The Economy of the State Administration.

Tax-Payers! Attention!!

When Andraw G Curtin assumed the powers and duties of the Executive office of Pennsylvania, we will not say that the industrial pursuits and corporate enterprises of the people was not prosperous. It was at a period of profound peace, not withstanding it was a time when the Democratic slave drivers of the south; 25 with their dough face sympathizers of

In the year 1862 the receipts from or Column six months, - - - - 20 00 dinary sources of revenue were in excess 00 of receipts from the same sources in 1861, one million thirty thousand one hundred and seventy six dollars and Administrator's or Executor's Notice, 2 00 eighty-two cents, [the excess of interest Business Cards, 8 lines or less, per year 5 00 paid in 1862 over that of 1861 beeng 10 8144,095 87.] and that the ordinary ex-be penies for 1862 were ninety five thousand three hundred and seventeen dollars and sixteen cents less than the year previ-

> This healthy condition of the revenues and the excess of the receipts over the expenditures, secured by the rigid and general economy which was insisted upon of the revenue laws, with a view to the legalizing of the burdens of taxation At mended to the Legislature the justice and expediency of restricting the rate of local taxation, which has been and still is, in some parts of the Commonwealth,

Considering the increase of taxation by the National Government, and considering, too, the enormous enlargement of the war expenses, those figures at once Condersport, Pa., will attend to all business redound to the credit of Gov. Curtin. and entrusted to his care, with premptnes and the people of Pennsylvania We want facts. We want the tax payers to remember, in the first year of Andrew G.

That he increased the revenues of the State, one million, thirty thousand, one hundred and sixty-six dollars and eightywo cents; and,

That the ordidary expenses of the State for the year 1862, were ninety five thousand three hundred and seventeen

dollars less chan the year previous, and to be buried among their kindred, he as Clothing, Crockery, Groceries, &c., Main st. of the revenue laws with a view to the and prevented the Capital from failing do the same! Should you succeed in House of Representatives for treason, and taxation III

The administration of no other State-Government in the Union, can point to such a record for the past three year-The history of no government in the world exhibits such results. These facts
