TERMS .-- \$1.50 PER ANNUM.

The sum to be fixed by the Secretary is not to exceed \$300. It may he less, it can not be more. This provision was put into the law for the sole and single purpose of KEEPING DOWN THE PRICE OF SUBSTITUTES, so that men of mcderate

for subtitutes would go up at once to the people, and more humane to the poor, rich men could obtain them. If sny than any similar law in the world. These drafted man can obtain a substitute for a as Harry calls them. She stood for an I saw the doctor's eyes twinkle, but he objects, sanctioned by patriotism, economy, sum less than that fixed by the Secretary as nearly as the unequal lot of mankfind conferred upon the Secretary to fix any will permit. This law is enthusiastically sum less than \$300, was purposely given velcomed by the armies of the republic, to check speculations, to keep down the is referred to by other nations as the high. price of substitutes, and it must do so.

> Poverty is always a disadvantage, but ed by armed traitors, and is denounced how could a draft be more considerate for the well-disposed men of every rank, and Contrast the provisions of this act with still be of any force? And no men hare the provisions of the previously existing more true interest in putting down this Slaveholders' Rebellion, than have men of little wealth. LIBERTY AND LAW are their most precious heritage and gift to their children.

AMPLY REWARDED .--- In France, the society for the protection of animals does not enjoy the proper respect which it deshe stood waiting for me to read it, with beginning to let my keen sense of the aced, the infirm, the helpless, dependent serves, the "wits" of the capital indulging in an endless variety of jokes at its head bent as if it were her death warrant. ness, and I watched her, strangling the ment, under those laws, they must hasten expense. The last bon mot is to this effect :

> A countryman armed with a club, presents himself before the President of the society, and claims the first prize. He is asked to describe the act of humanity on which he founded his claim.

> "I have saved the life of a wolf," replied the countryman with sang froid, "I might easily have killed him with this bludgeon." and he swung his weapon in the air, to the immense discomfort of the President.

"But where is the wolf?" inquired the latter; "what had he done to you ?" "He had just devoured my wife," was

the quick reply. The President reflected deeply for an

"My friend, I am of the opinion that you have been sufficiently rewarded."

A HEART THAT CAN FEEL FOR ANmy wife, the sum of £100 a year." said the old farmer. "Is that written down;
