These symptoms, if allowed to go on, which this medicine invariably removes, soon lead to Impotency, Fatuity, Epileptic Fits, in any one of which the Patient may expire. Who can say that they are not unfrequently followed by these Direful Diseases, "Insanity and Consumption."

Many are aware of the cause of their suffering, but none will confess the records of the insane asylums. And melancholy deaths by Consumption bear ample witness to the truth of the assertion.

The Constitution once affected with Organic Weakness requires the aid of Medicine to strengthen and invigorate the system, which Hembold's Extract Buchu invariably does. A trial will convince the most skeptical.

Thousands upon Thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has, by the use of "Powerful" astringents, been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

EUREKA!

"I HAVE FOUND IT!"

Was the exclamation of the Astronomer who first discovered that the world moved in its orbit; not less joyous has been the exclamation of those who have found THE PLACE where GOODS can be purchased FIFTEEN or TWENTY PER CENT. below the market price, and yet find them as represented. Two things are to be considered in purchasing Goods: the Quality and the Price; and purchasers studying both, can be better satisfied with our stock than any other in this or adjoining counties. Think twice before buying "DEAR TRASH." Now is your time to procure a GOOD ARTICLE. "Delays are dangerous and sometimes fatal." Don't wait for another enormous advance in Goods.

MANHOOD: HOW LOST! HOW RESTORED!
Just published, a new edition of **Dr. Cutverwell's Celebrated Essay** on the radical cure (without medicine) of SPERMATORRHOEA, or Seminal Weakness, Involuntary Seminal losses, IMPOTENCY, Mental and Physical Exhaustion, Impediments to Marriage, etc.; also, CUSCUMPTION, EPILEPSY, and FRS, induced by self-indulgence of sexual excesses.

Price, in a sealed envelope, only 6 CENTS. The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure, at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, post-paid, on receipt of six cents, or two post stamps. Address the publishers,

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the Stomach, Liver and Bowels.—Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirit, Constipation, Colic, Intermittent Fevers, Gramps and Spasms and all Complaints of either Sex, arising from Bodily Weakness, whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature, enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no dandy botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water, and other external causes, Hostetter's Bitters may be relied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventive and irritable as a remedy, and thousands who resort to it under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being placed upon quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dyspepsia and in less confirmed forms of Indigestion. Acting as a gentle and painless purgative, as well as upon the liver, it invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit liable to Nervous Attacks, Lowness of Spirit and Fits of Languor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Deceitful decline arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year prove that the world, while it obeys the Scriptural injunction to "try all things," only "holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "fung like worthless weeds away." On the other hand, a great number of persons all promise, and even more than its proprietors claimed for it on its introduction, "is not for a day, but for all time."

No family medicine has been so universally and it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by **HOSTETTER & SWISS,** Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere.

The Last Call.
NOTICE is hereby given that it is now Four Years since P. A. Stebbins and the undersigned closed their business, and as a part of the debts due them which are now being paid now belong to me. Jones, in Coudersport, for the next thirty days, to receive the pay on them from those indebted to said concern, after which they will be left in the hands of an officer for collection.
