MANHOOD: HOW LOST! HOW RESTORED! Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Seminal Prostrata, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Frets, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents. The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine, or the application of the knife—positively curing a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, post-paid, on receipt of six cents, or two post stamps. Address the publishers, CHAS. J. C. KLINE & CO., 127 Bowry, New York, Post office box 4586.

HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alternative of wonderful efficacy in disease of the Stomach, Liver and Bowels.—Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water, and other external causes, Hostetter's Bitters may be relied on as a safeguard.

In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy, and thousands who resort to it under apprehensions of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Indigestion and in less common forms of Indigestion. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit liable to Nervous Attacks, Lowness of Spirits and Fits of Langour, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Biliary Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things," only "holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "bung like worthless weeds away." On the other hand, a great antidote that performs all its promises, and even more than its proprietors claimed for it on its introduction, "is not for a day, but for all time."

No family medicine has been so universally and so truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by HOSTETTER & SMITH, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere.

The Last Call. NOTICE is hereby given that it is now Four Years since P. A.
