Up With the Starry Banner."

Up with the starry banner ! Down with the stars and bars! God bless the flag that's floated In three successful wars!

Up with the starry banner! Down with the traitor foe t The Government our fathers made Is the only one we know.

Up with the starry banner! Forever let it fly: A sign of hope to nation's far.
A beacon in the sky.

Up with the starry bonner ! The banner of our love! That came to us by angel hands From regions far above.

Up with the starry bunner ! Let it float o'er the land, Aye, from the broad St. Lawrence Unto the Rio Grande.

Up with the starry bancer! With not a star obscured. In all it hath endured!
