AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOOF LAND'S German Bitters" will cure nine tenthe of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofand's German Bitters.--Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our seldiers, hundreds of lives might be saved that other= wise will be lost. We call particular attention to the follow-ing remarkable and well authenticated cure

of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters :"

landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel dowa; it was immediately thrown up again.

I could not even keep a glass of water on my stomach. 'Life could not last under such circumstances; and, accordingly the physicians who had been working faithfully, tho' of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposi-tion of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to, try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now. thank God for it, getting bet-ter. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wile and daughter, from whom I have heard nothing for eighteen months ; for. gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears-to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.
