The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum,—principal and interest both to be paid in lawful

money. These notes will be convertible at the option of the fiolder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of \$50, \$100, \$500, \$1,000, and \$5,000, and all subscriptions must

posit as they can be prepared. . . As the notes draw interest from August 15, As the notes draw interest from August 15, have number contains any pages of the persons making deposits subsequent to that ing matter, appropriately illustrated with date must pay the interest accrued from date good wood-cuts; and it combines in itself the racy monthly and, the more philosophical

date must pay the interest accrued from date good wood-cuts; and it comoines in itself the of dote to date of deposition the thousand quarterly, blended with the best features of dollars and upwards for these notes at any one time will be allowed a commission of one-quarter of one per cent., which will be paid the transport Department upon the receipt.

The volumes bound constitute of themselves. by the Treasury Department upon the receipt of the bill for the amount, certified to by the officer with whom the deposit was made. No not be found in the same compass in any the deductions for commissions must be made other publication that has come under our

n from the deposits.
SPECIAL ADVANTAGES of this LOAN. It is a National Savings Bank, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in the Office of Publication.

government securities or in notes or bonds a year, which must be paid at subscriber's government securities or in notes or bonds

payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their Harper's. face and accumulated interest, and are the best security with banks as collatterals for

Convertible into a Six per cent. 5-20 Gold Bond, In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per

Its Exemption from State or Municipal Taxation But aside from all the advantages we have enumerated, a special Act of Coogress ex empts all bonds and Treasury notes from local lazation. On the average, this exemption is worth about two percent, per annum, according to the rate of taxation in various parts of

the country.

It is believed that no securities offer so great inducements to lenders as those issued by the dence that such a paper as this was needed, enveroment. In all other forms of indebted and wherever it finds its way into a new stock companies, or separate communities.
only, is pledged for payment, while the whole property of the country is held to secure the property of the country is held to secure the countr ness, the faith or ability of private parties, or

States. While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.

Duplicate certificates will be issued for all

deposits. The party depositing must endorse of notes required, and whether they are topology gitten author, one who has written as seed in biank or payable to order. When the best juvenile books that have been published for the past ten years. Eviving the deposit, to be forwarded to the

Treasury Department.
Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated

Depositaries, and by the First National Bank of Philadelphia, Pa. First National Bank of Danville, Pa. First National Bank of Eric, Pa. First National Bank of Pittsburg, Pa. and by all National Banks which are deposi-

taries of public money, and
All Respectable Banks and Bankers. throughout the country will give further in

formation and Afford every Facility to Subscribers. [193m]

Erysipelas - General Dobility - Purify the

Erysipeles—General Dobility—Purify the Blood.

From Dr. Root. Swein, Houston St., New York.

"Dn. Ayen. I seldon fail to remove Eruptions and Scrofulnus Sores by the persevering useoflyour Sansapasuit. As and I have just now cured an attack of Matignait Erysipelas with it. No alterative we possess equals the Sansapasuit. No alterative we possess equals the Sansapasuit. Ayou, have supplied to face profession as well as to the people."

From II E. Johnston, Esq., Walcomin, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of obliars worth of inedicines. The theers were so bait that the cords became visible, and the doctors decided that my arminust be amputated. I began taking your Sansapanilla. Took two bottles, and some of your Pluss. Together they have cured mee. I am now as well and solud as any body, Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hom Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliamani.

"I have used your Sansapanilla in my family, for general debility, and for partiging the blood, with very beneficial results; and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rese, Salt Bhoum,

sommending it to the afflicted."

St. Anthony's Fire, Rese, Salt Rhoum, Scald Head, Sore Eyes.

From Harrey Sickier, Erg., the able citier of the Thakkhamock Democrat, Pennsylvanig.

"Our only cidel, about three years of sgr, was attacked by pimples on his forcheat. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually bliaded his eyes for some days. A skilful physickin applied his reves for some days. A skilful physickin applied his reves for some days. A skilful physickin applied his leads, left with them he should tear open the festering and corrupt wound which covered his heads, left with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing clse we had any hope from, we began giving your SARSAPARHILA, and applying the loddie of potash lotion, as you direct. The sore began to head when we had given the first bottle, and was well when we had imshed the second. The child's cyclashes, which had comout, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

Syphilis and Mercurial Disease.

Syphilis and Mercurial Disease.

From Dr. Hiran Shut, of St. Louis, Missouri.

I find your Saisan and Mercurial more effectual remedy for the secondary synaptoms of Syphilis and for syphilitie disease than my other we possess. The profession are indebted to you for some of the best medicines we have."

From Al. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Massachusetts.

Dit. At Etc. By dear Sir: I have found your Saisapakilla and secondary type, and effectual in some cases that were too obstanate to yield to other remedics. I do not know what we can employ with more certainty of success, where a power-ind alterative is required."

Mr. Chas. 3. Van Liew of New Brumswick, N. J., had dreadful alcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Aresis Saisarantha relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to care him.

is well made and the material good. Good and substantial EAVES TROUGHS put up in any part of the County—Terms easy. Ready any part of the County—Terms easy. Ready seldom however, in sid of the Satisaranuala, the skilial application of local remedies.

application of local remedies.

From the recli-known and widely-elebrated Dr. Jacob Morrill, of Cincinnati.

4 I have found your SARSAPARILLA an excellent alterative in discusses of fornales. Many cases of Irregularity, Louzorthea, Internal Ulceration, and local debility, arising from the scrothlous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment. A lasy, unwilling to allow the publication of her mane, writes:

"My daughter and myself have been cured of a very debilitating Leucorrisea of long standing, by two bottles of your SARSAPARILLA."

Bheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need

not do more than to assure the public their quality is maintained equal to the best it ever ins been, and that they may be depended on to do all that they have ever done.
