of a majority brigaded, and down here, he would take of democrats, investigated this charge and Hams, B b., Vicksburg inside of ten days, or loose every declared it to be false, and relieved him of Hay, \$\partial \text{ton}, \quad \text{Honey}, \text{ per lb.}, man in the attempt, and wouldn't care a d-n all and every charge of complicity with these Lard. fraudulent transactions. From that time to Maple Sugar, per lb. the present, Gov. Curtin has been tireless in Onts, & bush., The copperhead journals are rejoicing the work of making as comfortable as possible. Pork, 19 bbl., contend that as they are in favor of the war every conceivable measure to ward off many with increased venom, all the more bitter for Wheat, P bush., their short rest. They fear that he will be the White Fish, \$\frac{1}{2}\$ bol., alluded to a visit to a room in the Vatican at next candidate for Governor and conceive it Rome upon the ceiling of which the flags of to be their politically-patriotic duty to be thus all nations were to be seen. He looked them early in traducing him. His labors in the over from the oldest to the youngest. When army they declare to be a political crusadehe saw the Stars and Stripes, he asked him- his propositions for relieving the workingmen self the question why it was that our fathers a demagogue's policy for catching votes. were the first to put the stars on the flags? The last policy of these corperheads is just The only answer that could be given was that being developed—they publish letters, purour fathers looked up to God for help, that porting to come from the army, containing they saw the stars and planted them in our some most notorious libels; that these letters were manufactured in the dens where these Interesting to School-Teachers and Dithat they will fail of accomplishing the end
