HELMBOLD'S
FLUID EXTRACT BUCHU
AND
Improved Rose Wash

Will radically exterminate from the system Diseases arising from Habits of Dissipation, *at little expense, little or no change of diet, no inconvenience or exposure;* completely superseding those *unpleasant and dangerous remedies, Copaiba* and *Mercury,* in curing these diseases.

USE HELMBOLD'S
FLUID EXTRACT BUCHU

In all Diseases of the Urinary Organs, whether existing in MALE or FEMALE, *from whatever cause originating, and no matter of how long standing.* It is pleasant in its taste and odor, IMMEDIATE in action, and more strengthening than any of the preparations of *Burk or Iron.*

Those suffering from *Broken Down or Delicate Constitutions, procure the Remedy at once.*

The Reader must be aware that however slight may be the attack of the above diseases, it is certain to affect his *Bodily Health, Mental Powers and Happiness.* If no treatment is submitted to, Consumption or Insanity may ensue.

All the above diseases require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU
Is the Great Diuretic.

HELMBOLD'S
HIGHLY CONCENTRATED
Compound Fluid Extract Sarsaparilla,

For purifying the blood, removing all diseases arising from excess and imprudence in life, chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swelling of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all scaly eruptions of the skin, and beautifying the COMPLEXION.

AND HAPPINESS

NOT A FEW

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the *Blood.* Of all the discoveries that have been made to purge it out, none can equal in effect *HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA.* It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the Blood. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in *Vacuo*—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the *U. S. Dispensatory.*

HOW TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhœa and Gleet; in these use the Extract Buchu and inject with the Improved Rose Wash.

☞ THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.

BROWNING'S
CELEBRATED COFFEE.

Whilst trying Coffee of all the various brands,
Remember "BROWNING'S EXCELSIOR"—
at the head it stands.
True, it's not like others that are "SOLD EVERYWHERE."
A little stretch, we all do know, good goods will easily bear;
(But a stretch like this—"sold everywhere"—is very apt to tear.)
Now, I *can safely say, without any hesitation,*
There's none like "BROWNING'S EXCELSIOR" in this enlightened nation.
Skilled chemists have not found a Coffee from any store
Possessing the same ingredients as "Browning's Excelsior."
Nor is there any one, in or out of the Coffee trade,
Who knows the articles from which "Browning's Excelsior" is made.
I'm told it's made from barley, rye, wheat, beans, and peas;
Name a thousand other things—but the RIGHT ONE if you please.
But with the Coffee-men I will not hold contention
For the many, many things they say—too numerous too mention.
Whilst they're engaged in running round from store to store
To learn the current wholesale price of "Browning's Excelsior,"
Some who know my Coffee gives perfect satisfaction,
Have formed a plan by which they hope to cause a quick reaction.
The case—'tis with a few; no doubt 'twill be with more—
To name their Coffee after mine, (BROWNING'S) EXCELSIOR."
Some say their's the only brand that will stand a ready test.
Now try a little of them all—see which you like the best.
Three years have passed away since I first sold a store;
Never have I in your paper advertised before;
Nor would I now, or ever consent to publish more,
If like some used by "everybody," "sold everywhere," in "every store."
A trade like this I do not wish; the orders I could not fill;
The Factory all Jersey's land would take—leave not a foot to till.
My trade is not so very large; still I think I have my share;
But, reader, you may rest assured, 'tis NOT "SOLD EVERYWHERE."

Manufactured and for Sale by the writer,

This Coffee is not composed of poisonous drugs, it contains nothing deleterious; many persons use this Coffee that cannot use the pure coffee; it takes but one and a half ounces to make a quart of good strong coffee, that being just one-half the quantity it takes of Java Coffee, and always less than half the price.

RETAIL DEALERS may purchase it in less quantities than ten gross at my prices from the Wholesale Grocers.

The case is beautifully designed with Panel and shield for name, with Patent Push Pin, and engraved in the exact style of the celebrated Gold Hunting Levers, and are really handsome and desirable, and so exact an imitation of gold as to defy detection. The movement is manufactured by the well known St. Jimer Watch Company of Europe, and are superbly finished, having engraved pallets, fancy carved bridges, adjusting regulator, with gold balance and the improved jeweled action, with line dial and skeleton hands, and is warranted a good time keeper.

These watches are of three different sizes, the smallest being for Ladies, and are all Hunting Cases. A case of six will be sent by Mail or Express for $125.00. U. S. 7-30 LOAN
THIRD SERIES,
$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent, interest per annum, known as the

7-30 LOAN.

These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per cent. GOLD-BEARING BONDS

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value,* according to the rate levied upon other property. The interest is payable semi-annually by Coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7-30 per cent. amounts to

One cent per day on a $50 note				
Two cents	"	"	"	**$100**
Ten	"	"	"	**$500**
20	"	"	"	**$1000**
$1	"	"	"	**$5000**

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6. per cent., instead of 7-3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly *and continuously after that date.*

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is

The Only Loan in Market

Now offered by the Government, and its superior advantages make it the

Great Popular Loan of the People.

Less than $230,000,000 of the Loan authorized by Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have *confidence, and who only* are to be responsible for the delivery of the notes for which they receive orders. JAY COOKE,

The peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally *Consumption;* in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the *same origin,* require the *same remedy, viz.,* purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does *combine virtues truly extraordinary* in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The *vast importance* of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla,* that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S
CHERRY PECTORAL,
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
