Gold is 34 cts. premium in New York.

The total receipts of the Hospital Aid Society for the week ending Sept. 23, 1863, amount to \$111.76.

Perennial vigilance is the price of liberty. Earnest and energetic labor is the price of victory.

Read the soldier's letter in another column. They are the ones who have most severely suffered in this cursed war and their feelings should be respected.

Those persons who want Photographs and Ambrotypes should call soon as Mr. Gardner, intends leaving in a very short time.

The official majority in Kentucky for Bramlette, Union, for Governor is 50,242. A glorious example for Pennsylvania.

A letter from Gen. Burnside's army says there are no copperheads in East Tennessee. The people are heart and soul, on one side or the other.

Many think the draft a "bad egg," but when we consider that lots of young men, who never did anything in their lives but loaf around, corner groceries and keep bread from moulding, how through it become "the only support of aged and infirm parents," we are constrained to take another view of the subject.

CONTINENTAL MONTHLY.—The October number of this valuable magazine is on our table. Its contents, as usual, are rare, choice and sound. We find a note for editors enclosed in its pages, that Edward Kincaid, author of "Among the Pines," "My Southern Friends," &c., will accept a few engagements to lecture during the coming winter.

ANN STILL THEY COME.—Hon. N. B. Browne, a former Democratic State Senator from Philadelphia, has abandoned Woodward and come out strongly for Gov. Curtin. So has the Hon. W. E. Lehman, a member of Congress. Both were strong and influential Douglas Democrats. They are not to be humbugged on Governor.

The Unconditional Union Committee, of Maryland, in an address to the people say that "the substance of Slavery is gone, and the sooner the abolition is removed, the better it will be for the true interests of the State and nation." Well and bravely said! So sensible men are thinking all over the slave region of the South.

The Union State Central Committee published a list of 35 Mass Meetings held and to be held in various parts of the State between the 15th and 25th of September, current. Prominent among the speakers announced are the names of Gov. Curtin, Gen. Butler, John C. Knox, Gov. Randall, of Wisconsin, J. W. Forney, Wm. D. Kelley, Judge Shannon, Senator Cowan, John Mickman, Ex-Gov. Johnson, Henry Winter Davis, W. H. Armstrong, Wayne McVeagh, and Greene Adams. Great enthusiasm prevailed.

We observe that the Union party in the Legislative district east of us has re-nominated Arthur G. Olmsted, Esq., as one of its candidates for Assembly. It could not do otherwise and do justice to one who occupied a leading position in the last House. Mr. Olmsted is a gentleman whose accomplishments will command respect in any position, particularly in such a body as the Pennsylvania Legislature, where so large a number secure seats who are vastly his inferior in a mental point of view. Of course he will be elected by an increased majority.—McKean Miner.

The Union men of Cameron county have nominated the following admirable ticket to be supported at the coming election: "Prothonotary—Edward W. Fosberg; Sheriff—H. T. Taggart; Commissioner—Philip Whiting; Auditor—Samuel H. Storrs.

It is to be hoped that neither song-singers or story-tellers will seduce the true Unionists from the support of the true Union ticket.—McKean Miner.

We see our friend "Sam" is up for Auditor. Success to ye, and may ye be elected, and also give Andy a "booster" towards the Fifty Thousand he's going to get.

UNION MEETINGS.

There will be speeches made at the following places at the times stated. Let all the friends of the Government attend! Let Union Democrats add their voices to the loyal decree that is to be made perfect by the votes of Pennsylvania's freemen. Let every man, be his past politics what they may, unite in the work of crushing the rebellion and rebuking the treason of copperheads:

Oswayo Village, Friday evening, Oct. 2nd. Andrew's Settlement, at the same time.

Raymond's Settlement, Saturday Eveg, Oct. 3rd. Bingham Centre, Wednesday Eveg, Oct. 7th. Ulysses, Thursday Evening, Oct. 8th. Harrison Valley, Friday Evening, Oct. 9th. Sunderlandville, Saturday evening, Oct. 10th.

Several speakers will be present at each of these meetings. Other meetings will soon be appointed through the county.

We heard it rumored on the street one day last week that the copperheads and dark-lantern party had deemed it necessary, in view of the increasing popularity of Loyalty and its ticket, to stir up some of their dry-bones and broken-down party hacks who have for some time past been rather quiet in the matter of mouthing their treason, burnish the scales with a little Vallandigham-Woodward scum, and trot out a stool-pigeon ticket willing to bear upon its back the whole of the traitorous load heaped upon its party by the leaders. We expected this. A couple of the leaders have lately been down into the interior of the State taking counsel of the horns and tail of the great Knight. They have told him that Potter county had gone over "body, soul, and breeches," to the "fanatics," that it was no use to nominate for they couldn't elect even a pound-master, that it was expensive and they couldn't get "trusted," and so-forth. He has patting them upon the cheeks, smoothed their ruffled spirits, switched his tail and said: "I know your case is hopeless as far as county matters are concerned, nevertheless get up a ticket with which to call our voters for we must work or we will surely be defeated; work earnest, work in the dark, for you know our "deeds are evil," and I will pay all expenses." Hence the secret convolve of six and "carol" and whiskey, that met in the office of the man who wanted to be Union but was afraid, and nominated the ticket that as yet has been ashamed to own itself. If the snakes are out of their holes by our next issue, we'll report.

HOOFLAND'S GERMAN BITTERS! Are not a new and untried article, but have stood the test of fifteen years trial by the American public; and their reputation and sale, are not rivaled by any similar preparation.

The proprietors have thousands of Letters from the most eminent CLERGYMEN, PHYSICIANS, and CITIZENS.

Testifying of their own personal knowledge, of the beneficial effects and medical virtues of these Bitters.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S GERMAN BITTERS" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be seen that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters."

PHILADELPHIA, Aug. 25, 1863.

Masses JONES & EVANS.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully conscious of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in bed, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under such circumstances; and, accordingly, the physicians who had been working faithfully, but unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me.

An acquaintance who visited me at the hospital, Mr. Frederick Steinhilber, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded; and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to re-join my wife and daughter, from whom I have heard nothing for eight months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had depaired of seeing our comrade, Mr. Malone, restored to health.
