

PA., STATE NORMAL SCHOOL
MANSFIELD, TIOGA CO., PA.
THIS INSTITUTE WAS
Recognized by the State Authorities, in
December, 1862.
AS A
State Normal School.
The School is at length placed upon a se-
cure basis—the State appropriation of the
current year enabling the Trustee to exten-
dise the greater portion of the outstanding
liabilities, and to make extensive improve-
ments upon the buildings and grounds.
The Spring Term will commence about
March 10, 1865.

Prof. F. A. ALLEN, for the past six years in
charge of the Chester County (Pa.) Normal
School, has been elected Principal, and Prof.
J. Strait, of the Edinboro State Normal School,
has been appointed to the Professorship
of Languages and Mathematics.
Prof. Allen is well known throughout the
State as a gentleman of accurate scholarship,
possessing a practical experience of fifteen
years as an educator of teachers, and a thor-
ough acquaintance with their educational
wants, acquired from his connection with
County Institutes in every section of Penn-
sylvania, as well as in other States.
Competent and thorough instructors will
be provided for the other departments of the
School.

The building has been refitted throughout
and provided with furniture of the most ap-
proved style, together with an extensive col-
lection of maps, charts, and works of refer-
ence. Excellent Chemical and Philosophical ap-
paratus will be in readiness at the opening of
the School.

To keep pace with the improvements in edu-
cation, a gymnasium will be erected, for
which a valuable apparatus for the heavier
and lighter exercises has already been secured.
The school year is divided into three terms
of thirteen weeks each, with no vacation, ex-
cept the week of Christmas Holidays.
It is desirable that students should enter at
the commencement of a term, and for a period
of not less than thirteen weeks. Tuition,
in advance per term, \$3.00. No extra
charges for the use of the higher mathe-
matics. Text books rented at reasonable
rates. Vocal and instrumental music at
teachers' prices. Boarding in the hall, \$2.00
per term; wood for winter, \$3.00 per term;
washing, \$2.25; room rent, \$1.50.

The arrangements now made are of such
a nature as to warrant the Trustees in saying
that no other institution in the State affords
better facilities for the Education of Teachers,
or for the preparation of students for college,
or for general business.

al, at Mansfield, Tioga County, Pa.

**BROWNING'S
CELEBRATED COFFEE.**

Whilst trying Coffee of all the various brands,
Remember "BROWNING'S EXCELSION"
at the head of the list.

True, it is not like others that are "SOLD
EVERYWHERE!"
A little stretch, we all do know, good goods
will easily bear,
(But a stretch like this—"sold everywhere!"
is very apt to tear.)

Now, I can safely say, without any hesitation,
There's none like "BROWNING'S EXCELSION"
in this enlightened nation.
Skilled chemists have not found a Coffee from
any other source.

Possessing the same ingredients as "Brown-
ing's Excelsion!"
Nor is there any one, in or out of the Coffee
trade,
Who knows the articles from which "Brown-
ing's Excelsion" is made.

I'm told it's made from barley, rye, wheat,
beans, and peas.
Name a thousand other things—but the
"RIGHT ONE" if you please.

But with the Coffee-men I will not hold con-
tention.
For the many, many things they say—too
numerous to mention.
Whilst they're engaged in running round
from store to store.

To learn the current wholesale price of
"Browning's Excelsion!"
Some who know my Coffee gives perfect sat-
isfaction.

Have formed a plan by which they hope to
cause a quick reaction.
The case—'tis with a few; no doubt 'twill be
with more—

To name their Coffee after mine, (BROW-
NING'S EXCELSION!"
Some say 'twill be the only brand that will
stand a ready test.

Now try a little of them all—see which you
like the best.
Three years have passed away since I first
sold a whole store.

Never have I my paper advertised before;
Nor would I now, or ever consent to publish
more.
If like some used by "everybody," "sold
everywhere," in "every store."
A trade like this I do not wish; 't the orders I
could not fill.

The Factory all Jersey's land would take—
I've not a foot to till.
My trade is hot so very large; still I think I
have my share;

But, reader, you may rest assured, 'tis NOT
"SOLD EVERYWHERE."
Manufactured and for sale by the writer,
GEORGE H. BROWNING,
No. 20 Market street Camden, N. J.
This Coffee is not composed of poisonous
drugs, it contains nothing deleterious; many
persons use this Coffee that cannot use the
pure coffee; it takes but one and a half
ounces to make a quart of good strong cof-
fee, that bears just one-half the quantity it
takes of Java Coffee, and always less than
half the price!

RETAIL DEALERS may purchase it in less
quantities than ten gross at my prices from the
Wholesale Grocers.
Orders by mail from Wholesale Deal-
ers promptly attended to.

