U. S. 5-20's.

The Secretary of the Treasury has not yet given notice of any intention to withdraw this popular Loan from sale at Par, and until ten days notice is given, the undersigned as "General Subscription Agent," will continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, mostly within the last seven months. The large demand abroad and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will in a very short period absorb the balance. Sales have lately ranged from ten to fifteen millions weekly, and it is well known that the Secretary has ample and unending resources in the Duties on Imports and Internal Revenue, and in the issue of the interest bearing Legal Tender notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent loans. The Interest and Principal of which are payable in GOLD.

Prudence and self interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have idle money on their hands to the prompt conclusion that they should take no time in subscribing for this most popular loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the seven thirty loan, when it was all sold and could no longer be subscribed for at par. It is a Six per cent Loan, the Interest and Principal payable in coin, thus yielding over Nine per cent annuum at the present rate of premium on coin.

The Government requires all duties on Imports to be paid in coin; those duties have for a long time past amounted to over a Quarter of a Million Dollars Daily, a sum, nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent loans. So that it is legitimate that the surplus coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all liabilities. The Loan is called 5-20 from the fact that whilst the Bonds may run for 20 years yet the Government has a right to pay them off in Gold at par, at any time after 5 years.

The interest is paid half yearly, viz: On the first days of November and May. Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500 and \$1000; or Registered Bonds, of some denominations, and in addition \$5,000 and \$10,000. For banking purposes and for investments of Trust-moneys the Registered Bonds are preferable.

These 5-20's cannot be taxed by States, cities, towns or counties, and the Government tax on them is only one-and-a-half per cent, on the amount of income, when the holder exceeds Six Hundred dollars per annum, all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent tax on the income.

Banks and Bankers throughout the country will continue to dispose of the Bonds; and all orders by mail or otherwise, promptly attended to.

The inconvenience of a few days' delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no loss is occasioned, and every effort is being made to diminish the delay. JAY COOKE, Subscriptions Agent, 114 SOUTH THIRD ST., PHILADELPHIA, Dec. 4 '63.

HOOFLAND'S GERMAN BITTERS! Are not a new and untried article, but have stood the test of fifteen years trial by the American public; and their reputation and sale, are not rivaled by any similar preparation.

The proprietors have thousands of Letters from the most eminent

OLBERGEMEN, LAWYERS, PHYSICIANS, and CITIZENS.

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that HOOFLAND'S GERMAN BITTERS will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be noted that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters.

Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of "the nation's heroes, whose life, to use his own language, "has been saved by the Bitters."

PHILADELPHIA, Aug. 23, 1863.

Messrs. JONES & EVANS.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is attested for by members of my comrades who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," which I embarked on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under such circumstances; and, accordingly the physicians who had been working faithfully, tho' unsuccessfully to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and made such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing since my departure from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had desisted of seeing our comrade, Mr. Malone, restored to health.

AYER'S

CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

BENEFICIAL, MASS., 20th Dec. 1855.

Dr. J. C. AYER: I do not hesitate to say that the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and my family for the last ten years has shown it to possess superior merits for the treatment of these affections. Wm. H. EDEN KNIGHT, M. D., Col.

A. B. M. VILEY, M. D., of Utica, N. Y., writes: "I have used your Cherry Pectoral in my family ever since you invented it, and believe it the best medicine for the purpose ever put out. With a bad cold I should always pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Group, Whooping Cough, Influenza, Bronchitis, &c. Brothel Ayer: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, and all the diseases of children. Wean your infants on your Cherry Pectoral, and you will command your medicine to our people.

AMOS LEE, Esq., of New York, writes: "I had a tedious influenza, which confined me in bed six weeks; took many medicines without relief; finally tried your Cherry Pectoral, and after using it for a few days, the first dose relieved the soreness in my throat, and I was able to get up. Your medicine is the cheapest as well as the best we can buy, and
