A CORRECTION.

The Spirit with its usual regard for the Spirit with its usual regard to the trath says in its last issue, that the number of men furnished by New York city for the war (116,000) is almost as penalty of her crime in connection with the extremal properties who would call that the number of men furnished by penalty of her crime in connection with the extremal properties who would call that the properties who would call the properties where the properties who would be properties where the properties where large as the entire number furnished by

furnished by New York city.

Rhode Island sent more troops in promany of them with their bounty money still in their pockets. We admit howevor, that the Spirit has stated one fact, "New York city is a copperhead hole."-Chambersburg Repository.

According to the late elections for members of the British House of Parliament. liberalism is fast getting the upper hand. The latest returns showed a majority for the government of eighty two. This majority would probably be reduced when the county elections had taken place but it was confidently anticipated that Lord Palmerston would secure a larger majority in the new Parliment than he had in the old. Among the most notable men elected were J. Stuart Mill, the distinguished philosopher, whose views on
