Condersport, Wednesday Evening Aug 17, 1864. Local and General.

Angelo Crapsey, of Roulet, shot himself on Monday the first day of Argust—cause not known was thought to be a little crazy. He was once a member of the old Bucktails.

The meeting in Oswayo, we learn, resulted in the towns of Allegeny, Hebron, Sharon, Clara and Oswayo offering two hundred dollars local Bounty for one year's volunteers. Capt. Graves has authority for raising a company of one year's men. We hope their destination although as yet I have restricted their destination, although as yet I have restricted. our citizens will see the necessity of immediate and prompt action. See his advertisement ia another column.

Mr. Burtis of Harrison is this week an nounced as a candidate for County Treasurer. As an officer two years ago he was deservedly popular and his nomination at the present time seems to be considered as a matter of course, as there is no opposition to him and the person who first intended opposing him (a good and worthy man) has withdrawn and will now throw his influence in Mr. Burtis' fa-Allegany 65 64 64 vor. A good officer in these times is a goo thing—we hope our people will remember that one who "has been tried and not found want-ing" should generally ce preferred.

We call the attention of all having relations or friends in the army to the fact that "HOCF" LAND'S German Bitters" will cure nine tenths LAND'S German Bitters" will cure time tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters.—Diseases resulting from disorders of the digestive organs are speedily removed. We have tive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that other-

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by

the Bitters :" PHILADELPHIA, Aug. 23, 1863. MESSRS. JONES & EVANS. Well, gentlemen, your Hoofland German Bitters has saved by Infe. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are sprended, and who were fully conizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate com-mand of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflamation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time Indeed on the 28th of June. Since that time I have been about as low as any one tould be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it. I could not even keep a glass of water on my stomach. Life could not last under such

circumstances; and, accordingly the physicians who had been working faithfully, thou unsuccessfully, to rescue me from the grasp. of the dread Archer, frankly told me they could do no more for me, and advised me to: see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope; to try your Bitters, and kindly procured s to try your Bitters, and kindly procured at bottle. From the time I commenced taking them the glociny shadow of death received, and I am now, think God for it, getting better.
