

PA. STATE NORMAL SCHOOL  
MANSFIELD, TIOGA CO., PA.

THIS INSTITUTION WAS  
Recognized by the State Authorities, in  
December, 1862.

State Normal School.

The School is at length placed upon a secure basis—the State appropriation of the current year enabling the Trustee to extinguish the greater portion of the outstanding liabilities, and to make extensive improvements upon the buildings and grounds.

The Spring Term will commence about March 10, 1865.

Prof. F. A. ALLEN, for the past six years in charge of the Chester County (Pa.) Normal School, has been elected Principal at this institution.

Excellent Chemical and Philosophical apparatus will be in readiness at the opening of the School.

To keep pace with the improvements in education, a gymnasium will be erected, for which a valuable apparatus for the heavier and lighter exercises has already been secured.

The school year is divided into three terms of thirteen weeks each, with no vacation except the week of Christmas holidays.

It is desirable that students should enter at the commencement of a term, and for a period of not less than thirteen weeks.

Tuition, in advance per term, \$6.00. An extra charge for the languages or the higher mathematics. Text books, rental of reasonable rates.

The arrangements now made are of such a nature as to warrant the Trustees in saying that no other institution in the State affords better facilities for the Education of Teachers, or for the preparation of students for college, or for general business.

For further particulars address the Principal, at Mansfield, Tioga County, Pa.

HARPER'S NEW MONTHLY MAGAZINE.

It is the foremost Magazine of the day. The friends never had a more delightful companion, nor the million a more enterprising friend than Harper's Magazine.—Methodist Protestant (Baltimore).

The most popular Monthly in the world.—New York Observer.

We must refer in terms of eulogy to the high tone and varied excellences of HARPER'S MAGAZINE—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of it as an evidence of the American People; and the popularity it has acquired is merited. Each number contains fifty pages of reading matter, appropriately illustrated with good wood-cuts; and it combines in itself the most interesting and the most philosophical quarterly, blended with the best features of the daily journal. It has great power in the dissemination of a love of pure literature.—Trubner's Guide to American Literature, London.

The volumes bound constitute of themselves a library of miscellaneous reading such as can not be found in the same compass in any other publication that has come under our notice.—Boston Courier

The Paper for Every Family Circle. SEND FOR A SPECIMEN. PUBLISHED WEEKLY. The Sunday-School Times.

With a rapidly increasing subscription list and the welcome it has met in thousands of homes, the Sunday School Times is about to enter on its seventh year.

Every successive volume adds to the evidence that such a paper as this was needed, and wherever it finds its way into a new neighborhood, it is hailed with pleasure by Parents and Teachers as supplying a want they had long felt.

The Sunday School Times contains, from week to week, stirring incidents of interest from the Camp, the Field, and the Hospital; showing what heroic Christian fortitude and endurance are exhibited by our brethren in arms. It is entirely unobscure, national, and is therefore welcome at every loyal Christian residence.

Early in November a serial of absorbing interest will be commenced from the pen of a gifted author, one who has written some of the best juvenile books that have been published for the past ten years.

The publishers offer a beautiful Premium Plate of "Christ Blessing Little Children" to any one who will get up a list of Five new Subscribers for the Sunday School Times.

MANHOOD! HOW RESTORED! Just published, a new edition of Dr. Chacewell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or Seminal Weakness, Involuntary Seminal losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Frigs, induced by self-indulgence or sexual extravagance.

Ayer's SARSAPARILLA

THE WORLD'S GREATEST REMEDY FOR Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of New York. "I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full relief to the patient."

As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter aged ten, had an affliction humor in her eyes, ears, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane A. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded her relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in New York. "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features, and became an intolerable affliction. I tried almost every thing a man could do both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face was as smooth as my body, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Smith, Houston St., New York. "Dr. AYER'S I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have cured many cases of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession, as well to the people."

From A. C. Johnston, Esq., Halesman, Ohio. "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated remedies of the day, and expended hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began to use your SARSAPARILLA, and in a few days, and some of your PILLS. Together they have cured me. I am now as well and sound as my body. Being in a public place, my case is known to every body in this community, and creates the wonder of all."

From Hon. Henry Monroe, M. P. P. of Newmarket, C. W. "a leading member of the Canadian Parliament." "I have used your SARSAPARILLA in my family, for general debility, and it has done me good with very beneficial results, and full confidence in commending it to the afflicted."

St. Anthony's Fire, Roso, Salt Rheum, Scald Head, Sore Eyes. From Harvey Steiler, Esq., the able editor of the Times, Cincinnati, Ohio. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome eruption of sores, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For several days he was in my hands, lest with him he should tear open the whole face, and corrupt blood which covered his forehead. Having tried every thing that we could do, we were from we began giving your SARSAPARILLA, and applying the lotion of potash lotion, as your direct. The sores began to heal, and in a few days the first bottle, and the second when we had finished the second. The child's eyes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Short, of St. Louis, Missouri. "I find your SARSAPARILLA a more effectual remedy for the removal of the symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. AYER'S SARSAPARILLA has found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know of any one who can employ with more certainty of success, where a powerful alternative is required."

Mr. Chas. S. True, of New Brunswick, N. J., has suffered severely of late years, by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied. In persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhoea, Whites, Female Weakness, are generally produced by Internal Scrofulous Ulceration, and are very often cured by the alternative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Merritt, of Cincinnati. "I have found your SARSAPARILLA an excellent alternative in diseases of females. Many cases of Irregularity, Leucorrhoea, Internal Ulceration, and local affections arising from Scrofulous Ulcers, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Dropsy, Brightness, when caused by Scrofulous Ulcers, are rapidly cured by this EXTRACT SARSAPARILLA.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they are ever intended to do.

Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by Sold by C. S. & E. A. Jones, Coudersport. Chappel Bros., Uxbridge, C. H. Simmons, Orem, Man & Nichols, Millport, Colwell & Co., Roulet, and by Dealers everywhere.
