We call the attention of all having relations or friends in the arrmy to the fact that the OOF, LAND's German Bitters' will cure nine tenths of the diseases indiced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters.—Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, han-dreds of lives might be saved that others

vise will be lost. We call particular attention to the follow-ing remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

THILDELPHIA, Aug. 23, 1863;
Massis. Jones & Evans.—Well, gentlemen, your Hoofland German Bitters has saved my life. There is no histake in this. It is vouched for by numbers of my comrades, some of my danied and the were fully conical of the hope for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the expositive attendant upon my arduous detries, I was attacked in November last with inflatmation of the fungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White-House, and sent to this city on heard White House, and sent to this city on board the Steamer, "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.
I could not even keep a glass of water on

my stomach. Life could not last under such circumstances; and, accordingly the physicians who had been working faithfully, the unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposi-tion of my limited funds an best suited me. An acquaintance who visited me at the hos-pital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try Jour Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I em how, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguing being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of

vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health. John Cuddleback, 1st New York Battery. George A. Ackley, Co.
