HELMBOLD'S
FLUID EXTRACT BUCHU

Compound Fluid Extract Sarsaparilla,
For purifying the blood, removing all diseases arising from excess and impudence in life, chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swelling of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin, and beautifying the complexion.

AND HAPPINESS

NOT A FEW

Of the worst disorders that afflict mankind arise from the impurities which accumulate in the Blood. Of all the disorders that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the Blood, restores the vigor of health into the system, and purges out the humor which makes disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one to which they can depend. Our space here does not admit of certificates to new effects, but the trial of a single bottle will show to you that it has virtues surpassing anything they have ever taken.

Two tablespoonfuls of the Extract of Sarsaparilla, added to a pint of water, is equal to the Labon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles in Pisco—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensary.

HOW TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions the Improved Rose Wash, which they can do.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhoea and Gleet; in these use the Extract Buchu and inject with the Improved Rose Wash.

THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.

"Unquestionably the best sustained work
of the kind in the World."

HARPER'S
NEW MONTHLY MAGAZINE,
Critical Notices of the Press.

It is the foremost Magazine of the day. The friends never had a more delightful companion, nor the million a more enterprising friend than Harper's Magazine. —*Metropolitan Protestant* (Baltimore).

The most popular Monthly in the World. —*New York Observer*.

We must refer in terms of eulogy to the high tone and varied excellences of HARPER'S MAGAZINE—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American People; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good wood-cuts; and it combines in itself the rich monthly and the more philosophical quarterly, blended with the best features of the daily Journal: It has great power in the dissemination of a love of pure literature. —*Traveller's Guide to American Literature, London*

The volumes bound constitute of themselves a library of miscellaneous reading such as can not be found in the same compass in any other publication that has come under our notice. —*Boston Courier*

Prof. F. A. ALLEN, for the past six years in charge of the Chester County (Pa.) Normal School, has been elected Principal and Prof. J. Strain, of the Edinboro State Normal School, has been appointed to the Professorship of Languages and Mathematics.

Prof. Allen is well known throughout the State as a gentleman of accurate scholarship, possessing a practical experience of fifteen years as an educator of teachers, and a thorough acquaintance with their educational wants, acquired from his connection with County Institutes in every section of Pennsylvania, as well as in other States.

Comp. text and thorough instructions will be provided for the other departments of the School.

The building has been refitted throughout and provided with furniture of the most approved style, together with an extensive collection of maps, charts, and works of reference. Excellent Chemical and Philosophical apparatus will be in readiness at the opening of the School.

To keep pace with the improvements in education, a gymnasium will be erected, for which a valuable apparatus for the heavier and lighter exercises has already been secured.

The school year is divided into three terms of thirteen weeks each, with no vacation, except the week of Christmas Holidays.

It is desirable that students should enter at the commencement of a term, and for a period of not less than thirteen weeks. Tuition, in advance per annum, \$6.00. No extra charges for the languages or the higher mathematics. Text books rented at reasonable rates. Vocal and instrumental music at teachers' prices. Boarding in the hall, \$3.00 per term; wood for winter, \$3.00 per term; washing, \$3.25; room rent, \$1.50.

The arrangements now made are of such a nature as to warrant the Trustees in saying that no other institution in the State affords better facilities for the Education of Teachers, or for the preparation of students for college, or for general business.

For further particulars address the Principal, at Mansfield, Tioga county, Pa.

W. C. RIPLEY, Pres. Board of Trustees.
ALBERT CLARK, Secretary.
