EUREKA!

"I HAVE FOUND IT!" Was the exclamation of the Astronomer who first discovered that the world moved in its orbit; not less joyous has been the exclamation of those who have found THE PLACE where GOODS can be purchased FIFTY PER CENT or TWENTY PER CENT below the market price, and yet find them as represented. Two things are to be considered in purchasing Goods: the Quality and the Price; and purchasers studying both, can be better satisfied with our stock than any other in this or adjoining counties. Think twice before buying "DEAR TRASH." Now is your time to procure a GOOD ARTICLE. "Delays are dangerous and sometimes fatal." Don't wait for another enormous advance in Goods!
