

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the Stomach, Liver and Bowels—Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms and all Complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by humane means against miasmas engendered by an unwholesome atmosphere, impure water, and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy, and thousands who resort to it in anticipation of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not infrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit liable to Nervous Attacks, Lowness of Spirits and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Chronic Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day. The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things," only "holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "flung like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, "is not for a day, but for all time."

No family medicine has been so universally and it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by **HOSTETTER & SHINN**, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere.

HELMHOLD'S GENUINE PREPARATIONS.

Compound Fluid Extract Buchu, a Positive and Specific Remedy, for Diseases of the Bladder, Kidneys, Gravel, and Dropsical Swellings. This medicine increases the power of Digestion, and excite the Absorbents into healthy action, by which the Watery or Calcareous depositions, and all unnatural enlargements are reduced, as well as Pain and Inflammation.

HELMHOLD'S EXTRACT BUCHU.
For Weakness arising from Excesses, Habits of Dissipation, early indiscretion of Abuse, attended with the following symptoms:—Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Horror of Disease, Wakefulness, Dimness of vision, Pain in the back, Universal Lassitude of the Muscular System, Hot Hands, Flushing of the Body, Dryness of the skin, Eruptions on the Face, Paled Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon lead to Impotency, Fatuity, Epileptic Fits, in any one of which the Patient may expire. Who can say that they are not unfrequently followed by those Direful Diseases, "Insanity and Consumption."

Many are aware of the cause of their suffering, but none will confess the records of the insane asylums. And melancholy deaths by Consumption bear ample witness to the truth of the assertion.

The Constitution once affected with Organic Weakness requires the aid of Medicine to strengthen and invigorate the system, which Helmhold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES.
In many Affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of Customary Evacuations, Uteric or Schirrous state of the Uterus, Leucorrhoea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation, or in the Decline or Change of Life.

Take no more Balsam, Mercury, or unpleasant medicines for unpleasant and dangerous diseases.

Helmhold's Extract Buchu and Improved Rose Wash cures Secret Diseases, in all their stages, at little Expense. Little or nothing in diet. No inconvenience, and no expense. It causes a frequent desire and gives strength to Urinate, thereby removing Obstructions, Preventing and curing Strictures of the Urethra, allaying Pain and Inflammation, so frequent in this class of diseases, and expelling all Poisonous Diseases and worn out matter.

Thousands upon Thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found the secret, and that the "secret" has, by the use of "Powerful astringents," been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

DR. SWEET'S INFALLIBLE LINIMENT

GREAT REMEDY FOR RHEUMATISM, GOUT, NEURALGIA, LUMBAGO, STIFF NECK AND JOINTS, (SPRAINS, BRUISES, WOUNDS AND CUTS, PILES, HEADACHE, AND ALL RHEUMATIC AND NERVOUS DISORDERS.

For all of which it is a speedy and certain remedy, and never fails. This Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivalled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

FOR NEURALGIA, it will afford immediate relief in every case, however distressing. TOOTHACHE also it cures instantly.

FOR NERVOUS DEBILITY AND GENERAL LASSITUDE arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and revivifies the system, and restores it to elasticity and vigor.

FOR PILES.—As an external remedy, we claim that it is the best known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a radical cure.

QUINCY AND SORE THROAT are sometimes extremely malignant and dangerous, but a timely application of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst cases may be conquered by this Liniment in two or three days.

EUREKA!

"I HAVE FOUND IT!"
Was the exclamation of the Astronomer who first discovered that the world moved in its orbit; not less joyous has been the exclamation of those who have found THE PLACE where GOODS can be purchased FIFTEEN or TWENTY PER CENT. below the market price, and yet find them as represented. Two things are to be considered in purchasing Goods: the Quality and the Price; and purchasers studying both, can be better satisfied with our stock than with any other in this or adjoining counties.
