Commissioner Root Hawley, and Surgeon T. F. Duncan, of this District, are among those who were drafted in the recent draft.

We issue Circulars with the Journal for the 1st Veteran Army Corps now being organized under the supervision of the brave Hancock.

By virtue of the Constitution of Delaware, Governor Saulsbury, President of the Senate, becomes Governor of the State for the unexpired term of Governor Shannon.

Correspondents intimate, and Wednesday's Richmond Dispatch confirms the information that Sheridan is advancing down the Shenandoah Valley at the head of two of the finest cavalry divisions in the service.

No news from Sherman for some days past. But, as the Rebel papers say nothing about him and do not report his being taken, killed, gobbled, or squelched, we judge that it is all right thus far.

The Borough Statement for the year ending March 31, 1865, informs us that the expenses of the past year were \$238 40, and the receipts for the same time were \$440 11; while the total amount of orders outstanding at the present date is only \$17 62.

ATLANTIC MONTHLY FOR MARCH.—We have received from the publishers, Messrs. Ticknor & Fields, Boston, the standard Magazine for March. As usual it is full to overflowing, with sound literature. We commend this work to our readers.—price \$4 per annum.

List of Letters remaining in the Post-Office at Coudersport, March 1, 1865: Lucy Bickford, Mary E. Blakeman, Jacob Fraucher, O. and J. Hamilton, J. S. and J. S. O. Hamilton, Isaac S. Hamilton, E. B. Hart, P. M. Lane, Z. Reuben Nicholas, H. Rosh, M. H. Sales, Valentine Schofield, H. Smith, H. A. Wallace, Wesley Washburn, Albert Wood (or Ward) J. N. S. MANN, P. M.

It has been decided by the Supreme Court of this State that the seller of real estate must pay for the stamp on the deed because he is required to affix it to the deed. This is a matter of considerable importance, as the cost of stamps is one dollar upon each one thousand dollars of the price, and where heavy sales are made, the stamp is a considerable item. Hereafter the prudent man will agree to sell his property for so much, and the cost of the stamps.

Homocide in a Gambling Saloon.—This afternoon, a quarrel sprang up in Fisher's Saloon, on Jay Street, in this place, between W. C. Harness and Wm. Myers, which resulted in the immediate death of the latter. The parties were seated at a gaming table when the difficulty arose. Harness struck Myers with his fist and Myers caught up a tumbler, to throw at Harness, when the latter took a stick and inflicted the fatal blow. The old story—liquor, cards, and murder. A hearing of the case was held before Justice Noble, who committed Harness for trial.—Lock Haven Republican.

Paul, the Apostle speaks of Luke as the "beloved physician," and few endeavor themselves to us more than those who like "ministering angels," bring us the healing balm in sickness. So it is with medicines that cure; though we never see the number, we get a feeling of regard for him through them. How many have resorted to Dr. J. C. Ayer for his invaluable remedies, so cheap and yet so effectual! What public benefactors better deserve esteem than those who rescue the body from disease and premature decay?—Pittsburgh (N. H.) Gazette.

It will be seen by a notice from the Provost Marshal in our advertising columns, that every drafted man who, after having been drafted, enlists elsewhere is a deserter from the draft. He must be held and credited here, and if he obtains a bounty from another locality, the enlistment is illegal and the bounty fraudulently obtained. Our citizens should keep track of all men who go away to enlist, because we should have the credit. If they are allowed to be credited elsewhere, we must make up the deficiency.

The flow of gold into the Treasury through the Custom House evidently is not to be stopped by croaking, or damned by warfare on the Government credit, or the commerce of the country. The amount of revenue from customs in January was \$2,460,576.50. This is the most unfavorable month in the year, for reasons connected with the weather and the course of trade. Yet, even at that rate of influx of gold, more than sufficient provision is made for the interest on the gold-bearing bonds of the United States.

The Erie railroad managers foreseeing the impossibility of securing wood for their locomotives, have wisely gone into McKean county and bought coal lands. They have bought the charter of the Buffalo and Pittsburgh Railroad company, and have during the past year finished the portion of it extending from Carrollton station, on their road, to Bradford, McKean county, Pa., and are now bringing to completion two short branches from that point up the east and west branches of the Tanawant creek into the heart of the coal fields of McKean county, and have commenced mining coal on some of their lands.

The Ninth National Bank of the City of New York—Joseph C. Orris, President—has been one of the most enterprising and successful agents for the various Government loans. Over fifty millions have been placed in the hands of the people through its agency within nine months, and it now advertises to furnish the 7-30 Notes by express, free of charge, in all parts of the country. Its object is patriotic, and the high reputation of its officers, as well as its capital of a million dollars, is a sure guarantee that the 7-30s subscribed for through its agency will be promptly forwarded.

Tennessee.—The Constitutional Election was held in this State on the 23d ult., and a vote of over Twenty thousand cast for purging the State of Human Bondage. Governor Andrew Johnson on the 27th proclaimed the amendment duly adopted and henceforth a part of the Constitution. He adds: "A new era dawns on the people of Tennessee. By their solemn act the shackles are struck from the limbs of more than two hundred and seventy-five thousand slaves. The whole social system is reconstructed on the basis of honest industry and personal worth. Intelligent enterprise and free labor are allowed to clothe the State with a richness and beauty surpassed by none of her sisters."

Throat Affection.—A Physician writing from Newfaae, New York, speaking of the beneficial effects resulting from the use of "Brown's Bronchial Troches," says: "Oblige me by sending a dozen more of your 'Bronchial Troches,' enclosing bill. For a fortnight that good irritation only felt by those who have suffered from a severe Bronchial Affection, and for hoarseness and sore throat too, I am free to confess, (though I am an M. D.) they answer all you claim for them. I would beg you to feel that I am one of the last men in the profession to puff a nostrum, but I feel I am but doing you justice to assert what I have." To avoid disappointment be sure to obtain the genuine "Brown's Bronchial Troches."

A BARGAIN! THE MOST DESIRABLE HOTEL IN NORTH-ERN PENNSYLVANIA, TO BE SOLD AT PRIVATE SALE. The Subscriber offers at PRIVATE SALE the House which he has occupied for the last ten years and known as the COUDERSPORT HOTEL.

It is situated at the County Seat of Potter County, Pennsylvania, is capable of accommodating Seventy-Five guests, has running water in several of the rooms on the basement floor, and a BATH ONE HUNDRED feet long. The lot has a front of 130 feet on Main Street and 180 feet on Second Street. All the necessary out-buildings, Ice-houses, Sheds, &c., are in good condition.

The attention of persons desiring to purchase a Hotel is called to this property. It has for a long time been considered one of the best paying Hotels in the northern section, it is the centre of a great amount of travel, and has the advantage of a reputation of being "well-kept." A Company with a large Capital Stock will commence boring for Oil in the early Spring with good indications of success. Oil has been taken from the surface of a stream only one square from the Hotel, and those best competent to judge seem to have no doubt of there being Oil, not only in the County, but within the limits of the Borough. Of course every one can see what an advantage this will be to all the Hotels in this County, but more decidedly to this one, as it is by far the best in this section.

The undersigned being engaged in another business which requires his whole time finds himself unable to attend to it, and this is the only reason for his selling.
