NOTICE

IS HEREBY given to delinquent Collectors of Military Taxes that unless the amount of such commutations, now due by them, are paid over to the County Treasurer by next September Court, according to the Act of 21st April, 1858, so that said monies can be applied to the Relief Fund, agreeably to the supplement of said act, that it will be my duty to notify the District Attorney in writing of such neglect, whose duty it will then be to collect the fines and penalties imposed by law.

The following statement shows the amount due from the several townships in this Brigade:

The foregoing sums amount to two hundred and nineteen dollars and twenty-four cents, scattered over twenty-three townships or already in the Collectors hands; one thing is certain, it is not paid into the Treasurer. It should be cheerfully paid that it may be distributed where it belongs, to the needy families of our neighbors now in actual service.
