

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alternative of wonderful efficacy in disease of the Stomach, Liver and Bowels. Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Cold, Intermittent Fevers, Cramps and Spasms and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element, no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forewarned against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water, and other external causes Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge, and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvellous medicine.

Ever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not only restored to health within a few weeks, but are enabled to resume their ordinary avocations.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it cures indigestion, flatulence, and all other ailments of the stomach, and in less confirmed forms of Indigestion, Acting as a gentle and powerful aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agency of Billings' Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

HEMBOLD'S GENUINE PREPARATIONS.

Compound Fluid Extract Broom, a Positive and Specific Remedy for diseases of the Bladder, Kidneys, Gravel, and Dropsical Swellings. These symptoms, if allowed to go on, which this medicine invariably removes soon lead to Impotency, Fatuity, Epileptic Fits, in any one of which the Patient may expire. Who can say that they are not unfrequently followed by those dreadful Diseases, "Insanity and Consumption."

Many are aware of the cause of their suffering, but none will consult the records of the insane asylums, and melancholy deaths by Consumption bear ample witness to the truth of the assertion.

The Constitution is affected with Organic Weakness requires the aid of Medicine to strengthen and invigorate the system, which Hembold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES. In many Affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of Catamenial Evacuations, Uterine or Schirous State of the Uterus, Leucorrhoea or Whites, Sterility, and for all complaints incident to the sex whether arising from Indiscretion, Habits of Intemperance, or in the Decline or "Change of Life."

Take no more Balsam, Mercury, or unpleasant medicines for your casant and dangerous diseases. Hembold's Extract Buchu and Improved Rose Wash cures Secret Diseases in all their stages, at little Expense. Little or no change in diet. No inconvenience, and no exposure. It causes a frequent desire and gives strength to Urinate, thereby removing Obstructions, Preventing and curing Strictures of the Urethra, Staying Pain and Inflammation, so frequent in this class of diseases, and expelling all Poisonous Diseases and worn out matter.

Thousands up a Thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time have found it were derived, and that the "Poison" has, by the use of "Powerful astringents," been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

U. S. 5-20's.

The Secretary of the Treasury has just put forth notice of his intention to withdraw this popular Loan from sale at Par, and until ten days notice is given, the undersigned, as General Subscription Agent, will continue to apply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, monthly within the last seven months.

Prudence and self interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands, to the prompt conclusion that they should use no time in subscribing for this Government Loan.

The Government requires all duties on Imports to be paid in coin; those duties have for a long time just amounted to over a Quarter of a Million of Dollars Daily, a sum long three times greater than that required in the payment of the interest on all the 5-20's and other permanent loans.

The Loan is called 5-20 from the fact that it will last for 20 years yet the Government has a right to pay them off in Gold at par, at any time after 5 years.

The interest is paid half yearly, viz: On the first days of November and May. Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500 and \$1000; or Registered Bonds of same denominations, and in addition, \$5,000 and \$10,000.

These 5-20's cannot be taxed by States, cities, towns or counties, and the Government tax on them is only one-eighth of one percent on the amount of income, when the holder exceeds Six Hundred dollars per annum, all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five percent tax on the income.

Banks and Bankers throughout the country will continue to dispose of the Bonds; and all others by mail or otherwise, promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is a considerable demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay.

Subscription Agent, 114 SOUTH THIRD ST., PHILADELPHIA, Dec. 4 '63.
