## HOSTETTER'S **CELEBRATED** STOMACH

# BITTERS

A Alterative of wonderful efficacy in disease of the Stomach, Liver and Bowels .-Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic. Intermittent Fevers, Cramps and Spasms and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced

Nothing that is not wholesome, genial and restoralive in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no

It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere impure water, and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague. it has been found infallible as a preventive and irrisistible as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge : and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few

and the appetite restored by this agreeable Dissipation, or in the Decline or Change of Tonic, and hence it works wonders in cases of Dispensionand in less confirmed forms of Indigestion Acting as a gentle and painless apperient, as well as upon the liver, it also dispases.

Hembold's Extract Bucha and Improved Hembold's Extract Bucha and Improved duced by irregular action of the digestive and secretive organs.

Persons of feeble habit liable to Nervous Attacks, Lowness of Spirits and Fits of Lanor, find prompt and permanent relief from guor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Billions Colic is immediately and by occasionally resorting to it, the return

of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters prowitnessed before they can be fully appreciated. In cases of Constitut onal Weakness, Premature Decay and Debility and Decrepi-tude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-estab

lish them.
Last, but not least, it is the only safe Stimvient, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachies of the day.

The immense increase in the sale of Hastetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to bury all things," only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "flung like worthiesa weeds away". On the other hand, a great antidote that performs all it promises, and even more than its proprie-tors claimed for it on its introduction, "is not

for a day, but for all time." No family medicine has been so universally and, it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by Hostetter & Smith, Pitts-burg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere.