U. S. 7-30 LOAN
THIRD SERIES,
\$230,000,000.

By authority of the Secretary of the Treasury,
the undersigned, the General Subscription
Agent for the sale of United States Secu-
rities, offers to the public the third series
of Treasury Notes, bearing seven and three-
tenths per cent, interest per annum, known
as the

7-30 LOAN.
These notes are issued under date of July
15, 1865, and are payable three years from
that date in currency, or are convertible at
the option of the holder into

U. S. 5-20 Six per cent.
GOLD-BEARING BONDS

These Bonds are now worth a handsome
premium, and are exempt, as are all the Gov-
ernment Bonds, from State, County, and
Municipal taxation, which adds from one to three
per cent. per annum to the value, according to
the rate levied upon other property. Their
interest is payable semi-annually by Coupons
attached to each note, which may be cut off
and sold to any bank or banker.

The interest at 7-30 per cent. amounts to
One cent per day on a \$50 note
Two cents " " " \$100 "
Ten " " " \$500 "
20 " " " \$1000 "
\$1 " " " \$5000 "

Notes of all the denominations named will
be promptly furnished upon receipt of subscrip-
tions.

The Notes of this Third Series are precisely
similar in form and privileges to the Seven-
Thirties already sold, except that the Gov-
ernment reserves to itself the option of pay-
ing in interest in gold coin at 6 per cent, in-
stead of 7-30 in its currency. Subscribers
will deduct the interest in currency up to
July 15th, at the time when they subscribe.

The delivery of the notes of this third
series of the Seven-thirties will commence on
the 1st of June, and will be made promptly
and continuously after that date.

The slight change made in the conditions
of this THIRD SERIES affects only the mat-
ter of interest. The payment in gold, if
made, will be equivalent to the currency in-
terest of the higher rate.

The return to specie payments, in the event
of which only will the option to pay interest
in Gold be availed of, would reduce and
equalize prices that purchases made with six
per cent. in gold would be fully equal to
those made with seven and three-tenths per
cent. in currency. This is

The Only Loan in Market
Now offered by the Government, and its su-
perior advantages make it the

**Great Popular Loan of the
People.**

Authorized by Congress are now on the
market. This amount, at the rate at which
it is being absorbed, will all be subscribed
for within sixty days, when the notes will
undoubtedly command a premium, as has
uniformly been the case on closing the sub-
scriptions to other Loans.

In order that citizens of every town and
section of the country may be afforded facil-
ities for taking the loan, the National Banks,
State Banks, and private Banks throughout
the country have generally agreed to receive
subscriptions at par. Subscribers will select
their own agents, in whom they have confi-
dence, and who only are to be responsible for
the delivery of the notes for which they re-
ceive orders.

INCREASE OF RATS.—The Farmer's Ga-
zette (English) asserts and proves by figures
that one pair of rats will have a progeny and
descendants no less than 651,050 in three
years. Now, unless this immense family can
be kept down, they would consume more food
than would sustain 65,000 human beings.

SARSAPARILLA,**
the woman's great remedy for
Scrofula and other venereal Diseases.

"I have sold large quantities of your SARSAPARILLA for several years, and I feel confident that the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our country."

From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane F. Rice, a well-known and much-esteemed lady of Danvers, Cape May Co., N. J.
"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gay, Murray & Co., manufacturers of enamelled paper in Astoria, N. J.
"My daughter, who has a very troublesome humor in my face, which grows constantly worse until it disfigures my features and becomes an intolerable affliction, I feel almost every day a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and soon my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Dr. Robt. Smith, Houston St., New York.
"Dr. AYER'S Sarsaparilla is a most valuable medicine for Scrofulous Eruptions with it. No alternative we possess equals the Sarsaparilla. It is a most valuable preparation to the profession as well as to the people."

From J. E. Johnston, Esq., Walden, Ohio.
"For twelve years, I had the yellow Erysipelas attack me, which was a most distressing and dangerous disease. I could reach, and took hundreds of dollars worth of medicine. The ulcerated doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. I took two bottles, and some of your PILLS. My arm was cured. I am now as well and sound as my body. Being in a public place, my case is known to every body in this community, and excites a wonderful interest."

From Hon. Henry Monroe, M. P. of Norwalk, Ct., a leading member of the Canadian Parliamt.
"I have used your SARSAPARILLA in my family, for general debility, and for various ailments, with very beneficial results, and feel confident in commending it to the afflicted."

St. Anthony's Fire, Roso, Salt Rheum, Scald Head, Sore Eyes.
From Harvey Sicker, Esq., the able editor of the Uniontown Democrat, Uniontown, Pa.
"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread, and he formed a habit of scratching his face, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wounds which covered his face. Having tried every thing else we had any hope from you, we began giving your SARSAPARILLA, and applying the ointment to his forehead and eyes. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's face and eyes were cured out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

From J. Hiram Smith, of St. Louis, Missouri.
"I find your SARSAPARILLA a most effectual remedy for the secondary symptoms of Syphilis and for syphilitic diseases in general. I have used it, and the physicians are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., a prominent member of the Legislature of Massachusetts.
