HOOFLAND'S GERMAN BITTERS! Are not a new and untried article, but have stood the test of fifteen years trial by the American public; and their reputation and sale, are not rivaled by any similar preparation.

The proprietors have thousands of Letters from the most eminent CLERGYMEN, LAWYERS, PHYSICIANS, and CITIZENS.

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life.

In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters.

Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters."

PHILADELPHIA, Aug. 23, 1863. MESSRS. JOSLY & EVANS.—Well, gentlemen, your Hoofland German Bitters has saved my life. There is no mistake in this. It is vouchsafed by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case.

I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality.

For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under such circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of a former hope, told me that he had procured a bottle of your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC M. MALONE. We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health. John Cuddeback, 1st New York Battery. George A. Ackley, Co. C, 11th Maine. Lewis Chevalier, 22d New York. I. E. Spencer, 1st Artillery, Battery F. J. B. Sawell, Co. B, 2d Vermont. Henry B. Jerome, Co. B, do. Henry T. Macdonald, Co. C, 6th Maine. John F. Ward, Co. E, 5th Maine. Herman Koch, Co. H, 72d New York. Nathaniel B. Thomas, Co. F, 35th Penna. Andrew J. Kimball, Co.
