THE BEST WORK FOR CANVASSING AGENTS. HARPER'S GREAT HISTORY OF THE PICTORIAL REBELLION IN THE UNITED STATES

Messrs. Harper & Brothers have commenced the issue in Numbers of a complete History of the Great Rebellion in the United States.

The work has been for many months in course of preparation, by a writer every way qualified for the task.

The Introduction contains a clear and succinct account of the formation of the Confederacy of the States; the formation and adoption of the Constitution of the United States, and the establishment of the National Government.

For the origin, development and progress of the doctrines of Nullification and Secession, and the various phases which they assumed until their final culmination in the Great Rebellion.

The History comprises a full account drawn from the most authentic sources, of all the Events of the War; the intrigues of the Southern leaders at home and abroad; the gradual defection of one section; the great uprising of the People for the maintenance of the National Life and Existence; the rapid creation of an immense Army and Navy; and the Battles by Land and Sea.

The Illustrations comprise Portraits of all those who have borne a prominent part in the struggle; Maps of the different localities; Plans of the leading actions; Views of every scene of interest, and of the most important Battles. These illustrations are mostly from drawings taken on the spot by artists of the highest talent, and accompany every division of our Army and Navy.

Every facility at the command of the Publishers has been employed in the preparation and execution of this work; and they confidently believe it will form the most trustworthy and valuable history which can be prepared of the Great Struggle for the American Union.

Mode and Terms of Publication The work will be issued in Numbers, consisting of 12 pages of the size of Harper's Weekly, printed on clear type, upon fine paper, and will probably be completed in Twenty Numbers.

The numbers will be issued at intervals, if possible, of about three or four weeks. The price of each number, which contains matter equivalent to an ordinary volume, will be Twenty-five Cents.

The illustrations in each number are alone worth the price asked. Men out of employment, especially Sick or Disabled Soldiers, can find no other work so sure of ready sale and good profits.

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

BRIDGEPORT, MASS., 20th Dec. 1855. Dr. J. C. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EDEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of West. N. Y., writes: "I have used your Cherry Pectoral myself and in my family ever since you invented it, and believe it the best medicinal preparation ever put out with a bad cold I should sooner try twenty dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. Write your favorably in the South appropriate your skill, and commend your medicine to our people.

AMOS LEE, Esq., of West. N. Y., writes, 23 Jan. 1856: "I had a tedious Influenza, which confined me in bed several weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. Wm. M. HARRISON, of West. N. Y., writes, 10th Feb. 1856: "I have used your Cherry Pectoral in performing marvellous cures in this section.
