#### GAUTION FROM THE THE MASON & HAMLIN AMERICAN WATCH COMPANY, CAbinet Organs and Chicker-ing's Celebrated Planos for sale by John B. Shakspear, of Wellsboro, It having come to our knowledge that ime

itations of the American Watch have been put upon the market in great number, calculated by their utter worthlessness to injure the reputation of our genuine produces to mure protect our own interests and the public from imposition, we again publish the trade marks by which our Watches may invatiably be known.

We manufacture four styles of Watches.

The First has the name "AMERICAN WATCH CO.. Waltham, Mass.," engraved on the inside plate. The Second has the name

All the above styles have the name Amer-ican Watch Co. painted on the dial, and are warranted in every respect.

The Fourth has the name "WM. ELLERY, Boston, Mass.," engraved on the inside plate, and is not named on the dial

All the above described watches are mad of various sizes, and are sold in gold or silver cases, as may be required.

It is hardly possible for us to accurately describe the numerous imitations to which we have alluded. They are tisually inscribed with names so nearly approaching our own as to escape the observation of the unaccuse J. W. ALLEN, PRINCIPAL, assisted by tomed buyer. Some are represented as made of the "Union Watch Co., of Boston, Mass." by the "Union Watch Co., of Boston, Mass."

Watch Company. We also caution the public, and particularly soldiers, against buying certain articles CALLED watches, so freely advertised in filustraled papers as "Army Watches," "Officer's Watches," "Magic Time Observers," "Arcana, Watches," &c., the prices of which are stated 1864, in the Common to be from seven to sixteen dollars.
