Local and General.

Gold is 45 cts. premium in New York.

A Blacksmith is wanted at Brookland.

A good and industrious workman can do well.

Lucien Bird advertises a new stock of Goods for sale cheap.

Andrew Sandberg & Bro. are paying the highest Cash price for Hides.

Mrs. Roberts opens a Select School, in the basement of the Church, on Monday next.

The District School opened on Monday last. D. D. Colcord, of Homer township, is the Teacher.

It is expected that the Rev. Mr. Irish will preach in the Presbyterian Church on Sabbath next, at 10:30, A. M.

Canada seems to be afraid of annexation to the United States. A poor and ugly girl might as well be afraid of being married to a rich, handsome and worthy gentleman.

Gov. Curtin has issued Proclamations in accordance with those issued by the President for Volunteers and appointing a Day of Thanksgiving.

What is to be done about Potter county's quota? There is quite a large number of young men in the county who are anxious to enlist, and a little effort might very materially reduce the draft.

Thieves have been prowling about for some time past, stealing clothes and everything else they can find exposed. Care should be taken to have all movable property under lock-and-key during the night.

The weather for the past few days has been "cold as winter." Our fall has been remarkably pleasant - warm and clear. There was a quite a brisk snow storm in different portions of the county on last Friday.

The next Legislature of Ohio will stand as follows: Senate, 28 Unionists to 5 Opposition; House, 80 Unionists to 17 Opposition; Union majority on joint ballot, 87.

We want a cord of PINE WOOD, immediately, for which Cash will be paid. Also, several cords of "18 inch, hard wood," on subscription. There are quite a number who have promised us wood; well now, let us see some of it.

Some evil-minded, copperhead-tinctured persons circulated a story about the death of Gov. Curtin, last week. We have no doubt they wish him dead, but if wishes were fortunes we'd all be rich!

Such is the confidence of the world in the suppression of the Slaveholders' rebellion, that the U. S. 5.20s are now sold at the rate of over Two Millions per day! Those who desire a good investment and to aid the Government, should buy quickly if they desire it, for the amount is limited.

President Lincoln has ordered, that every citizen who has paid the \$300 communication, shall receive the same credit therefor as if he had furnished a substitute, and is exonerated from militia service for the time for which he was drafted, to wit, for three years.

Pugh, of Ohio, fellow traitor of Vallandigham, and like him a great humbug, stood at the polls on election day and challenged the soldiers votes. There is nothing a Copperhead hates so intensely as a soldier. Wait till the Volunteers get home!

The bombardment of Fort Sumpter on the 30th is reported by the rebel papers as the heaviest that has yet taken place. From Wednesday till Thursday evening, 1,215 shots are said to have been thrown against the fort.

The business of apprehending deserters from the army has become quite extensive and profitable. The Government now pays thirty dollars a head for deserters, and "detectives" are quite numerous. Every citizen is authorized to apprehend deserters, and the pay is the same as received by regularly authorized agents.

Now that the time has arrived for the use of stoves and grates, too much care can not be taken to guard against fire. Your stovepipe should be carefully examined and, where necessary, repaired, while particular care should be taken that there is no wood-work to contact with them. Defective flues should also be examined and put in order, and care taken that the cinders and ashes are deposited in such a way as to prevent the possibility of accident from this source.

A friend in Sharon sends us a letter, written by a soldier of the 85th N. Y., under date of Plymouth, N. C., Sept. 18, 1863, from which we take the following extract: "Well what is the general feeling up there (in Potter) about political matters, the administration, the draft, &c.? Are the people all turning traitors to the Government and giving their sympathies and aid to the confederacy? Are there men, citizens of free northern States, that would rather so much suffering and loss of life, rejoice in a final defeat of the Federal Army and overthrow of the Government? I should judge so from the conduct of a certain party called copperheads. I am almost ashamed of my native country. At the present time when victory is crowning our arms at every point is just the time when we need the undivided support of every loyal State in the Union. If such were the case I tell you we would soon bring this rebellion to terms. There is no mistake about it, but just as long as there is a division in the North, just so long will they struggle on expecting assistance from their Northern friends."

DR. RADWAY'S PILLS the Pills that Cure. There are thousands of persons who have for years been dosing with some favorite pills, and imagine that they cannot live without them. When we hear that a man has been taking such and such "pills for years," it is fair to presume he is taking a worthless remedy. Yet there are many who have been afflicted with Costiveness, Indigestion, Constipation, Liver Complaint, Jaundice, Dyspepsia, &c., for years, and from habit have used some favorite pill that affords mere temporary relief, without thinking that the pills they are taking increases the original complaint. Now we guarantee that if these misguided people will take Radway's Pills that from one to six boxes will cure them. Sold by all Druggists.

THE CONFESSIONS AND EXPERIENCE of an Invalid. Published for the benefit, and as a warning and a caution to young men who suffer from Nervous Debility, Premature Decay of Manhood, etc., supplying at the same time the means of self-cure. By one who has cured himself after being put to great expense in trying various medical humbugs and quackery. By enclosing a post-paid addressed envelope single copies may be had of the author. NATHANIEL MAYFAIR, Esq., Bedford, Kings county, N. Y.

WOOL WANTED. D. E. OLMSTED, June 1, 1863.

A FOTRUNE FOR ALL! EITHER MEN OR WOMEN!! NO HUMBBUG, but an ENTIRELY NEW thing. Only three months in this country! No clap net operation to gull the public, but a genuine thing! Read the Circular of instruction once only, and you will understand it perfectly. A Lady has just written to me that she is making as high as TWENTY DOLLARS some days! giving instructions in this art. Thousands of soldiers are making money rapidly at it. No person has to be urged to patronize it. It is a thing that takes better than anything ever before offered. You can make money with it at home or abroad—on steamboats or railroad cars, and in the country or city. You will be pleased in pursuing it, not only because it will yield a handsome income, but also in consequence of the general admiration which it elicits. It is pretty much all profit. A mere trifle is necessary to start with.

There is scarcely one person out of thousands who ever pays any attention to advertisements of this kind, thinking they are humbugs. Consequently those who do send for instructions will have a broad field for making money. There is a class of persons in this world who think that because they have been humbugged out of a dollar or so, that everything that is advertised is a humbug. Consequently they try no more. The person who succeeds is the one who keeps on trying until he hits something that pays him. This art cost me one thousand dollars, and I expect to make money out of it—and all who will purchase the art of me will do the same. One Dollar sent to me will insure the prompt return of a card of instructions in the art. The money will be returned to those not satisfied. Address WALTER T. WINSLEY, No. 1 Park Place, New York.

Executor's Notice. NOTICE is hereby given that letters executory on the last will and testament of HENRY E. All persons indebted to said decedent will please make payment and those having claims will present them duly authenticated for settlement. A. F. RAYMOND, Execut'r. Ulsees, Sept. 4, 1863.

A Lecture on the Nature, Treatment and Radical cure of Spermatorrhea or Seminal Weakness, Sexual Debility, Nervousness, and Involuntary Emission, including Impiety, Consumption and Mental and Physical Debility. The important fact that the awful consequences of Self-Abuse may be effectually removed without internal medicines or the dangerous application of caustics, instruments, medicated bougies, and other impirical devices, is here clearly demonstrated, and the entirely new and highly successful treatment, as adopted by the celebrated author, fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby averting all the advertised nostrums of the day. This lecture will prove a boon to thousands and thousands. *Sent under seal, to any address, in a plain, sealed envelope, on the receipt of six cents, or two postage stamps, by addressing, Dr. CHAS.
